Notwithstanding the assignment of the Assigned Preference Claims to the Litigation Trust, the Litigation Trust shall not assert or prosecute any Assigned Preference Claim against certain customers, suppliers, vendors, lenders, officers, directors and employees of the Reorganized Debtors, or other Persons with whom the Reorganized Debtors, in good faith, have, or reasonably intend to have, a continuing relationship following the Confirmation Date (each an “Excluded Person”). To assist the Litigation Trust with respect to its initial analysis of Assigned Preference Claims, the Debtors shall provide to the Committee and the Financing Party Defendants a “preliminary preference report” by March 20, 2010, identifying potential preference payments and recipients. Notwithstanding the contents of such “preliminary preference report,” prior to making any demand to collect or commencing any legal action to collect an Assigned Preference Claim, the Litigation Trust shall confirm with the Reorganized Debtors, in writing, whether the target of any such demand or action is an Excluded Person. The Parties agree that should the Litigation Trust dispute the reasonableness of the Debtors’ designation of a Person as an Excluded Person (a “Disputed Excluded Person”), the Bankruptcy Court shall retain jurisdiction to resolve such dispute and the Parties waive their appellate rights concerning the Bankruptcy Court’s decision thereon, provided that, pending the Bankruptcy Court’s resolution of the dispute, claims and causes of action against the Disputed Excluded Person shall be expressly preserved for the benefit of the Litigation Trust and shall not be released under any pending plan of reorganization. The Debtors and the Committee shall work together to finalize procedures for resolution of such disputes, which procedures shall be included in the Plan Supplement. Subject to Section 3.6 hereof, to the extent the Litigation Trust obtains recoveries based upon Non-Settling Defendant Claims or Assigned Preference Claims, and solely with respect to such recoveries, the Financing Party Defendants and the Secured Lenders agree that their Senior/Bridge Deficiency Claims may be satisfied only from Excess Recoveries (if at all), and for the avoidance of doubt, in no event shall the holders of Senior Secured Claims, Bridge Loan Facility Claims or Senior/Bridge Deficiency Claims be third party or other beneficiaries of the Trusts prior to the Excess Recovery Trigger Date. To the extent the Debtors obtain net recoveries from any Preference Claims between the date hereof and the Payment Date, such net recoveries shall be allocated as follows: (i) 90% to be held by the Debtors, not subject to any lien, claim or

⁴ The Reorganized Debtors’ share of net recoveries from Assigned Preference Claims shall be deemed to derive from only such claims that do not implicate the Debtors’ insurance.

encumbrance and not subject to any equitable interest of the Debtors, for the benefit of holders of Allowed General Unsecured Claims, and (A) transferred upon the Payment Date to the Litigation Trust for distribution to holders of Allowed General Unsecured Claims or (B) in the event the Bankruptcy Case is converted to a case or cases under chapter 7 of the Bankruptcy Code, distributed by the chapter 7 trustee to the holders of Allowed General Unsecured Claims, and (ii) 10% to the Debtors for the benefit of their estates.

- 3.4. Pursuant to the Revised Plan or an Alternative Plan, on the Payment Date, the Abandoned Claims will be discontinued by the Debtors and the Committee without prejudice and the Debtors shall furthermore be deemed to have abandoned, pursuant to section 554 of the Bankruptcy Code, any and all right to further pursue the Abandoned Claims. Upon the effectiveness of the aforesaid discontinuance and abandonment, (i) each holder of an Allowed General Unsecured Claim, (ii) each holder of a Senior/Bridge Deficiency Claim, and (iii) each holder of a Senior/Bridge Guarantee Claim shall assign and contribute to the Creditor Trust any and all State Law Avoidance Claims. The Creditor Trust shall be authorized to prosecute the State Law Avoidance Claims that are contributed to the Creditor Trust for the benefit of holders of Allowed General Unsecured Claims who contribute such Claims to the Creditor Trust, who shall receive a Pro Rata share of any net recoveries on the State Law Avoidance Claims, subject to Section 3.6 hereof.
- 3.5. The Debtors, the Committee, the Ad Hoc Group and the Millennium Notes Trustee hereby agree that, under the Revised Plan or an Alternative Plan, the maximum value distributable to holders of Allowed General Unsecured Claims against Millennium US Opco shall be \$0, against MPI shall be \$213,935,341, and against MSC shall be \$71,578,926 (or such other value as may be ascribed to these entities by the Bankruptcy Court at the Confirmation Hearing); provided that any such distributable amount shall in no way reduce, modify or otherwise adversely impact the value of the recovery to the holders of Bridge Loan Facility Claims. The Debtors, the Committee, the Ad Hoc Group and the Millennium Notes Trustee further agree (without making any admissions) that, under the Revised Plan or an Alternative Plan, in compromise and settlement of any and all disputes they may have regarding the Millennium Notes Indenture, the Allowed General Unsecured Claims against Millennium US Opco, MPI or MSC shall receive, in the aggregate, Class A Shares valued at no more than approximately \$90 million (with the allocation of the amounts to be provided to each entity, if any, to be determined by the Debtors and the Committee) and the holders of Senior/Bridge Guarantee Claims against Millennium US Opco, MPI or MSC shall receive, in the aggregate Class A Shares valued at no less than approximately \$195 million (it being understood that notwithstanding this sentence, any Class A Shares distributed to holders of Allowed General Unsecured Claims of Millennium US Opco, if any, are being provided only as an overall compromise and settlement of any and all claims regarding the Millennium Notes Indenture, and that after satisfaction of the unsecured claims at MPI and MSC, there is no distributable value remaining for unsecured claimholders of Millennium US

Opco). For the avoidance of doubt, Allowed General Unsecured Claims as set forth in the preceding sentence shall not include the Millennium Notes and the 2015 Notes. Notwithstanding anything to the contrary contained herein, holders of Allowed General Unsecured Claims against Millennium US Opco, MPI and MSC, in addition to receiving the value set forth above, shall participate in the Settlement Consideration but only until such time as they are paid in full their allowed Base Claim Amount plus, subject to Section 3.6 hereof, their Post-Effective Date Interest Amount; thereafter, Settlement Consideration will be allocated only among remaining holders of Allowed General Unsecured Claims. For the avoidance of doubt, (i) the distributions set forth in this Section 3.5 may be increased or decreased, as applicable, pursuant to the provisions of Section 3.30 hereof, and (ii) to the extent the Bankruptcy Court ascribes a different value to Millennium Us Opco, MPI, or MSC than that listed in the first sentence of this Section 3.5, the distributions set forth in the second sentence of this Section 3.5 shall be adjusted proportionately.

- 3.6. Following the Excess Recovery Trigger Date, holders of Senior Secured Claims, Bridge Loan Facility Claims and, solely to the extent of their Post-Effective Date Interest Amount, holders of Allowed General Unsecured Claims shall be entitled to share in Excess Recoveries. Until the holders of Allowed General Unsecured Claims (taking into account all distributions previously received by them after the Excess Recovery Trigger Date) are paid their Post-Effective Date Interest Amount in full, Excess Recoveries shall be paid one-third to the holders of Senior/Bridge Deficiency Claims on account of Senior Secured Claims, one-third to the holders of Senior/Bridge Deficiency Claims on account of Bridge Loan Facility Claims and one-third to the holders of Allowed General Unsecured Claims. Thereafter, until the holders of Senior Secured Claims (taking into account all distributions previously received by them) are paid in full, Excess Recoveries shall be paid 50% to the holders of Senior/Bridge Deficiency Claims on account of Senior Secured Claims and 50% to the holders of Senior/Bridge Deficiency Claims on account of Bridge Loan Facility Claims. Thereafter, Excess Recoveries shall be paid 100% to holders of Bridge Loan Facility Claims. Notwithstanding anything to the contrary in this Settlement Agreement, neither the Creditor Trust, the Litigation Trust, the Trustees, nor the Creditor Representative, or their respective professionals and agents shall owe any fiduciary or other duty to the holders of Senior Secured Claims or Bridge Loan Facility Claims and shall have no obligation to consult with any holders of the Senior Secured Claims or Bridge Loan Facility Claims with respect to prosecution or settlement of any claims being prosecuted by the Creditor Trust or the Litigation Trust; provided that after the Excess Recovery Trigger Date, the governance of the Trusts may be modified by provisions of the Creditor Trust Agreement and the Litigation Trust Agreement, as applicable, that are satisfactory to the Financing Party Defendants (and, in the case of the Litigation Trust, the Reorganized Debtors).
- 3.7. On the Payment Date, and provided that the Bankruptcy Case has not been converted to a case or cases under chapter 7 of the Bankruptcy Code, the Debtors shall fund, as a grant, an aggregate of \$20 million to the Trusts to pay for the

costs, fees and expenses of prosecution of claims by the Trusts and the costs of administration of the Trusts. The allocation and disbursement of this \$20 million grant as between the Trusts shall be determined in accordance with procedures established by the Committee. To the extent that a portion of the grant allocated to the Creditor Trust or to the Litigation Trust is not needed or used to defray the costs and expenses of that Trust, it shall be available first for use by the other Trust, second for distribution to holders of Allowed General Unsecured Claims, and third as provided for in Section 3.6 hereof with respect to any amounts that would be Excess Recoveries. In the event that the Bankruptcy Case is converted to a case or cases under chapter 7 of the Bankruptcy Code, the Collateral Agent, pursuant to Section 7.11 hereof, shall release, as a grant, Liens on collateral sufficient to allow said \$20 million to be paid over to the chapter 7 trustee to fund its prosecution of the Non-Settling Defendant Claims and the Assigned Preference Claims.

- 3.8. The Creditor Trust and the Litigation Trust shall be established on the Payment Date pursuant to the Revised Plan or an Alternative Plan and shall be controlled and governed by the Creditor Trust Agreement and the Litigation Trust Agreement, respectively.
- 3.9. To facilitate interim distributions under the Revised Plan and from the Trusts, the Debtors will propose in the Revised Plan the following distribution mechanism:

Until all claims constituting General Unsecured Claims become Allowed Claims (or are disallowed), the distributions of the Settlement Consideration shall be divided into three tranches: (i) one tranche for the benefit of holders of 2015 Notes Claims, (ii) one tranche for the benefit of holders of Millennium Notes Claims and (iii) one tranche for the benefit of holders of all other Allowed General Unsecured Claims. Subject to the provisions of this Section regarding the estimation of disputed claims, holders of 2015 Note Claims, holders of Millennium Notes Claims and holders of Allowed General Unsecured Claims, in each case whose claims have been Allowed on or before the Effective Date, shall receive their Pro Rata distribution of Fixed Settlement Plan Consideration on the Effective Date or as soon as practical thereafter, subject to adjustment as necessary to account for the distributions to the holders of Millennium Notes Claims as described in Section 3.30(b) hereof. The distributions of the Settlement Consideration shall be allocated to each tranche to reflect (A) the relative amount of the Allowed Claims of the creditors falling within each of tranches (i) and (ii) above, and (B) the relative estimated amount of the Allowed Claims of the creditors falling within tranche (iii) above as calculated by the Debtors in good faith, in consultation with the Committee; provided, however, that the Allowed amount of all other Allowed General Unsecured Claims in Class 7-A, Class 7-C and Class 7-D shall be estimated by the Debtors, in consultation with the Committee, taking into account the Debtors' high-end estimates for the ultimate Allowed amount of such Claims based on the information available to the

Debtors prior to the Confirmation Date. If, after all Disputed General Unsecured Claims become Allowed Claims (or are disallowed), there is insufficient Fixed Settlement Plan Consideration to provide all holders of Allowed General Unsecured Claims (other than Millennium Notes Claims) eligible to receive Fixed Settlement Plan Consideration the same Pro Rata distributions of the Fixed Settlement Plan Consideration, then the Litigation Trust shall use its first available net proceeds from the claims it is entitled to pursue as is required to true-up distributions to such holders.

The parties intend that this mechanism should be used to permit interim distributions to be made of Fixed Settlement Plan Consideration, to the extent reasonably practical, as of the date other effective date distributions are being made pursuant to the Revised Plan or an Alternative Plan. Once all claims constituting general unsecured claims become Allowed General Unsecured Claims (or disallowed), distributions of Fixed Settlement Plan Consideration shall be made to holders of Allowed General Unsecured Claims (other than Millennium Notes Claims) as may be required to true-up distributions as among such holders and then, Pro Rata thereafter among holders of Allowed General Unsecured Claims (other than Millennium Notes Claims); provided, however, that nothing herein is intended to provide holders of 2015 Notes Claims with true-up distributions on account of the Fixed Settlement Plan Consideration reallocated from the holders of the 2015 Notes Claims to the holders of Millennium Notes Claims pursuant to Section 3.30(b) hereof. Settlement Consideration in the form of cash or Class A Shares held after the Effective Date for the benefit of holders of General Unsecured Claims (other than Millennium Notes Claims) whose Claims have not yet been Allowed (or disallowed) shall be held by the Creditor Representative in a separate, interest-bearing escrow account for the benefit of such holders of disputed General Unsecured Claims (other than Millennium Notes Claims). The Debtors shall have no equitable interest in such escrow account, which shall not be subject to claims, liens or encumbrances.

- 3.10. Pursuant to the Revised Plan or an Alternative Plan, all reasonable, actual and documented costs and expenses incurred by the 2015 Notes Trustee, solely in its capacity as 2015 Notes Trustee (including the reasonable, actual and documented fees of legal counsel), and all reasonable, actual and documented legal fees and expenses incurred by members of the 2015 Notes Ad Hoc Group shall be treated and paid as Allowed Administrative Expenses; provided, that such costs and expenses shall be submitted to the Debtors in the form of summary invoices of the relevant law firms and institution; provided further, that the total amount of all of such costs and expenses through and including February 16, 2010 shall not exceed in the aggregate \$3.5 million;⁵ provided further, that the Debtors' estates shall not pay any fees and expenses incurred by members of the 2015 Notes Ad

⁵ To be increased to \$5.1 million throughout this Section 3.10 in the event all of the Millennium Notes Plan Conditions are satisfied.

Hoc Group after February 16, 2010; provided further, that the Debtors shall have no obligation to pay any fees or expenses (including any legal fees and expenses) of members of the 2015 Notes Ad Hoc Group if any member of the 2015 Notes Ad Hoc Group objects to (i) the 9019 Motion or the settlement set forth in this Settlement Agreement, (ii) the motion to approve the Equity Commitment Agreement [09-10023 Docket No. 3487], or any other pleading filed in support of the Equity Commitment Agreement (as amended from time to time), (iii) approval of the Disclosure Statement, or (iv) confirmation of the Revised Plan or an Alternative Plan. All of the members of the 2015 Notes Ad Hoc Group agree that they shall not assert any claim or request payment of any administrative expense for fees and expenses (including any legal fees or expenses) incurred after February 16, 2010. For the avoidance of doubt, it is understood that (a) the 2015 Notes Trustee shall not receive payment for any fees and expenses incurred on or before February 16, 2010, unless such fees and expenses are included within the \$3.5 million cap set forth in the second proviso of the first sentence of this paragraph, (b) such \$3.5 million cap shall not apply to the fees and expenses of the 2015 Notes Trustee incurred after February 16, 2010, and (c) such \$3.5 million cap shall not apply to the fees and expenses of the 2015 Notes Trustee paid before February 16, 2010. Nothing herein shall waive, release or impair any rights or interests that the 2015 Notes Trustee has under the 2015 Notes Indenture or otherwise to the recovery and/or reimbursement of its fees and expenses (including the fees and expenses of counsel) from any distribution of recoveries to the holders of the 2015 Notes (which distributions, if any, shall be made through the 2015 Notes Trustee pursuant to the Revised Plan or an Alternative Plan), whether in the nature of a charging lien or otherwise. The fees and expenses that are allocable to the \$3.5 million cap provided in this Section 3.10 shall be allocated to the following fees and expenses in the indicated priority: first, to the 2015 Notes Trustee's fees and expenses (other than outside counsel fees and expenses); second, to the fees and expenses of Seward & Kissel LLP on behalf of the 2015 Notes Trustee; third, to the fees and expenses of the members of the 2015 Notes Ad Hoc Group; and fourth, to the fees and expenses of Kasowitz, Benson, Torres & Friedman LLP on behalf of the 2015 Notes Trustee.

- 3.11. Pursuant to the Revised Plan or an Alternative Plan, all reasonable, actual and documented costs and expenses incurred by the Millennium Notes Trustee, solely in its capacity as Millennium Notes Trustee (including the reasonable, actual and documented fees of Dewey & LeBoeuf and Golenbock Eiseman as legal advisors to the Millennium Notes Trustee), and the reasonable, actual and documented legal fees and expenses of Greenberg Traurig as advisor to one or more of the Specified Millennium Noteholders, shall be treated and paid as Allowed Administrative Expenses; provided, that such costs and expenses shall be submitted to the Debtors in the form of summary invoices of the relevant law firms and institution; provided further, that the total amount of all of such costs and expenses shall not exceed in the aggregate \$3.0 million (of which the fees and expenses of Greenberg Traurig shall not exceed \$100,000); and provided further, that the Debtors shall have no obligation to pay any fees or expenses (including any legal fees and expenses) of the Millennium Notes Trustee or any Specified

Millennium Noteholders if the Millennium Notes Plan Conditions are not met. The Millennium Notes Trustee agrees that it shall not assert any claim or request payment of any administrative expense for fees and expenses (including any legal fees or expenses) incurred above the \$3.0 million cap listed in this Section 3.11; provided, however, that nothing herein shall waive, release or impair any rights or interests that the Millennium Notes Trustee has under the Millennium Notes Indenture or otherwise to the recovery and/or reimbursement of its fees and expenses (including the fees and expenses of counsel) from any distribution of recoveries to the holders of the Millennium Notes (which distributions, if any, shall be made through the Millennium Notes Trustee pursuant to the Revised Plan or an Alternative Plan), whether in the nature of a charging lien or otherwise.

- 3.12. The release and exculpation provisions contained in the Revised Plan or an Alternative Plan shall cover (i) in the same manner provided for in the Plan, all Parties and their respective counsel, advisors, experts and consultants, and any conduct related to the Original Settlement Agreement, this Settlement Agreement and the Committee Litigation, and (ii) (a) any employee or officer employed by any of the Debtors on or after December 15, 2009 who was not named individually as a defendant in the Committee Litigation, and (b) those individuals named as defendants in the Committee Litigation identified on Schedule B hereto. For the avoidance of doubt, the Revised Plan or an Alternative Plan shall not provide releases from any cause of action that has been asserted in (or arises from the same transaction or occurrences as alleged in) the Committee Litigation for any individually named defendant who served as an officer or director of either Lyondell Chemical Company or its subsidiaries or as a director or member of a supervisory board of Basell AF SCA or its subsidiaries in the Committee Litigation not identified on Schedule B. Notwithstanding anything to the contrary contained herein, the Millennium Notes Trustee and the Specified Millennium Noteholders shall receive the benefits of the release and exculpation provisions contained in the Revised Plan or an Alternative Plan only if the Millennium Notes Plan Conditions are satisfied and remain so as of the Payment Date.⁶
- 3.13. Subject to entry of the Approval Order, the Debtors, the Financing Party Defendants, the 2015 Notes Trustee, the 2015 Notes Ad Hoc Group, and the Millennium Notes Trustee agree that the \$250,000 limitation for “Capped Activities” of the Committee’s professionals as proscribed in the DIP Financing Order shall be eliminated, and the Parties agree to use their commercially reasonable efforts to obtain the consent of the DIP Lenders to a modification of the DIP Financing Order to eliminate this limitation. This modification will be included in the Approval Order. Compensation of the Committee’s professionals for their reasonable fees and expenses for such activities shall be subject to final

⁶ Subject to satisfaction of the Millennium Notes Plan Conditions, the Specified Millennium Noteholders shall be third party beneficiaries of the release and exculpation provisions set forth in this Section 3.12. Unless expressly provided herein, the Specified Millennium Noteholders shall not be beneficiaries or third party beneficiaries with respect to any other provision of this Settlement Agreement.

application, objection, allowance and reimbursement consistent with the Bankruptcy Code and orders of the Bankruptcy Court entered in the Bankruptcy Case, and shall be submitted to the Debtors in the same manner as the Committee's professionals have done to date; provided, that upon entry of the Approval Order (i) the Committee's professionals shall be entitled to be paid, no Party shall object to the payment of, and the Debtors shall pay, the Committee's professionals fees and expenses for "Capped Activities" allowed but not awarded to date pursuant to Bankruptcy Court orders approving the First Interim Fee Application [09-10023 Docket No. 2505] and the Second Interim Fee Application [09-10023 Docket No. 3416], and (ii) the Committee's professionals shall be entitled to be paid, and the Debtors shall pay, the Committee's professionals fees and expenses for "Capped Activities" requested or to be requested for each of the months of September, October, November and December 2009 pursuant to monthly fees submissions, and any additional periods as the case may be, pursuant to the Interim Compensation Procedures Order and not otherwise objected to except for the reason that such fees and expenses were for "Capped Activities," subject only to applicable holdbacks, which amounts are approximately \$6.55 million for Brown Rudnick, \$2.03 million for Mesirow Financial Consulting, \$0.871 million for Peter J. Solomon Company, \$1.33 million for Chemical Market Associates, Inc., and \$8,247.76 for Wildgen Partners in Law as set forth in the previously served fee applications, it being understood that each such professional may not yet have submitted invoices or fee applications covering all prior periods, provided that the Notice Parties (as defined in the Interim Compensation Procedures Order) shall have 15 days from entry of the Approval Order during which to review and object to the reasonableness of the amounts addressed in this subsection. For the avoidance of doubt, the Parties agree that no compensation shall be paid by the Debtors for any professionals of any subcommittee of the Committee and this Section does not expand the estate's reimbursement obligations under Sections 3.10 and 3.11 herein.

- 3.14. The Debtors shall continue to pay and reimburse to (i) Citibank, N.A. and its Affiliates, in their various current and former agent capacities under the Senior Facility and the Bridge Loan Facility, (ii) Deutsche Bank Trust Company Americas and its Affiliates, in its capacity as administrative agent under the Senior Facility, and (iii) Merrill Lynch Capital Corporation and its Affiliates, in its capacity as administrative agent under the Bridge Loan Facility, the reasonable expenses incurred by them thereunder (including the reasonable, actual and documented fees and disbursements of counsel), and such expenses (but only such expenses (including the reasonable, actual and documented fees and disbursements of counsel), and not any other claims or rights under the Senior Facility or the Bridge Loan Facility agreement) shall not be discharged under the Revised Plan or an Alternative Plan. Notwithstanding the foregoing, the Debtors shall continue to honor their indemnification obligations under the Senior Facility and Bridge Loan Facility to the Collateral Agent, and under the Senior Facility to the Senior Agent, for any and all acts taken by such Collateral Agent or Senior Agent to effectuate the releases of Liens and related transactions contemplated

hereunder, and such indemnification obligations shall not be discharged under the Revised Plan or an Alternative Plan.

- 3.15. The Debtors and the Committee will file the 9019 Motion and use their reasonable best efforts to seek approval of the Approval Order, and the Financing Party Defendants shall support the 9019 Motion.
- 3.16. Upon entry of the Approval Order, the Committee, the 2015 Notes Trustee, the 2015 Notes Ad Hoc Group, and the Millennium Notes Trustee shall be deemed to have withdrawn without prejudice, and promptly will withdraw without prejudice, all pending objections to the Plan, its associated disclosure statement, and the Debtors' pending motion to approve the Equity Commitment Agreement [09-10023 Docket No. 3487], subject to refiling only if the Approval Order is vacated, reversed, modified, or amended prior to the Payment Date.
- 3.17. Subject to entry of the Approval Order, the Committee, the 2015 Notes Trustee, the 2015 Notes Ad Hoc Group, and the Millennium Notes Trustee shall support (and the 2015 Notes Ad Hoc Group shall direct the 2015 Notes Trustee to support) confirmation of the Revised Plan or an Alternative Plan, by (among other things): (i) not opposing or objecting to such plan or the disclosure statement therefor; (ii) not seeking the appointment of, or the expansion of the scope of investigation of, any examiner under the Bankruptcy Code, or opposing the adequate protection payments made or to be made to the holders of Senior Facility Claims or Bridge Loan Facility Claims; (iii) subject to approval by the Bankruptcy Court of such disclosure statement, (a) (1) in the case of the Committee, encouraging members or constituents to vote to accept such plan, including by providing a written statement in support of such plan for inclusion with the Debtors' plan solicitation materials, (2) in the case of the 2015 Notes Ad Hoc Group, directing the 2015 Notes Trustee, in accordance with the provisions of the 2015 Notes Indenture, to provide to the Debtors a written statement in support of such plan for inclusion with the Debtors' plan solicitation materials and including a copy of such written statement in a notice to be sent by the 2015 Notes Trustee to the 2015 Noteholders concerning such plan and the solicitation of votes thereon, (3) in the case of the 2015 Notes Trustee, accepting such direction of the 2015 Notes Ad Hoc Group and including a copy of such written statement in such notice to be sent by the 2015 Notes Trustee to the 2015 Noteholders, and (4) in the case of the Millennium Notes Trustee, providing to the Debtors a written statement in support of such plan for inclusion with the Debtors' plan solicitation materials and including a copy of such written statement in a notice to be sent by the Millennium Notes Trustee to the holders of Millennium Notes concerning such plan and the solicitation of votes thereon, and (b) to the extent entitled to vote, voting to accept such plan of reorganization and not withdrawing or revoking any properly solicited vote to accept such a plan of reorganization; and (iv) not supporting or encouraging, directly or indirectly, any other or different plan of reorganization, unless a third party makes a higher and better proposal or offer relating to an alternative plan of reorganization which the

Debtors have determined to accept in the exercise of their fiduciary duties and have provided written notice of such determination to the Parties.

- 3.18. Except to the extent inconsistent with the exercise of their fiduciary duties, the Debtors shall only propose or support a plan of reorganization that is the Revised Plan or an Alternative Plan.
- 3.19. Upon entry of the Approval Order, (a) the 2015 Notes Trustee and the 2015 Notes Ad Hoc Group will (i) suspend all challenges to the December 20, 2007 Intercreditor Agreement, (ii) agree to the extension of the Standstill with respect to any effort by it for itself or the 2015 Noteholders to enforce rights under the 2015 Notes Indenture or with respect to the 2015 Notes through the Payment Date, and (iii) take such action reasonably requested by the Debtors to memorialize such agreement concerning the Standstill in connection with the Debtors Injunction Litigation. Upon the occurrence of the Payment Date, the 2015 Notes Trustee will waive, with prejudice, all challenges to the December 20, 2007 Intercreditor Agreement, will dismiss, with prejudice, the 2015 Notes Complaint, and will consent to the permanent injunction (to the extent necessary) of any claims it may have at Obligor Non-Debtors; and (b) each of the Committee, 2015 Notes Trustee, the 2015 Notes Ad Hoc Group, and the Millennium Notes Trustee agrees that it shall not take, directly or indirectly, any action to oppose, interfere with, or challenge the Enforcement Sale contemplated by the Revised Plan (including pursuant to Section 5.4 thereof) or an Alternative Plan, or the intended consequences thereof (including the release of liens, claims and guarantees), and shall provide any reasonable cooperation requested by the Debtors or their Affiliates in effectuating the terms of the Revised Plan, an Alternative Plan, and the Enforcement Sale.
- 3.20. The 2015 Notes Trustee and the 2015 Notes Ad Hoc Group agree that the recoveries on account of the 2015 Notes Claims set forth in the Revised Plan or an Alternative Plan shall be the sole and exclusive recovery available for the holders of 2015 Notes Claims (or any other claim or cause of action) on account of the 2015 Notes or any rights arising in connection therewith from any Debtor, Reorganized Debtor, Lender Releasee or other defendant named in the 2015 Notes Complaint or any Affiliate of any of the foregoing, and none of the 2015 Notes Trustee or the 2015 Notes Ad Hoc Group shall pursue any claim or cause of action against any such parties. For the avoidance of doubt, such recoveries shall be distributed to holders of 2015 Notes Claims only upon satisfaction (or, as applicable, waiver pursuant to Section 7.5 hereof) of the conditions set forth in the Revised Plan or an Alternative Plan and the occurrence of the Payment Date.
- 3.21. The Millennium Notes Trustee agrees that the recoveries on account of the Millennium Notes Claims set forth in the Revised Plan or an Alternative Plan shall be the sole and exclusive recovery available for the holders of Millennium Notes Claims (or any other claim or cause of action) on account of the Millennium Notes or any rights arising in connection therewith from any Debtor, Reorganized Debtor, Lender Releasee or any Affiliate of any of the foregoing,

and the Millennium Notes Trustee shall not pursue any claim or cause of action against any such parties. For the avoidance of doubt, the recoveries and treatment set forth in Sections 3.11 and 3.30 hereof shall be distributed to holders of Millennium Notes Claims only upon satisfaction of the Millennium Notes Plan Conditions and the occurrence of the Payment Date.

- 3.22. Contemporaneous with execution of this Settlement Agreement, the Debtors and the Financing Party Defendants will enter into the Modified Plan Support Agreement.
- 3.23. Upon written request from the applicable Trustee (or its professionals), the Reorganized Debtors will take reasonable steps to provide such Trustee with access to information regarding the Assigned Preference Claims, including documents in the possession of, or witnesses under the control of, the Reorganized Debtors, to the extent that the Trustee could obtain the same by subpoena, notice of deposition or other permissible discovery request (a “discovery request”), without the need for the Trustee to serve upon the Reorganized Debtors such discovery request. Upon the request of the Trustee, the Reorganized Debtors also will require witnesses under their control to appear at any trial of the causes of action asserted in the Assigned Preference Claims, without the need for the Trustee to serve a trial subpoena upon such witness, but only to the extent that the Trustee could obtain testimony from that witness by subpoena or deposition or under a treaty governing the taking of testimony abroad. The Debtors also will negotiate in good faith a cooperation agreement with the Committee with respect to Assigned Preference Claims, which will be included in the Plan Supplement. In addition, to the extent the Debtors identify General Unsecured Claims that are materially inconsistent with the Debtors’ books and records or otherwise objectionable, the Debtors shall object to any such claim in consultation in good faith with the Committee and the Creditor Representative, as applicable. On and after entry of the Approval Order, the Debtors shall have the authority to compromise, settle, otherwise resolve or withdraw any objection to a General Unsecured Claim that is disputed, subject to the Amended Order Establishing Procedures for (I) Omnibus Objections to Proofs of Claim and (II) Comprising Disputed Proofs of Claim [09-10023 Docket No. 2495] entered in the Bankruptcy Case, but otherwise without approval of the Bankruptcy Court, provided that the Reorganized Debtors shall consult with the Creditor Representative, on terms to be agreed upon with the Committee, concerning the Reorganized Debtors’ proposed compromise, settlement, resolution or withdrawal of any objection to a General Unsecured Claim that is disputed, and the Parties agree that if the Creditor Representative has an objection to the proposed compromise, settlement, resolution or withdrawal, it shall give notice of such objection to the Reorganized Debtors and a hearing shall be scheduled before the Bankruptcy Court to resolve the objection.
- 3.24. Each of the Committee, the 2015 Notes Trustee, the members of the 2015 Notes Ad Hoc Group, and the Millennium Notes Trustee agrees that neither it nor its professionals will make any disparaging or negative statements or comments to

the press regarding the Financing Party Defendants with respect to the Debtors, their estates or the Committee Litigation, including the claims that are being settled against the Financing Party Defendants pursuant to this Settlement Agreement. Notwithstanding the foregoing, if contacted by the press regarding this Settlement Agreement, the Committee, the 2015 Notes Trustee, the 2015 Notes Ad Hoc Group, and the Millennium Notes Trustee may refer the press to this Settlement Agreement for its terms and conditions, other pleadings filed with the Court in connection with this Settlement Agreement, and the transcript of the hearing on the 9019 Motion.

- 3.25. Except as expressly set forth herein or in the Revised Plan or an Alternative Plan (upon its effective date), nothing herein shall affect the claims of any Party, including the Claims of the Financing Party Defendants or Secured Lenders, against any unencumbered assets of Obligor Debtors, Non-Obligor Debtors, Obligor Non-Debtors, Millennium US Opco, MSC or MPI available for distribution under the Revised Plan.
- 3.26. Except as expressly set forth herein or in the Revised Plan or an Alternative Plan (upon its effective date), nothing herein shall affect any Person's Liens, guarantees or Claims against Non-Obligor Debtors.
- 3.27. On the Payment Date, (i) the Secured Lenders shall be deemed to have transferred and assigned to the Debtors all of their rights, remedies, claims and interests with respect to turnover of money and other property that may be received by the 2015 Noteholders and subordination of the 2015 Notes Claim, as set forth in the December 20, 2007 Intercreditor Agreement (including Sections 13, 14 and 20 thereof), and (ii) subject to the satisfaction or, pursuant to Section 7.5 hereof, waiver of the 2015 Notes Plan Conditions, the Debtors and the Secured Lenders shall be deemed to have waived, extinguished and agreed not to exercise or enforce against the 2015 Notes Trustee or the 2015 Noteholders, as to any and all cash, stock, property or other distributions that may be paid to the 2015 Notes Trustee on behalf of the 2015 Noteholders, or to the 2015 Noteholders directly, pursuant to the Revised Plan or any Alternative Plan, as applicable, or in connection with any case under chapter 7 of the Bankruptcy Code to which the Bankruptcy Case may be converted, any and all such rights, remedies, claims and interests concerning turnover of money and other property and subordination of the 2015 Notes Claim. For the avoidance of doubt, the purpose of this provision is to ensure that, notwithstanding the provisions of the December 20, 2007 Intercreditor Agreement, the 2015 Noteholders, subject to the satisfaction of the 2015 Notes Plan Conditions (or in the case of clause (a)(1) thereof, waiver pursuant to Section 7.5 hereof) and the occurrence of the Payment Date, receive and retain any and all distributions that may be paid on their behalf to the 2015 Notes Trustee or to them directly pursuant to the Revised Plan, any Alternative Plan or any chapter 7 case, as applicable.
- 3.28. If after the Approval Order is entered, the Bankruptcy Case is converted to a case or cases under chapter 7 of the Bankruptcy Code, the chapter 7 trustee shall take

all steps necessary to preserve the intent of the Parties under this Settlement Agreement, including by the prosecution of all claims that were, in the absence of a conversion, (i) to be discontinued and abandoned pursuant to Section 3.4 hereof, or (ii) to be assigned to the Litigation Trust; and shall distribute the proceeds of such claims Pro Rata to the holders of Allowed General Unsecured Claims, and the holders of any Senior/Bridge Deficiency Claims shall only receive a distribution from such proceeds after the Excess Recovery Trigger Date.

- 3.29. Provided that none of the 2015 Notes Plan Conditions have been breached, and for so long as they remain satisfied (or, as applicable, waived pursuant to Section 7.5 hereof), (i) the Debtors agree to object to, oppose and contest, and (ii) the other Parties hereto agree not to support, the Pending STN Motions.
- 3.30. Subject to satisfaction of the Millennium Notes Plan Conditions, the holders of the Millennium Notes Claims shall receive, on the Payment Date, distributions under the Revised Plan or an Alternative Plan in an amount equal to \$85.420 million, which shall be provided 50% in cash and 50% in Class A Shares.⁷ To effect this \$85.420 million distribution:⁸
- (a) The holders of the Millennium Notes Claims shall receive their Pro Rata share of the Fixed Settlement Plan Consideration pursuant to Section 3.2 hereof;
 - (b) In compromise and settlement of the objection made by the Millennium Notes Trustee to the Lender Litigation Settlement at the February 16, 2010 hearing before the Bankruptcy Court, the Debtors, the 2015 Notes Trustee and the 2015 Notes Ad Hoc Group agree, and the Revised Plan or Alternative Plan shall provide, that (1) in the event the Bankruptcy Court confirms a plan of reorganization, which plan is consummated, under which the holders of the 2015 Notes Claims receive the distributions contemplated hereunder as their sole distributions from the Debtors and their Affiliates, collectively, on account of the 2015 Notes Claims, \$15 million in cash of the Fixed Settlement Plan Consideration otherwise allocated to the holders of 2015 Note Claims in accordance with Section 3.2 hereof shall be distributed to the holders of the Millennium Notes Claims as part of the interim distributions to be made in accordance with Section 3.9 hereof (for the avoidance of doubt, it is understood that except for the \$15 million reallocation set forth in this sub-paragraph, holders of

⁷ For the avoidance of doubt, the distribution of Class A Shares as described in this Section 3.30 does not (x) include any right to purchase a corresponding Rights Offering Pro Rata Share of Class B Shares or (y) reduce any right to purchase Class B Shares that is otherwise distributable to holders of Senior Facility Claims on account of their Claims.

⁸ It is understood for purposes of this Section 3.30 that the valuations of the Class A Shares agreed to herein are those represented in the Debtors' disclosure statement filed contemporaneously with the execution of this Settlement Agreement.

2015 Note Claims will receive their distributions on a Pro Rata basis in accordance with Sections 3.2 and 3.9 hereof), and (2) in the event the 2015 Notes Plan Conditions are not satisfied (or in the case of clause (a)(1) thereof, waived pursuant to Section 7.5 hereof), the Debtors may elect to distribute on the Payment Date, in accordance with the terms of the Revised Plan or an Alternative Plan, to the holders of Millennium Notes Claims, in lieu of the treatment set forth in sub-clause (1) above, the sum of \$15 million in cash; and

- (c) In further compromise and settlement of any and all disputes they may have regarding the Millennium Notes Indenture, and in compromise and settlement of the intercompany claims between Millennium America Inc. and MPI and between Millennium America Inc. and MSC, the Debtors, the Committee, the Ad Hoc Group, and the Millennium Notes Trustee agree that, under the Revised Plan or an Alternative Plan, (1) the holders of Allowed General Unsecured Claims against MPI shall receive Class A Shares valued at \$57.6 million, (2) the holders of Allowed General Unsecured Claims against MSC shall receive Class A Shares valued at \$4.4 million, (3) the holders of Senior/Bridge Guarantee Claims against MPI or MSC shall receive in the aggregate Class A Shares valued at \$195 million, and (4) the holders of Millennium Notes Claims shall receive Class A Shares valued at \$28 million; provided, however, that the amount to be received by the holders of Millennium Notes Claims pursuant to the preceding clause (the “MPI/MSC Allocation”) shall be adjusted such that the amount distributed pursuant to Section 3.30(a), plus \$15 million (pursuant to Section 3.30(b)), plus the MPI/MSC Allocation equals \$85.420 million and compensating adjustments shall be made on a proportional basis to the amounts to be received by holders of Allowed General Unsecured Claims against MPI and by holders of Allowed General Unsecured Claims against MSC; provided further that (i) in the event the Allowed General Unsecured Claims against MPI are less than \$89 million, the value of Class A Shares to be distributed to holders of such Claims shall be reduced by \$20.00 for every \$100.00 that such Claims are less than \$89 million, and such reduction shall increase the number of Class A Shares to be received by the holders of Senior/Bridge Guarantee Claims against MPI, and (ii) in the event the Allowed General Unsecured Claims against MSC are less than \$19 million, the value of Class A Shares to be distributed to holders of such Claims shall be reduced by \$20.00 for every \$100.00 that such Claims are less than \$19 million, and such reduction shall increase the number of Class A Shares to be received by the holders of Senior/Bridge Guarantee Claims against MSC; provided further that if the Millennium Notes Plan Conditions are not satisfied pursuant to the terms of this Settlement Agreement, holders of Allowed General Unsecured Claims against MPI shall receive Class A Shares valued at \$60.4 million, holders of Allowed General Unsecured Claims against MSC shall receive Class A Shares valued at \$14.6 million, and holders of Senior/Bridge Guarantee Claims against MPI or MSC shall

receive, in the aggregate, Class A Shares valued at \$210 million, and the reductions contemplated in the preceding proviso in the event that Allowed General Unsecured Claims are below stated amounts shall not apply.

In addition, the holders of Millennium Notes Claims shall also receive a Pro Rata share of the Creditor Trust, the Litigation Trust and the Millennium Custodial Trust. To the extent the Millennium Notes Plan Conditions are not satisfied, holders of Allowed Millennium Notes Claims shall be entitled to the same treatment as holders of Allowed General Unsecured Claims under this Settlement Agreement and the Revised Plan or an Alternative Plan, and for avoidance of doubt, may receive the treatment described in subsection (a) above, but not the treatment described in subsections (b) or (c) above.

4. Equity Commitment Agreement and Distribution Mechanism Not a Conditions Precedent to Settlement.

- 4.1. All Parties shall be bound by this Settlement Agreement without regard to whether (i) the Equity Commitment Agreement proposed by the Debtors is approved by the Bankruptcy Court or (ii) the Revised Plan is confirmed.
- 4.2. The obligations of the Parties shall not be contingent on the right of any Financing Party Defendant or any Affiliate of a Financing Party Defendant to participate as a sponsor or purchaser of equity in the Reorganized Debtors in the Rights Offering or any other equity rights offering the Debtors may propose.
- 4.3. The obligations of the Parties hereunder shall not be contingent on the distribution mechanism described in Section 3.9 hereof being included in any plan of reorganization ultimately confirmed in the Bankruptcy Case.

5. Releases.

- 5.1. On the Payment Date, for the good and valuable consideration provided herein, each Debtor, its respective estate and any subsequent chapter 7 trustee, the Committee, the 2015 Notes Trustee, the 2015 Notes Ad Hoc Group (including its members in their capacity as holders of any Claim or interest other than on account of 2027 Notes), and the Millennium Notes Trustee (but only if the Millennium Notes Plan Conditions are satisfied), each on behalf of itself and, as applicable, its direct and indirect, past and present subsidiaries, members, partners, representatives, agents, financial advisors, industry experts/advisors, attorneys, and joint venturers, and each of their respective predecessors, successors and assigns, fully and forever releases and shall be deemed to have fully and forever released the Lender Releasees, the Committee, the 2015 Notes Trustee, the 2015 Notes Ad Hoc Group (including its members in their capacity as such), and the Specified Millennium Noteholders and the Millennium Notes

Trustee (but only if the Millennium Notes Plan Conditions are satisfied),⁹ and each of their respective direct and indirect parent companies, subsidiaries and Affiliates, each of their respective predecessors, successors, and assigns, and all of each of their respective past and present employees, general partners, officers, directors, managers and Covered Professionals, from any and all claims (including in respect of any derivative claim by any third party), obligations, suits, judgments, damages, demands, debts, rights, causes of action, liabilities, matters, liens, mortgages, security interests, pledges, encumbrances, privileges, priorities or issues, from the beginning of the world until the Payment Date, that arise from, or are based on, connected with, alleged in or related to the Committee Litigation, the 2015 Notes Litigation or the Debtors' Injunction Litigation (including claims that were asserted or could have been asserted in the Committee Complaint, the Proposed Amended Committee Complaint, the 2015 Notes Complaint, the Debtors' Injunction Complaint, or any amended such complaint) or that arise from, in whole or in part, or relate to the transactions, occurrences or facts alleged in the Committee Complaint, the Proposed Amended Committee Complaint, the 2015 Notes Complaint, or the Debtors' Injunction Complaint, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, foreseeable or unforeseeable, in law, equity or otherwise, and fully and forever releases and shall be deemed to have fully and forever released the Lender Releasees from any and all Preference Claims other than, in the case of the Committee, in respect of any Acquired Third Party Preference Claims (collectively, the "Debtor Released Claims"), which in each case are fully and forever discharged, waived, released and settled. Notwithstanding the foregoing but subject to the provisions of the Revised Plan, nothing herein shall prevent the Debtors from conducting a good faith review of any proofs of claim filed by any of the Secured Lender Releasees. Notwithstanding anything to the contrary contained herein: (a) no release is being granted in this Section 5.1 to any Non-Settling Defendant with respect to any claim of any kind, except as otherwise provided in Section 3.12(ii) hereof; (b) the 2015 Notes Trustee and the 2015 Notes Ad Hoc Group shall not benefit from the release in this Section 5.1 unless the 2015 Notes Plan Conditions are satisfied (or in the case of clause (a)(1) thereof, waived pursuant to Section 7.5 hereof); (c) the Millennium Notes Trustee and any Specified Millennium Noteholder shall not benefit from the release in this Section 5.1 unless the Millennium Notes Plan Conditions are satisfied; (d) no release is being granted in this Section 5.1 with respect to any Abandoned Claims or State Law Avoidance Claims to any natural person unless such natural person is or was (i) an employee, general partner, officer, director or manager of any Lender Releasee at any time between December 23, 2009 and the Payment Date

⁹ For purposes of this sentence, subject to satisfaction of the Millennium Notes Plan Conditions, the Specified Millennium Noteholders (and any Subsequent Transferees, to the extent the applicable Millennium Notes Plan Support Agreements are in full force and effect) shall be released as provided herein and shall be third party beneficiaries with respect to this Section 5.1. Unless expressly provided herein, the Specified Millennium Noteholders (and any Subsequent Transferees) shall not be third party beneficiaries with respect to any other provision of this Settlement Agreement.

or (ii) a Specified Secured Lender; for the avoidance of doubt, nothing in this clause (d) shall release any Non-Settling Defendant with respect to any claims of any kind; (e) no release is being granted in this Section 5.1 to any Secured Lender Releasee with respect to any Abandoned Claims or State Law Avoidance Claims unless such Person is a Specified Secured Lender Releasee; and (f) no release is being granted in this Section 5.1 to any Account Holder unless such Account Holder is a Lender Releasee (and, with respect to any Abandoned Claims or State Law Avoidance Claims, such Account Holder is also a Specified Secured Lender Releasee). For the avoidance of doubt, clause (f) of the preceding sentence is to ensure that no Person is released from any Preference Claims or State Law Avoidance Claims solely because such Person is an Account Holder.

- 5.2. On the Payment Date, for the good and valuable consideration provided herein, each of the Financing Party Defendants, the Committee, the 2015 Notes Trustee, the 2015 Notes Ad Hoc Group (including its members in their capacity as holders of any Claim or interest other than on account of 2027 Notes), and the Millennium Notes Trustee (but only if the Millennium Notes Plan Conditions are satisfied) (in each case, only in its capacity as such), and each of their respective representatives and agents (in each case, only in their capacity as such), fully and forever releases and shall be deemed to have fully and forever released, the Debtors, the Committee, the 2015 Notes Trustee, the 2015 Notes Ad Hoc Group (including its members in their capacity as such), and the Specified Millennium Noteholders and the Millennium Notes Trustee (but only if the Millennium Notes Plan Conditions are satisfied)¹⁰ (in each case, only in their capacity as such), in each case including, as applicable, its direct and indirect, past and present subsidiaries, members, partners, representatives, agents, financial advisors, industry experts/advisors, attorneys, and joint venturers, and each of their respective predecessors, successors and assigns (in each case, only in their capacity as such), except with respect to fees and expenses owed or any other contractual or other obligation that the Debtors have agreed to in connection with this Settlement Agreement or the Revised Plan, from any and all claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action, liabilities, matters, liens, mortgages, security interests, pledges, encumbrances, privileges, priorities or issues, from the beginning of the world until the Payment Date, that arise from, or are based on, connected with, alleged in or related to the Committee Litigation, the 2015 Notes Litigation or the Debtors' Injunction Litigation (including claims that were asserted or could have been asserted in the Committee Complaint, the Proposed Amended Committee Complaint, the 2015 Notes Complaint, the Debtors' Injunction Complaint, or any amended such

¹⁰ For purposes of this sentence, subject to satisfaction of the Millennium Notes Plan Conditions, the Specified Millennium Noteholders (and any Subsequent Transferees, to the extent the applicable Millennium Notes Plan Support Agreements are in full force and effect) shall be released as provided herein and shall be third party beneficiaries with respect to this Section 5.2. Unless expressly provided herein, the Specified Millennium Noteholders (and any Subsequent Transferees) shall not be third party beneficiaries with respect to any other provision of this Settlement Agreement.

complaint) or that arise from, in whole or in part, or relate to the transactions, occurrences or facts alleged in the Committee Complaint, the Proposed Amended Committee Complaint, the 2015 Notes Complaint, or the Debtors' Injunction Complaint, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, foreseeable or unforeseeable, in law, equity or otherwise; provided that such releases shall not release the Debtors from their obligations under this Settlement Agreement, deprive any Financing Party Defendant or Secured Lender of its rights under the Revised Plan or the DIP Financing Order or waive any Claims of any Financing Party Defendant or Secured Lender against the Obligor Debtors, Millennium US Opco, MSC, MPI or their Affiliates on account of the Senior Facility or the Bridge Loan Facility (except as set forth herein); and provided further that such releases shall not deprive any Secured Lender or any Financing Party Defendant of its right to assert any defense or counterclaim to any existing or future claim by a Non-Settling Defendant asserted against any such Secured Lender or any such Financing Party Defendant. Notwithstanding anything to the contrary contained herein, (a) the 2015 Notes Trustee and the 2015 Notes Ad Hoc Group shall not benefit from the release in this Section 5.2 unless the 2015 Notes Plan Conditions are satisfied (or in the case of clause (a)(1) thereof, waived pursuant to Section 7.5 hereof), and (b) the Millennium Notes Trustee and any holder of Millennium Notes shall not benefit from the release in this Section 5.2 unless the Millennium Notes Plan Conditions are satisfied. For the avoidance of doubt, the release of the Debtors in this Section 5.2 does not impair or limit the ability of the Creditor Trust to pursue or collect on State Law Avoidance Claims or the Litigation Trust to pursue or collect on Assigned Preference Claims and Non-Settling Defendant Claims except as otherwise specifically set forth in this Settlement Agreement.

- 5.3. The Parties shall request that the Approval Order will provide, among other things (it being understood and agreed that the inclusion of such language is a condition to the effectiveness of this Settlement Agreement):

“ORDERED that each of the Non-Settling Defendants is hereby permanently barred, enjoined and restrained from commencing, prosecuting, or asserting in this Court, in any federal or state court, or in any other court, arbitration proceeding, administrative agency, or other forum in the United States or elsewhere any claim for non-contractual indemnity or contribution against any Lender Releasee (including any other non-contractual claim against the Lender Releasees, whether or not denominated as for contribution or indemnity, where the injury to the Non-Settling Defendant is the Non-Settling Defendant's liability to the plaintiffs), arising out of or reasonably flowing from the claims or allegations in the Committee Litigation, whether arising under state, federal or foreign law as claims, cross-claims, counterclaims, or third-party claims (collectively, the “Barred Claims”), and with respect to the Barred Claims, the Non-Settling Defendant is entitled to the judgment reduction provisions set forth herein. This Order (the “Bar Order”) is

without prejudice to the position of any party as to the existence, in the absence of this Bar Order, of any Barred Claim.

“(a) If (i) any person acting on behalf of the Debtors’ estates, including any successor to the Debtors including any chapter 7 trustee, any committee appointed in the Bankruptcy Case, any trustee of the Litigation Trust or any estate representative appointed or selected pursuant to section 1123(b)(3) of the Bankruptcy Code or (ii) any trustee of the Creditor Trust (any of the above, a “Plaintiff”), obtains a judgment or award (a “Judgment”) against a Non-Settling Defendant or other party with respect to one or more causes of action based upon, arising from, or related to the Debtor Released Claims or any transaction underlying any Debtor Released Claim then, with respect to any actual, potential or asserted liability of a Lender Releasee to a Non-Settling Defendant or other party for the Barred Claims in respect of such Judgment, the Plaintiff shall, prior to or in connection with the entry of such Judgment, provide notice of this Bar Order to the court or tribunal in which such Judgment was obtained, and the court or tribunal shall reduce such Judgment against such Non-Settling Defendant or other party in an amount that is the greater of (i) the amount of the consideration provided pursuant to the Revised Settlement by the Lender Releasee(s) against whom there would have been a Barred Claim in the absence of this Bar Order, provided that for purposes of this clause (i), the Parties and Non-Settling Defendants reserve all rights with respect to the determination of the amount of the consideration provided pursuant to the Revised Settlement that should be deemed allocable to such Lender Releasee(s) and to such Barred Claim for purposes of judgment reduction; or (ii) the amount equal to the Judgment against such Non-Settling Defendant or other party times the aggregate proportionate share of fault (expressed as a percentage) of the Lender Releasee(s) against whom there would have been a Barred Claim in the absence of this Bar Order. In the event that Judgment shall be entered against a Non-Settling Defendant or other party without a prior or concurrent determination as to the existence of a Barred Claim (and, in the event of a determination of the existence of a Barred Claim, without a reduction of such Judgment), such Judgment shall not, and shall be deemed not to, give rise to any Barred Claim.

“(b) In the event such Plaintiff asserts any claim or cause of action against any Non-Settling Defendant or other party in any court or tribunal other than this Court, or in the event that any proceeding before this Court with respect to one or more causes of action based upon, arising from, or related to the Debtor Released Claims or any transaction underlying any Debtor Released Claim, is (1)

removed or transferred from this Court to any other court or tribunal, (2) adjudicated to judgment in this Court and enforcement proceedings are brought in any other court or tribunal; or (3) adjudicated to judgment in this Court but a Barred Claim is brought in a proceeding in any other court or tribunal; such Plaintiff shall, to the extent it is a party to such proceeding or has notice thereof, provide notice of such proceeding to the applicable Lender Releasee and shall take any additional steps, as are reasonably directed by such Lender Releasee, for the enforcement of this Bar Order by such other court or tribunal. Notwithstanding the foregoing, in the event such other court or tribunal declines to enforce this Bar Order or declines to rule on or determine any Barred Claim, and Judgment is entered by such a court or tribunal against a Non-Settling Defendant or other party without a prior or concurrent determination of and reduction for Barred Claims with respect to such Judgment, then: (i) such Judgment shall not prejudice the rights of any Non-Settling Defendant or other party to seek or obtain a judgment credit or reduction in accordance with applicable law or this Order; (ii) such Judgment shall not, and shall be deemed not to, give rise to any Barred Claim; and (iii) in the event that the Litigation Trust collects proceeds on account of such Judgment, such proceeds shall be retained by the Litigation Trust and not distributed until the earlier of (x) expiration of the applicable statute of limitations period with respect to any potential Barred Claim in respect of such Judgment; or (y) final determination, after all available appeals are taken and exhausted, of all Barred Claims in respect of such Judgment. In the event that a Lender Releasee is adjudged liable for any Barred Claim by a final, non-appealable order, then, to the extent proceeds have been collected by the Litigation Trust in respect of the Judgment underlying such Barred Claim, such proceeds shall be distributed from the Litigation Trust to the applicable Non-Settling Defendant or other party in satisfaction of such judgment; provided that such proceeds shall instead be distributed by the Litigation Trust to the applicable Lender Releasee(s) to the extent any amounts previously have been paid by the Lender Releasee(s) in satisfaction of such judgment. Notwithstanding the foregoing, if the reason that such court or tribunal has declined to adjudicate a Barred Claim is the absence of the Lender Releasee from the jurisdiction and the refusal of such Lender Releasee to submit to its jurisdiction, then such Lender Releasee shall forfeit its rights to a reduction in any Judgment rendered otherwise provided for hereby, except that such Lender Releasee shall not forfeit such rights if it declines to appear in any subsequent action for contribution that such Non-Settling Defendant or other party may commence in a court or tribunal that lacks jurisdiction over such Lender Releasee

or otherwise lacks authority to enter a valid and enforceable Judgment against such Lender Releasee.

“(c) The Lender Releasees acknowledge that any Plaintiff that obtains a Judgment subject to reduction based on a Barred Claim is a party in interest with respect to any action or proceeding for the adjudication of such Barred Claim and shall have the right to intervene in such action or proceeding and that the consent of such Plaintiff shall be required for the settlement or compromise of any Barred Claim; in addition, the Plaintiff shall be deemed to consent to the right of intervention of any Lender Releasee in any action or proceeding for the adjudication of such Barred Claim; and it is further

“ORDERED that if any Plaintiff enters into a settlement with a Non-Settling Defendant or other party with respect to one or more causes of action based upon, arising from, or related to the Debtor Released Claims or any transaction underlying any Debtor Released Claim, then such Plaintiff shall cause to be included, and in all events, the settlement shall be deemed to include, a dismissal, release and waiver of any Barred Claims with respect to such settlement; and it is further

“ORDERED that each of the Lender Releasees is hereby permanently barred, enjoined and restrained from commencing, prosecuting, or asserting in this Court, in any federal or state court, or in any other court, arbitration proceeding, administrative agency, or other forum in the United States or elsewhere any claim for non-contractual indemnity or contribution against any Non-Settling Defendant (including any other non-contractual claim against the Non-Settling Defendants, whether or not denominated as for contribution or indemnity, where the injury to the Lender Releasee is the Lender Releasee’s liability to the plaintiffs), arising out of or reasonably flowing from the claims or allegations in the Committee Litigation, whether arising under state, federal or foreign law as claims, cross-claims, counterclaims, or third-party claims. This Order is without prejudice to the position of any party as to the existence, in the absence of this Bar Order, of any such claim; and it is further

“ORDERED that nothing herein shall prejudice or operate to preclude the rights of any Non-Settling Defendant to (i) obtain judgment credit or reduction to the fullest extent available under applicable law on any applicable grounds whatsoever; provided that the Plaintiff reserves the right to dispute any such claimed right to judgment credit or reduction; or (ii) assert claims, other than Barred Claims, against any party. For the avoidance of doubt, the provisions of this Order, including the judgment reduction provisions set forth herein, shall not apply to (i) any contractual indemnity or (ii) any claim asserted in the Committee Complaint or the Proposed Amended Committee Complaint or in any other Complaint filed

by any Plaintiff in this Court or in any other court or tribunal for which joint liability does not exist as a matter of law, equity or fact as between any Non-Settling Defendant and any Lender Releasee, including, by way of example, the claims asserted in Count XIV and Count XVII and the equitable subordination of claims sought in Count XV of the Committee Complaint; and it is further

“ORDERED that this Court shall retain continuing jurisdiction with respect to all matters concerning this Order.”

6. Representations.

- 6.1. Each Party represents to the other Parties that: (i) it is authorized to execute and deliver this Settlement Agreement and perform its obligations hereunder (and in the case of LBIAF, on behalf of itself and the Debtors, subject to Bankruptcy Court approval) and (ii) all claims waived or released pursuant to this Settlement Agreement by that Party have not been assigned or otherwise transferred (other than as provided in the order granting the STN Motion).

7. Miscellaneous.

- 7.1. This Settlement Agreement shall be construed in accordance with, and governed by, the laws of the State of New York, excluding and without regard to the conflict of laws rules thereof.
- 7.2. The Bankruptcy Court shall retain jurisdiction to resolve any dispute arising out of or relating to this Settlement Agreement.
- 7.3. Upon the Approval Order becoming a Final Order, this Settlement Agreement and the plan support agreements referenced herein and executed in connection herewith constitute the entire agreement among the Parties on the subjects addressed herein. Upon the Approval Order becoming a Final Order, the Settlement Agreement supersedes in its entirety the Original Settlement Agreement, and supersedes any term sheet (including but not limited to the Term Sheet), the oral agreement reached among the Parties relating to settlement of the Committee Litigation on December 4, 2009 and any subsequent written or oral descriptions of the settlement, including, the Original Settlement Agreement. No supplement, modification, amendment, waiver or termination of this Settlement Agreement shall be binding unless executed in writing by each of the Parties (or their successors and assigns) to be bound thereby, or by their authorized counsel; provided, however, that any modification, amendment, waiver or termination may be made to any provision of this Settlement Agreement without the consent of (a) the 2015 Notes Trustee or the 2015 Notes Ad Hoc Group to the extent such modification, amendment, waiver or termination does not have a direct effect on the 2015 Notes Trustee, the 2015 Noteholders or the 2015 Notes Ad Hoc Group, or (b) the Millennium Notes Trustee to the extent such modification, amendment, waiver or termination does not have a direct effect on the Millennium Notes

Trustee or the Millennium Noteholders. This Settlement Agreement is executed without reliance on any representations by any person or entity concerning the nature, cause or extent of injuries, or legal liability therefor, or any other representations of any type or nature except as set forth herein. No contrary or supplementary oral agreement shall be admissible in a court to contradict, alter, supplement, or otherwise change the meaning of this Settlement Agreement. This Settlement Agreement has been negotiated by the Parties adequately represented by counsel, none of whom shall be deemed the “drafter” of the agreement, and no provision of this Settlement Agreement shall be applied or interpreted by reference to any rule construing provisions against the drafter.

- 7.4. Nothing in this Settlement Agreement shall be construed as an admission of liability or fault by any Party, which liability and fault are expressly denied.
- 7.5. The 2015 Notes Trustee and the members of the 2015 Notes Ad Hoc Group shall not be bound under this Settlement Agreement in the event that clause (a)(1) of the 2015 Notes Plan Conditions has not been satisfied or compliance therewith has not been waived by the Debtors, the Majority Arrangers (as defined in the Revised Plan), and the Ad Hoc Group (collectively, the “Waiving Parties”), and as a result thereof, the 2015 Notes Claims do not receive a distribution under the Revised Plan or an Alternative Plan. In order to waive compliance with clause (a)(1) of the 2015 Notes Plan Conditions, the Waiving Parties shall give notice of such waiver to the 2015 Notes Trustee within two (2) business days after the final results of voting on the Revised Plan or an Alternative Plan have been given by the Debtors’ voting agent to the Debtors and the Financing Party Defendants. For the avoidance of doubt, if the 2015 Notes Claims do not receive a distribution under the Revised Plan or an Alternative Plan as a result of the failure of any of the 2015 Notes Plan Conditions other than clause (a)(1) to be satisfied or waived hereunder, each of the 2015 Notes Trustee and the members of the 2015 Notes Ad Hoc Group shall remain bound under this Settlement Agreement.
- 7.6. The 2015 Notes Plan Support Agreement and the Millennium Notes Plan Support Agreement each shall be enforceable, respectively, against the parties thereto and each of their respective direct and indirect, initial and subsequent successors and assigns in accordance with the terms and conditions contained therein, as applicable, and any assignment or transfer of (a) 2015 Notes by any signatory to a 2015 Notes Plan Support Agreement or any Subsequent Transferee, or (b) Millennium Notes by any Specified Millennium Noteholder or any Subsequent Transferee, shall be null and void ab initio and the transferor shall remain subject to and liable under its respective plan support agreement unless (i) such signatory to a 2015 Notes Plan Support Agreement, Specified Millennium Noteholder, or Subsequent Transferee, as the case may be, has provided a copy of the Approval Order and the applicable plan support agreement to such prospective assignee or transferee; (ii) such assignee or transferee has executed a joinder in the form approved in the Approval Order, which shall provide, inter alia, that (x) such assignee or transferee agrees to abide by and not contest any of the provisions of the Approval Order, including, without limitation, the exclusive jurisdiction of the

Bankruptcy Court to enforce the Millennium Notes Plan Support Agreement or the 2015 Notes Plan Support Agreement, as the case may be, and any amendments and joinders thereto and the remedy of specific performance set forth in the Millennium Notes Plan Support Agreement or the 2015 Notes Plan Support Agreement, as the case may be, and (y) to the extent permitted by applicable law, such assignee or transferee shall pay the Debtors and any third party beneficiary with respect to the Millennium Notes Plan Support Agreement or the 2015 Notes Plan Support Agreement, as the case may be, any fees and expenses (including, without limitation, reasonable attorneys' fees) expended by such parties to specifically enforce the terms of the Millennium Notes Plan Support Agreement or the 2015 Notes Plan Support Agreement, as the case may be; and (iii) such selling signatory to a 2015 Notes Plan Support Agreement, Specified Millennium Noteholder, or Subsequent Transferee has provided electronic notice of such assignment or transfer, and an executed copy of such joinder, to the Debtors (Attn: Peter M. Friedman (*peter.friedman@cwt.com*) and George A. Davis (*george.davis@cwt.com*)) within the earlier of (x) 5 business days after such assignment or transfer or (y) 2 business days after execution of the joinder.

- 7.7. Notwithstanding anything to the contrary contained in this Settlement Agreement, in the event a Subsequent Transferee takes any action (or fails to take any action) such that the 2015 Notes Plan Conditions or the Millennium Notes Plan Conditions, as applicable, would fail to be met or satisfied as a result thereof, such action (or inaction) shall not cause the failure of the satisfaction of the 2015 Notes Plan Conditions or the Millennium Notes Plan Conditions, as applicable, for the purposes of this Settlement Agreement.
- 7.8. Upon entry of the Approval Order, the 2015 Notes Claims shall be deemed (a) Allowed in the amount of \$1,351,695,059.96 (excluding fees and expenses of the 2015 Notes Trustee) for purposes of the Revised Plan or an Alternative Plan and this Settlement Agreement, (b) not subject to avoidance, subordination, recharacterization, recovery, attack, offset, counterclaim, defense or "claim" (as defined in the Bankruptcy Code) under applicable provisions of the Bankruptcy Code (including sections 510, 544, 547 and 548) or state law, and (c) not subject to disallowance under any provision of the Bankruptcy Code, including section 502(d) thereof, and the Approval Order shall so provide; provided, however, that the foregoing provision shall have no application or effect (and shall retroactively be null and void) in the event that any one or more of the conditions set forth in the definition of "2015 Notes Plan Conditions" is not satisfied (or in the case of clause (a)(1) thereof, waived pursuant to Section 7.5 hereof) or the Payment Date does not occur.
- 7.9. Upon entry of the Approval Order, the Millennium Notes Claims shall be deemed (a) Allowed in the amount of \$244,058,317.71 (excluding fees and expenses of the Millennium Notes Trustee) for purposes of the Revised Plan or an Alternative Plan and this Settlement Agreement, (b) not subject to avoidance, subordination, recharacterization, recovery, attack, offset, counterclaim, defense or "claim" (as defined in the Bankruptcy Code) under applicable provisions of the Bankruptcy

Code (including sections 510, 544, 547 and 548) or state law, and (c) not subject to disallowance under any provision of the Bankruptcy Code, including section 502(d) thereof, and the Approval Order shall so provide; provided, however, that the foregoing provision shall have no application or effect (and shall retroactively be null and void) in the event that any one or more of the conditions set forth in the definition of “Millennium Notes Plan Conditions” is not satisfied or the Payment Date does not occur.

- 7.10. The provisions of this Settlement Agreement shall be breached and a cause of action accrued thereon immediately on any Party’s commencement of any action contrary to this Settlement Agreement, and in any such action this Settlement Agreement may be asserted both as a defense and as a counterclaim or crossclaim.
- 7.11. With respect to any provision of this Settlement Agreement under which the Collateral Agent is obligated to take any action, the Financing Party Defendants (with respect to the Senior Facility) and the Arranger Bridge Lenders (with respect to the Bridge Loan Facility) hereby irrevocably authorize and instruct the respective administrative agents under such facilities, upon the occurrence of circumstances that give rise to such obligation, to instruct the Collateral Agent to take such action; provided that nothing contained in this Section 7.11 shall be deemed to impair (a) any indemnification obligations of the lenders under the Senior Facility or Bridge Loan Facility or (b) any other indemnification rights of the Collateral Agent and the administrative agents under the Senior Facility and the Bridge Facility with respect to any actions taken to effectuate the release of Liens and related transactions contemplated hereunder, in each case pursuant to the terms of the Senior Facility and Bridge Loan Facility, as applicable. Any obligation of the Collateral Agent hereunder to take any such action is subject to the terms and conditions of the Senior Facility and the Bridge Loan Facility, as applicable, including the receipt by the Collateral Agent of a valid instruction to take such action from the administrative agent under the applicable facility.
- 7.12. In the event of any conflict between this Settlement Agreement and the terms of the Revised Plan or an Alternative Plan, the terms of this Settlement Agreement shall govern.
- 7.13. Facsimile or other electronic copies of signatures on this Agreement are acceptable, and a facsimile or other electronic copy of a signature on this Agreement is deemed an original.
- 7.14. This Agreement may be executed in counterparts, each of which is deemed an original, but when taken together constitute one and the same document.
- 7.15. This Settlement Agreement shall be binding on the Parties, their successors, assigns, transferees, any subsequent chapter 7 trustee appointed in the Bankruptcy Case upon or after conversion to a case or cases under chapter 7 of the Bankruptcy Code, and any other Persons who have asserted or seek to assert claims on behalf of or against the Debtors’ estates. For the avoidance of doubt,

from and after the date of this Settlement Agreement, any assignee or transferee of any Claim held by any member of the 2015 Notes Ad Hoc Group (or its Affiliates) shall be bound to this Settlement Agreement as though it were a signatory hereto, and each member of the 2015 Notes Ad Hoc Group agrees that neither it nor any of its Affiliates shall sell, assign or transfer any such Claim without first obtaining the agreement of the applicable assignee or transferee to be bound hereunder. The Debtors shall obtain, prior to the Payment Date, any consents or approvals from the Obligor Non-Debtors listed on Schedule A that may be necessary or desirable to ensure that this Settlement Agreement, including the obligations and releases contained herein, is effective against, and binding upon, such Obligor Non-Debtors.

- 7.16. The Parties acknowledge and agree that a breach of the provisions of this Settlement Agreement by any Party would cause irreparable damage to the other Parties and that such other Parties would not have an adequate remedy at law for such damage. Therefore, the obligations of the Parties set forth in this Settlement Agreement, including but not limited to Section 3.17 hereof, shall be enforceable by a decree of specific performance issued by any court of competent jurisdiction, and appropriate injunctive relief may be applied for and granted in connection therewith. Such remedies shall, however, be cumulative and not exclusive and shall be in addition to any other remedies that the Parties may have under this Settlement Agreement or otherwise. Notwithstanding the foregoing, nothing herein shall impair the Debtors' ability to act in accordance with their fiduciary duties to maximize the value of their estates.
- 7.17. No failure or delay by any party in exercising any right or remedy provided by law under or pursuant to this Settlement Agreement shall impair such right or remedy or be construed as a waiver or variation of it or preclude its exercise at any subsequent time, and no single or partial exercise of any such right or remedy shall preclude any other or further exercise of it or the exercise of any other right or remedy.
- 7.18. If (i) the Bankruptcy Court declines to approve this Settlement Agreement, or (ii) the Approval Order is vacated, reversed, modified, or amended prior to the Payment Date, then this Settlement Agreement shall be null and void and the Parties shall revert to their respective positions on the date immediately prior to entry into this Settlement Agreement, and in such event the Parties shall not refer to nor rely on the Settlement Agreement, nor to any of the negotiations that resulted in the Settlement Agreement, nor to any objections filed with respect to the Settlement Agreement, in any further proceedings in connection with the matters that are being settled in connection with the Settlement Agreement.
- 7.19. The provisions of this Settlement Agreement are integrated, essential and non-severable terms of this Settlement Agreement.

The Excluded DIP Obligations shall survive the Effective Date and shall not be discharged or released pursuant to the Plan or Confirmation Order, notwithstanding any provision hereof (including, without limitation, Sections 11.4, 11.5 and 11.8(b)) or thereof to the contrary.

Section 2.2 Priority Tax Claims. Except to the extent that a holder of an Allowed Priority Tax Claim agrees to less favorable treatment, each holder of an Allowed Priority Tax Claim shall receive, in full and complete satisfaction, settlement and release of and in exchange for such

Allowed Claim, at the sole option of the Debtor primarily obligated for the payment of such Allowed Priority Tax Claim, from such Debtor (i) on the Effective Date, an amount in Cash equal to the Allowed amount of such Claim, or (ii) on the Effective Date and each year on the Effective Date Anniversary, or on any earlier date at the sole option of the applicable Debtor, equal annual Cash payments, in an aggregate amount equal to such Allowed Priority Tax Claim, together with a rate of interest determined under applicable nonbankruptcy law pursuant to section 511 of the Bankruptcy Code or such other amount as determined by the Bankruptcy Court in the Confirmation Order, over a period not exceeding five (5) years after the later of (a) the Commencement Date and (b) the date of assessment of such Allowed Priority Tax Claim; *provided, however*, that no holder of an Allowed Priority Tax Claim shall be entitled to any payments on account of any pre-Effective Date interest or penalty accrued on or after the Commencement Date with respect to or in connection with such Allowed Priority Tax Claim. All Allowed Priority Tax Claims that are not due and payable on or before the Effective Date shall be paid in the ordinary course of business by the applicable Debtor as such obligations become due.

ARTICLE IV

TREATMENT OF CLAIMS AND EQUITY INTERESTS

Each holder of an Allowed Claim in an impaired Class that is entitled to vote on the Plan pursuant to this Article IV of the Plan, and each holder of a Claim that has been temporarily Allowed under Bankruptcy Rule 3018(a) for voting purposes only, shall be entitled to vote separately to accept or reject the Plan.

Section 4.1 Class 1 – Priority Non-Tax Claims

(a) Impairment and Voting. Class 1 is unimpaired by the Plan. Each holder of an Allowed Priority Non-Tax Claim against any Debtor is conclusively presumed to have accepted the Plan and is not entitled to vote to accept or reject the Plan.

(b) Distributions. Except to the extent that the holder agrees to less favorable treatment or has been paid by or on behalf of the Debtor prior to the Effective Date, each holder of an Allowed Priority Non-Tax Claim against any Debtor shall receive, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim, Cash equal to the Allowed amount of such Claim, on the later of (i) the Effective Date and (ii) the last Business Day of the month in which such Claim becomes Allowed, provided such Priority Non-Tax Claim becomes Allowed at least ten (10) days prior to the last Business Day of the month, otherwise the last Business Day of the following month.

Section 4.2 Class 2 – Secured Tax Claims

(a) Impairment and Voting. Class 2 is unimpaired by the Plan. Each holder of an Allowed Secured Tax Claim against any Debtor is conclusively presumed to have accepted the Plan and is not entitled to vote to accept or reject the Plan.

(b) Distributions. Except to the extent that the holder agrees to less favorable treatment, each holder of an Allowed Secured Tax Claim against any Debtor shall, at the sole option of the Debtor obligated for the payment of such Allowed Secured Tax Claim, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim, either (i) receive from such Debtor on the Effective Date, Cash equal to the Allowed amount of such claim, or (ii) retain its lien securing such Allowed Secured Tax Claim and on the Effective Date and each year on the Effective Date Anniversary, or on any earlier date at the sole option of the applicable Debtor, receive from such Debtor equal annual Cash payments in an aggregate amount equal to such Allowed Secured Tax Claim, together with a rate of interest determined under applicable nonbankruptcy law pursuant to section 511 of the

Bankruptcy Code or such other amount as determined by the Bankruptcy Court in the Confirmation Order, over a period not exceeding five (5) years after the date of assessment of such claim.

Section 4.3 Class 3 – DIP Roll-Up Claims

(a) Impairment and Voting. Class 3 is impaired by the Plan. Each holder of an Allowed DIP Roll-Up Claim is entitled to vote to accept or reject the Plan.

(b) Distributions. Except to the extent that the holder agrees to less favorable treatment, on the Effective Date, each holder of an Allowed DIP Roll-Up Claim shall receive, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim against the Debtors and the Obligor Non-Debtors, New Third Lien Notes in the same principal amount as such Allowed Claim; *provided, however*, that if Class 3 votes to reject the Plan, (a) each holder of an Allowed DIP Roll-Up Claim that votes to reject the Plan shall receive on the Effective Date, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim against the Debtors and the Obligor Non-Debtors, Cram Down Notes in the same principal amount as such Allowed Claim, and (b) each holder of an Allowed DIP Roll-Up Claim that does not vote to reject the Plan shall receive on the Effective Date, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim against the Debtors and the Obligor Non-Debtors, New Third Lien Notes in the same principal amount as such Allowed Claim. Following the Voting Deadline, holders of Allowed DIP Roll-Up Claims shall not be able to change their vote on the Plan without the written consent of the Debtors. Additionally, as required by the Lender Litigation Settlement, on the Effective Date the holders of DIP Roll-Up Claims shall assign to the Debtors all of their rights, remedies, claims and interests under the Intercreditor Agreement with respect to the holders of 2015 Notes and the 2015 Notes Claims. In addition, on the Effective Date, the 3% exit fee under the DIP Term Loan Agreement shall be paid to the DIP Roll Up Lenders.

To the extent that the requisite majority of holders (in both number and amount of claims) of Allowed DIP Roll Up Claims cause Class 3 to accept the Plan, all holders of Allowed DIP Roll-Up Claims shall receive New Third Lien Notes in the same principal amount as such Allowed Claims, no holder of an Allowed DIP Roll Up Claim shall receive any Cram Down Notes, and the Debtors shall not issue the Cram Down Notes.

If a majority in the aggregate amount of Claims in Class 3 and Class 4 together vote in favor of the Plan, the guarantees held by, and liens on account of the DIP Roll-Up Claims and Senior Secured Claims against, the Obligor Non-Debtors shall be released pursuant to the terms of the Senior Secured Credit Agreement.

Section 4.4 Class 4 – Senior Secured Claims

(a) Impairment and Voting. Class 4 is impaired by the Plan. Each holder of an Allowed Senior Secured Claim against any Non-Schedule III Obligor Debtor is entitled to vote to accept or reject the Plan.

(b) Distributions.⁴ Except to the extent that the holder agrees to less favorable treatment, on the Effective Date (and in addition to any recovery they may receive in Classes 7-C or 7-D), each holder of an Allowed Senior Secured Claim shall receive, except as set forth in Section 11.4 hereof, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim against the Non-Schedule III Obligor Debtors (i) its Pro Rata Share of 100% of Class A Shares based on the net value (prior to Exit Financing) allocable to LBFC and its direct and indirect subsidiaries, less the number of the Class A Shares provided to holders of Allowed Claims on account of distributions in Classes 5 and 7-C, subject to dilution on account of the Equity Compensation Plan and the New Warrants; *provided, however*, that to negate the impact of dilution to the recoveries of the Allowed ARCO/Equistar Claims from \$300 million of the Class B Shares issued as part of the Rights Offering (which amount shall be used to fund the Cash distribution portion of the Settlement Consideration), holders of ARCO/Equistar Claims shall receive an additional amount of Class A Shares and rights to purchase Class B Shares in the Rights Offering (with a corresponding decrease in the Class A Shares and rights to purchase Class B Shares in the Rights Offering distributed to the holders of Senior Secured Facility Claims),⁵ the combined value of which shall equal the product of (x) \$300 million and (y) the ratio of the total Allowed ARCO/Equistar Claims to total Allowed Class 4 Claims;⁶ *provided, further however*, that, notwithstanding anything set forth above, each holder of an Allowed Senior Secured Claim shall also receive a distribution as set forth in Section 5.4(a) of this Plan; (ii) the right to purchase its Rights Offering Pro Rata Share of Class B Shares, and (iii) the right to participate in Excess Recoveries from the Creditor Trust and the Litigation Trust. After giving effect to the previous sentence, the number of Class A Shares issued to holders of Allowed Senior Secured Facility Claims shall be reduced by the number of Class A Shares at Plan value equal to \$75 million (to be issued as part of the Settlement Consideration), on a *pro rata* basis solely among the holders of Allowed Senior Secured Facility Claims, without any further reduction of any distribution being made to holders of Arco Notes Claims or Equistar Notes Claims; further, all holders of Allowed Senior Secured Claims shall agree that all Deficiency

⁴ For purposes of effectuating the Arco/Equistar Settlement, the aggregate principal amount of Senior Secured Facility Claims as of the Commencement Date shall be reduced by an amount equal to the adequate protection payments made pursuant to Section 18 of the DIP Financing Order and received by the Senior Secured Lenders through and including the Effective Date (to the extent any such payments have accrued but have not been paid and received on or before the Effective Date, then such accrual shall not be applied to reduce Claims under the Senior Secured Credit Agreement unless payment thereof is provided for in connection with consummation so that such Claims shall receive either Cash in respect of such accrual or a higher allocation reflecting such accrual, but such Claims shall not in any event receive both Cash and a higher allocation) on account thereof, *provided however* that nothing in the Plan shall be construed to preclude the allowance of a claim for postpetition interest, as well as fees, costs and charges on account of Senior Secured Facility Claims, the Equistar Notes Claims and the ARCO Notes Claims to the extent permitted under section 506(b) of the Bankruptcy Code or the assertion by any party of a claim for fees, costs and charges under the Senior Secured Credit Agreement, the Equistar Notes Indenture and the ARCO Notes Indenture, which, in each case, for the avoidance of doubt and unless otherwise agreed by the Debtors or as provided in the Plan, solely with respect to payment of fees or costs of a Secured Lender, shall not be paid in Cash or as an Administrative Expense, subject to any party's right to seek a substantial contribution payment as an Administrative Expense pursuant to section 503(b) of the Bankruptcy Code or any recovery that is on account of Excess Recoveries, but shall solely increase the Allowed Senior Secured Claim of such party that, in all events, shall be treated in accordance with this Section 4.4.

⁵ The amount of Class A Shares and Rights Claims that shall be issued to holders of ARCO/Equistar Claims (and therefore reducing the number of shares and rights allocated to holders of Senior Secured Facility Claims) shall be calculated by valuing the Class A Shares at the Plan Value price per share and the Rights Claims at the difference between (i) the Plan Value price per share and (ii) the Rights Offering price per share. For purposes of this calculation, the "Plan Value" of any such distribution shall have the meaning set forth in the ARCO/Equistar Settlement and shall mean the value for such distribution calculated using information contained in the Second Amended Disclosure Statement Accompanying Second Amended Joint Chapter 11 Plan of Reorganization for the LyondellBasell Debtors, as filed on December 23, 2009.

⁶ To the extent that any dilution results from any further settlement of any fraudulent transfer litigation against holders of Senior Secured Facility Claims, holders of ARCO/Equistar Claims shall receive additional Class A Shares and rights to purchase Class B Shares in the Rights Offering, or, in the alternative, shall not have their recoveries otherwise reduced in the same manner as holders of Allowed Senior Secured Facility Claims, based on similar principles.

Claims they may have against Non-Schedule III Obligor Debtors may only be satisfied out of Excess Recoveries (if at all); *provided, however*, that, other than as set forth in Section 4.10, holders of Senior Secured Claims shall not agree to any alternative treatment for their Deficiency Claims against Schedule III Obligor Debtors. Additionally, as required by the Lender Litigation Settlement, on the Effective Date, the Senior Secured Lenders shall assign to the Debtors all of their rights, remedies, claims and interests under the Intercreditor Agreement with respect to the holders of 2015 Notes and the 2015 Notes Claims.

If a majority in the aggregate amount of Claims in Class 3 and Class 4 together vote in favor of the Plan, the guarantees held by, and liens on account of the DIP Roll-Up Claims and Senior Secured Claims against, the Obligor Non-Debtors shall be released pursuant to the terms of the Senior Secured Credit Agreement. The vote of the Senior Secured Lenders on the Plan shall be deemed to be a direction to the administrative agent under the Senior Secured Credit Agreement to direct the security agent under the Intercreditor Agreement to effectuate the transactions contemplated in Section 5.4 hereof and to instruct the collateral agent under the Senior Secured Credit Agreement to effectuate the transactions contemplated under the Lender Litigation Settlement.

On the Effective Date, all outstanding Senior Secured Facility Letters of Credit shall be replaced by letters of credit issued under the Exit Facility on terms reasonably satisfactory to the Senior Secured LC Issuer.

The ARCO/Equistar Settlement Pro Rata Allocation shall be used to determine the aggregate distributions allocable to each of the four following subcategories of Senior Secured Claims: (i) claims arising under the Senior Secured Credit Agreement, (ii) claims arising under the Secured Hedge Agreements, (iii) the Arco Notes Claims and (iv) the Equistar Notes Claims. In the event that the aggregate Allowed amount of Senior Secured Claims in any subcategory is different from the amount assumed to be outstanding in that subcategory for purposes of the ARCO/Equistar Settlement Pro Rata Allocation, the aggregate distribution to that subcategory shall not change, but each holder of an Allowed Senior Secured Claim within that subcategory shall be entitled to receive its pro rata share of the distribution to that subcategory, based on the actual aggregate Allowed claims in that subcategory.

Section 4.5 Class 5 – Bridge Loan Claims

(a) Impairment and Voting. Class 5 is impaired by the Plan. Each holder of a Bridge Loan Claim against an Obligor Debtor is entitled to vote to accept or reject the Plan.

(b) Distributions. Except to the extent that the holder agrees to less favorable treatment, on the Effective Date, (and in addition to any recovery they may receive in Classes 7-C or 7-D that, for the avoidance of doubt, is required to be turned over to the holders of Claims in Class 4 in accordance with Sections 4.9 and 4.10) each holder of an Allowed Bridge Loan Claim shall receive, except as set forth in Section 11.4 hereof, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim against the Debtors (i) its Pro Rata Share of the number of Class A Shares equivalent to 5.0% of the combined Class A and Class B Shares, less the number of Class A Shares at Plan value equal to \$75 million (to be issued as part of the Settlement Consideration), and subject to dilution on account of the Equity Compensation Plan and the New Warrants, (ii) its Pro Rata Share of the New Warrants and (iii) the right to participate in the Excess Recoveries from the Litigation Trust and Creditor Trust. In addition, all holders of Allowed Bridge Loan Claims shall agree that all Deficiency Claims they may have against Non-Schedule III Obligor Debtors may only be satisfied out of the Excess Recoveries (if at all); *provided, however*, that, other than as set forth in Section 4.10, holders of the Bridge Loan Claims shall not agree to any alternative treatment for their Deficiency Claims against Schedule III Obligor Debtors. Additionally, as required by the Lender Litigation Settlement, on the Effective Date the Bridge Lenders shall assign to the Debtors all of their rights, remedies, claims and

interests under the Intercreditor Agreement with respect to the holders of the 2015 Notes and the 2015 Notes Claims.

The vote of the Bridge Lenders on the Plan shall be deemed to be a direction to the administrative agent under the Bridge Loan Agreement to direct the security agent under the Intercreditor Agreement to effectuate the transactions contemplated in Section 5.4 hereof and to instruct the collateral agent under the Bridge Loan Agreement to effectuate the transactions contemplated under the Lender Litigation Settlement.

On the Effective Date, the rights, liens and claims (including any guarantee claims) of holders of Bridge Claims against Obligor Non-Debtors shall be extinguished.

Section 4.6 Class 6 – Other Secured Claims

(a) Impairment and Voting. Class 6 is unimpaired by the Plan. Each holder of an Allowed Other Secured Claim is conclusively presumed to have accepted the Plan and is not entitled to vote to accept or reject the Plan.

(b) Distributions. Except to the extent that the holder agrees to less favorable treatment, on the Effective Date, each Allowed Other Secured Claim shall be, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim, at the sole discretion of the Debtor obligated for the payment of such Allowed Claim, either (i) reinstated or rendered unimpaired in accordance with section 1124 of the Bankruptcy Code (only if not due and payable on or before the Effective Date), notwithstanding any contractual provision or applicable nonbankruptcy law that entitles the holder of an Other Secured Claim to demand or receive payment of such Claim prior to its stated maturity from and after the occurrence of a default; (ii) paid in the ordinary course of business in accordance with the course of practice between the Debtors and such holder with respect to such Claim; or (iii) paid by transfer of the Collateral securing such Claim to the holder of such Claim. For the avoidance of doubt, claims secured by properly perfected mechanic's and materialman's liens shall be paid in full, in cash, if and to the extent they become Allowed Claims.

Section 4.7 Class 7-A – General Unsecured Claims against Non-Schedule III Obligor Debtors

(a) Impairment and Voting. Class 7-A is impaired by the Plan. Each holder of a General Unsecured Claim against the Non-Schedule III Obligor Debtors is entitled to vote to accept or reject the Plan.

(b) Distributions. Except to the extent that the holder agrees to less favorable treatment, each holder of an Allowed General Unsecured Claim against a Non-Schedule III Obligor Debtor shall receive, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim, its Settlement Pro Rata Share of the Settlement Consideration; *provided, however*, that, holders of Claims in Classes 7-A, 7-C, 7-D and 8 eligible to receive Settlement Consideration shall have the opportunity to elect, on their Ballot, whether they wish to receive a greater portion of their Settlement Pro Rata Share of the Settlement Consideration in Class A Shares or, alternatively, a greater proportion of their Settlement Pro Rata Share of the Settlement Consideration in Cash (if and to the extent that a creditor receives more of the consideration it so elected will depend on the elections of all creditors taken as a whole); *provided, further* that the failure to make such election (or to submit a validly executed Ballot) shall reflect an agreement that such non-electing creditor shall receive its Settlement Pro Rata Share of the Settlement Consideration. Notwithstanding anything to the contrary, the Deficiency Claims

of the Senior Secured Lenders and the Bridge Lenders against Non-Schedule III Obligor Debtors may only be satisfied out of the Excess Recoveries (if at all).

Section 4.8 Class 7-B – General Unsecured Claims against Non-Obligor Debtors

(a) Impairment and Voting. Class 7-B is 54 separate Classes, each a Class of General Unsecured Claims against a specific Non-Obligor Debtor. As set forth on Exhibit A-7 to the Plan, depending on the applicable Non-Obligor Debtor, holders of Claims in each of these Classes will recover between 100% of their Claims and 0% of their Claims, as the case may be. Holders of Allowed General Unsecured Claims that will recover more than 0% and less than 100% of their Claims are impaired and will be entitled to vote to accept or reject the Plan. Holders of Allowed General Unsecured Claims that will recover 100% of their Claims will be deemed to accept the Plan. Holders of Allowed General Unsecured Claims that will recover 0% of their Claims will be deemed to reject the Plan.

(b) Distributions. Except to the extent that the holder agrees to less favorable treatment, on the Effective Date, each holder of an Allowed General Unsecured Claim against a Non-Obligor Debtor shall receive, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim, its Pro Rata Share of Cash totaling the net value of its applicable Debtor after allocation of Allowed Administrative Expenses, Other Secured Claims, Priority Tax Claims and Priority Non-Tax Claims against the applicable Non-Obligor Debtor; *provided*, that each holder of an Allowed General Unsecured Claim against an MCI Subsidiary that is a Non-Obligor Debtor shall receive its distribution as a contractual right under the Plan from the applicable MCI Subsidiary entitling the holder to a potential payment up to the amount of such holder's Allowed Claims against the MCI Subsidiary on the Effective Date. See Exhibit A-7 herein for the estimated recovery percentages for each Non-Obligor Debtor, estimated General Unsecured Claims against each Non-Obligor Debtor, and the estimated value attributable to each Non-Obligor Debtor.

Section 4.9 Class 7-C – General Unsecured Claims and Senior/Bridge Guarantee Claims against MSC, MPI and MPCO

(a) Impairment and Voting. Class 7-C is impaired by the Plan. Each holder of a General Unsecured Claim and Senior/Bridge Guarantee Claim against MSC, MPI and MPCO is entitled to vote to accept or reject the Plan.

(b) Distributions. Except to the extent that the holder agrees to less favorable treatment, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim, and as a compromise and settlement of the items set forth in Section 3.5 of the Lender Litigation Settlement, (i) each holder of an Allowed Senior/Bridge Guarantee Claim against MSC, MPI and MPCO shall receive, in the aggregate, Class A Shares valued at \$195 million and (ii), in compromise and settlement of the intercompany claims between Millennium America Inc. and MPI and between Millennium America Inc. and MSC, (1) the holders of Allowed General Unsecured Claims against MPI shall receive Class A Shares valued at \$57.6 million, (2) the holders of Allowed General Unsecured Claims against MSC shall receive Class A Shares valued at \$4.4 million;⁷ *provided however*, the maximum value distributable to holders of Allowed General Unsecured Claims against Millennium US Opco shall be \$0, against MPI shall be \$213,935,341, and against MSC shall be \$71,578,926 (or such

⁷ As set forth in Section 4.10 below, the holders of Millennium Notes Claims shall receive Class A Shares valued at \$28 million or as adjusted in Section 4.10 that would otherwise be distributed to holders of General Unsecured Claims against MSC and MPI.

other value as may be ascribed to these entities by the Bankruptcy Court at the Confirmation Hearing); *provided further however* that (i) in the event the Allowed General Unsecured Claims against MPI are less than \$89 million, the value of Class A Shares to be distributed to holders of such Claims shall be reduced by \$20.00 for every \$100.00 that such Claims are less than \$89 million, and such reduction shall increase the number of Class A Shares to be received by the holders of Senior/Bridge Guarantee Claims against MPI, and (ii) in the event the Allowed General Unsecured Claims against MSC are less than \$19 million, the value of Class A Shares to be distributed to holders of such Claims shall be reduced by \$20.00 for every \$100.00 that such Claims are less than \$19 million, and such reduction shall increase the number of Class A Shares to be received by the holders of Senior/Bridge Guarantee Claims against MSC; *provided further* that if the Millennium Notes Plan Conditions are not satisfied pursuant to the terms of the Lender Litigation Settlement, holders of Allowed General Unsecured Claims against MPI shall receive Class A Shares valued at \$60.4 million, holders of Allowed General Unsecured Claims against MSC shall receive Class A Shares valued at \$14.6 million, and holders of Senior/Bridge Guarantee Claims against MPI or MSC shall receive, in the aggregate, Class A Shares valued at \$210 million, and the reductions contemplated in the preceding proviso in the event that Allowed General Unsecured Claims are below stated amounts shall not apply; *provided, further* that for every \$1 of distribution (which may be in the form of Class A Shares) distributed on account of Senior/Bridge Guarantee Claims in this Class 7-C, the holders of Senior Secured Claims shall receive 100% of such distribution and the Bridge Lenders shall receive 0% of such distribution and (ii) its Settlement Pro Rata Share of the Settlement Consideration; *provided, however*, that there shall be no distribution of any portion of the Settlement Consideration (other than Excess Recoveries) on account of Senior/Bridge Guarantee Claims; and *provided further* that, holders of Claims in Classes 7-A, 7-C, 7-D and 8 eligible to receive Settlement Consideration shall have the opportunity to elect, on their Ballot, whether they wish to receive a greater portion of their Settlement Pro Rata Share of the Settlement Consideration in Class A Shares or, alternatively, a greater proportion of their Settlement Pro Rata Share of the Settlement Consideration in Cash (if and to the extent that a creditor receives more of the consideration in whatever form it so elected will depend on the elections of all creditors taken as a whole); *provided, further* that the failure to make such election (or to submit a validly executed Ballot) shall reflect an agreement that such non-electing creditor shall receive its Settlement Pro Rata Share of the Settlement Consideration. For the avoidance of doubt, nothing in this Section 4.9 (other than as otherwise set forth above) shall in any way reduce, modify or otherwise adversely impact the value of the recovery to the holders of Bridge Loan Claims. Notwithstanding anything to the contrary contained herein, holders of Allowed General Unsecured Claims (but not the holders of the Senior/Bridge Guarantee Claim) against MPCO, MPI and MSC, in addition to receiving the value set forth above, shall participate in the Settlement Consideration but only until such time as they are paid in full their Allowed Base Claim Amount plus their Post-Effective Date Interest Amount; thereafter, Settlement Consideration shall be allocated only among remaining holders of Allowed General Unsecured Claims. For the avoidance of doubt, to the extent the Bankruptcy Court ascribes a different value to MSC, MPI or MPCO than that listed in this Section, the distributions set forth in this Section shall be adjusted proportionately.

See Exhibit A-8 herein for the estimated recovery percentages for each of MPI, MSC and MPCO, estimated General Unsecured Claims and Senior/Bridge Guarantee Claims against each entity, and the estimated value attributable to each entity.

The ARCO/Equistar Settlement Pro Rata Allocation shall be used to determine the aggregate distributions allocable to each of the four following subcategories of Senior Secured Claims: (i) claims arising under the Senior Secured Credit Agreement, (ii) claims arising under the Secured Hedge Agreements, (iii) the Arco Notes Claims and (iv) the Equistar Notes Claims. In the event that the aggregate Allowed amount of Senior Secured Claims in any subcategory is different from the amount assumed to be outstanding in that subcategory for purposes of the ARCO/Equistar Settlement Pro Rata Allocation, the aggregate distribution to that subcategory shall not change, but each holder of an Allowed

Senior Secured Claim within that subcategory shall be entitled to receive its pro rata share of the distribution to that subcategory, based on the actual aggregate Allowed claims in that subcategory.

Section 4.10 Class 7-D – General Unsecured Claims and Senior/Bridge Deficiency Claims against Schedule III Obligor Debtors

(a) Impairment and Voting. Class 7-D is impaired by the Plan. Each holder of a General Unsecured Claim and Senior/Bridge Deficiency Claim against a Schedule III Debtor is entitled to vote to accept or reject the Plan.

(b) Distributions. Except to the extent that the holder agrees to less favorable treatment, each holder of an Allowed General Unsecured Claim and Senior/Bridge Deficiency Claim against MCI shall receive, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim against MCI, (i) beneficial trust interests in the Millennium Custodial Trust, which shall entitle such holder to its Pro Rata Share of recoveries with respect to the assets of the Millennium Custodial Trust, including any recovery by MCI as a result of its direct or indirect ownership interest in its direct and indirect subsidiaries and (ii) its Settlement Pro Rata Share of the Settlement Consideration; *provided, however* that there shall be no distribution of any Settlement Consideration on account of the Senior/Bridge Deficiency Claims and the Senior/Bridge Deficiency Claims shall not be entitled to any recovery from the Settlement Consideration.

Except to the extent that the holder agrees to less favorable treatment, each holder of an Allowed General Unsecured Claim and Senior/Bridge Deficiency Claim against any other Schedule III Obligor Debtor shall receive, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim, (i) a contractual right under the Plan from the applicable MCI Subsidiary entitling the holder to a potential payment up to the amount of such holder's Allowed Claims against the MCI Subsidiary on the Effective Date and (ii), solely with respect to Allowed General Unsecured Claims (but not Senior/Bridge Deficiency Claims) its Settlement Pro Rata Share of the Settlement Consideration; *provided, however*, that the portion of the Settlement Consideration consisting of Class A Shares shall be distributed in its entirety to holders of Allowed General Unsecured Claims and 2015 Notes Claims entitled to receive Settlement Consideration on the Effective Date or as soon as reasonably practicable thereafter; and *provided further* that, subject to the foregoing proviso, holders of Claims in Classes 7-A, 7-C, 7-D and 8 eligible to receive Settlement Consideration shall have the opportunity to elect, on their Ballot, whether they wish to receive a greater portion of their Settlement Pro Rata Share of the Settlement Consideration in Class A Shares or, alternatively, a greater proportion of their Settlement Pro Rata Share of the Settlement Consideration in Cash (if and to the extent that a creditor receives more of the consideration it so elected will depend on the elections of all creditors taken as a whole); *provided, further* that the failure to make such election (or to submit a validly executed Ballot) shall reflect an agreement that such non-electing creditor shall receive its Settlement Pro Rata Share of the Settlement Consideration; *provided, further however*, that for every \$1 of distribution distributed on account of the Senior/Bridge Deficiency Claims in this Class 7-D, the holders of Senior Secured Claims shall receive 100% of such distribution and the Bridge Lenders shall receive 0% of such distribution. For the avoidance of doubt, nothing in this Section 4.10 (other than as set forth above) shall in any way reduce, modify or otherwise adversely impact the value of the recovery to the holders of Bridge Loan Claims. For the avoidance of doubt, there shall be no distribution of any Settlement Consideration on account of the Senior/Bridge Deficiency Claims and the Senior/Bridge Deficiency Claims shall not be entitled to any recovery from the Settlement Consideration except with respect to Excess Recoveries.

In settlement of all issues related to the Millennium Notes, subject to satisfaction of the Millennium Notes Plan Conditions, the holders of the Millennium Notes Claims shall receive, on the

Effective Date, distributions in an amount equal to \$85.42 million, which shall be provided approximately 50% in Cash and 50% in Class A Shares. To effect this \$85.4 million distribution:

- (a) The holders of the Millennium Notes Claims shall receive their Settlement Pro Rata Share of the Settlement Consideration;
- (b) \$15.0 million in Cash of the Settlement Consideration otherwise allocated to the holders of 2015 Note Claims shall be distributed to the holders of the Millennium Notes Claims as and to the extent provided in Section 3.30 of the Lender Litigation Settlement Agreement; and
- (c) In addition to the consideration provided above, in further compromise and settlement of any and all disputes they may have regarding the Millennium Notes Indenture and in compromise and settlement of the intercompany claims between Millennium America Inc. and MPI and between Millennium America Inc. and MSC, the holders of Millennium Notes Claims shall receive Class A Shares valued at \$28 million that would otherwise be distributed to holders of General Unsecured Claims against MSC and MPI; *provided, however*, that the amount to be received by the holders of Millennium Notes Claims pursuant to the preceding clause (the “MPI/MSC Allocation”) shall be adjusted such that the amount distributed pursuant to (a) above, plus \$15 million (pursuant to (b) above), plus the MPI/MSC Allocation equals \$85.420 million and compensating adjustments shall be made on a proportional basis to the amounts to be received by Litigation Trust Beneficiaries against MPI and by holders of Allowed General Unsecured Claims against MSC.

See Exhibit A-9 herein for the estimated recovery percentages for each Schedule III Obligor Debtor, estimated General Unsecured Claims against each Schedule III Obligor Debtor, and the estimated value attributable to each Schedule III Debtor.⁸

The ARCO/Equistar Settlement Pro Rata Allocation shall be used to determine the aggregate distributions allocable to each of the four following subcategories of Senior Secured Claims: (i) claims arising under the Senior Secured Credit Agreement, (ii) claims arising under the Secured Hedge Agreements, (iii) the Arco Notes Claims and (iv) the Equistar Notes Claims. In the event that the aggregate Allowed amount of Senior Secured Claims in any subcategory is different from the amount assumed to be outstanding in that subcategory for purposes of the ARCO/Equistar Settlement Pro Rata Allocation, the aggregate distribution to that subcategory shall not change, but each holder of an Allowed Senior Secured Claim within that subcategory shall be entitled to receive its pro rata share of the distribution to that subcategory, based on the actual aggregate Allowed claims in that subcategory.

Section 4.11 Class 8 – 2015 Notes Claims

(a) Impairment and Voting. Class 8 is impaired by the Plan. Each holder of a 2015 Notes Claim is entitled to vote to accept or reject the Plan.

⁸ Although certain of the Schedule III Debtors have Allowed Administrative Expenses (including professional fees), Other Secured Claims, Priority Tax Claims and Priority Non-Tax Claims allocable to such Schedule III Debtor, such Claims shall be paid or otherwise afforded the treatment set forth above by the non-Schedule III Debtors as part of the consideration for the releases that the Schedule III Debtors are granting to the non-Schedule III Debtors pursuant to the Plan.

(b) Distributions. If the 2015 Notes Plan Conditions are satisfied or waived pursuant to the terms of the Lender Litigation Settlement, the holders of Allowed 2015 Notes Claims shall receive, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim, and in settlement of the 2015 Notes Adversary Proceeding, their Settlement Pro Rata Share of the Settlement Consideration (and shall not be entitled to receive any other distribution under this Plan); *provided, however*, that \$15.0 million in Cash of the Settlement Consideration otherwise allocated to the holders of 2015 Note Claims shall be distributed to the holders of the Millennium Notes Claims in settlement of the Millennium STN Motion; and *provided further* that, subject to the foregoing proviso, holders of Claims in Classes 7-A, 7-C, 7-D and 8 eligible to receive Settlement Consideration shall have the opportunity to elect, on their Ballot, whether they wish to receive a greater portion of their Settlement Pro Rata Share of the Settlement Consideration in Class A Shares or, alternatively, a greater proportion of their Settlement Pro Rata Share of the Settlement Consideration in Cash (if and to the extent that a creditor receives more of the consideration in whatever form it so elected will depend on the elections of all creditors taken as a whole); *provided, further* that the failure to make such election (or to submit a validly executed Ballot) shall reflect an agreement that such non-electing creditor shall receive its Settlement Pro Rata Share of the Settlement Consideration. In addition, such vote shall be deemed a direction to the 2015 Notes Trustee to dismiss with prejudice the 2015 Adversary Proceeding on the Effective Date. If any of 2015 Notes Plan Conditions are not satisfied or waived, holders of Allowed 2015 Notes Claims shall not receive any distribution under the Plan by reason of enforcement by the Debtors of the subordination and turnover provisions of the Intercreditor Agreement and the recovery of the holders of 2015 Notes Claims as Settlement Consideration shall be deemed turned over to the Reorganized Debtors.⁹

Regardless of whether or not the 2015 Notes Plan Conditions are satisfied or waived, on the Effective Date, (i) the rights and claims of holders of 2015 Notes Claims against Obligor Non-Debtors shall be extinguished pursuant to Section 5.4 hereof and the Enforcement Sale in accordance with the terms of the Intercreditor Agreement and the 2015 Notes Indenture, (ii) the holders thereof shall, subject to the first paragraph of this Section 4.11(b), be entitled to no recovery against Obligor Debtors or Obligor Non-Debtors by reason of the turnover provisions of the Intercreditor Agreement, and (iii) the holders thereof shall be enjoined from taking any action against any Debtor or Non-Debtor Affiliate on account of any 2015 Notes Claim.

Section 4.12 Class 9 – Securities Claims

(a) Impairment and Voting. Class 9 is impaired by the Plan. Each holder of a Securities Claim is conclusively deemed to reject the Plan and is not entitled to vote to accept or reject the Plan.

(b) Distributions. Holders of Securities Claims shall not receive or retain any interest or property under the Plan on account of such Claims.

Section 4.13 Class 10 – Subordinated Claims

(a) Impairment and Voting. Class 10 is impaired by the Plan. Each holder of a Subordinated Claim is conclusively deemed to reject the Plan and is not entitled to vote to accept or reject the Plan.

⁹ In the event that the 2015 Notes Plan Conditions are not satisfied and, accordingly, the Debtors exercise their turnover rights, any interests in the Litigation Trust and the Creditor Trust (except with respect to Assigned Preference Claims) that the Debtors receive as a result of the exercise of such turnover rights shall be extinguished rather than held by the Debtors.

(b) Distributions. Holders of Subordinated Claims shall not receive or retain any interest or property under the Plan on account of such Claims.

Section 4.14 Class 11 – Equity Interests in LBFC

(a) Impairment and Voting. Class 11 is impaired by the Plan. Each holder of an Equity Interest in LBFC is conclusively deemed to reject the Plan and is not entitled to vote to accept or reject the Plan.

(b) Distributions. Equity Interests in LBFC shall be cancelled on the Effective Date. No distribution of any kind shall be made on account of Equity Interests in LBFC.

Section 4.15 Class 12 – Equity Interests in LBAFGP and LBIAF

(a) Impairment and Voting. Class 12 is impaired by the Plan. Each holder of an Equity Interest in LBAFGP and LBIAF is conclusively deemed to reject the Plan and is not entitled to vote to accept or reject the Plan.

(b) Distributions. As a result of the restructuring transactions, LBIAF's interests in its indirect subsidiaries shall be terminated in recognition of the fact that there is no net equity value to LBIAF in any of those interests. Accordingly, because LBAFGP and LBIAF (and LBIAF's sole direct subsidiary, Basell Funding S.à r.l.) have no value, and no distribution of any kind shall be made on account of Equity Interests in either LBAFGP or LBIAF. LBAFGP, LBIAF and Basell Funding S.à.r.l. shall be dissolved post-emergence in accordance with applicable law.

Section 4.16 Class 13 – Equity Interests in MCI and the Schedule III

Debtors

(a) Impairment and Voting. Class 13 is impaired by the Plan. Each holder of an Equity Interest in any Schedule III Debtor is conclusively deemed to reject the Plan and is not entitled to vote to accept or reject the Plan.

(b) Distributions. Equity Interests in MCI shall be transferred on the Effective Date to the Millennium Custodial Trust and cancelled after the sale of assets and distribution of proceeds by the Millennium Custodial Trust. No distribution of any kind shall be made on account of Equity Interests in a Schedule III Debtor unless and until creditors of that Schedule III Debtor have been paid in full.

Section 4.17 Class 14 – Equity Interests in the Debtors (other than MCI, LBFC, LBAFGP, LBIAF and Schedule III Debtors)

(a) Impairment and Voting. Class 14 is unimpaired by the Plan. Each holder of an Equity Interest in any Debtor other than MCI, LBFC, LBAFGP, LBIAF and the Schedule III Debtors is conclusively presumed to accept the Plan and is not entitled to vote to accept or reject the Plan.

(b) Distributions. At the election of New Topco, all Equity Interests in a Debtor held by a Debtor (i) shall be unaffected by the Plan, in which case the entity holding an Equity Interest in such Debtor-subsidary shall continue to hold such Equity Interest in the applicable reorganized Debtor-subsidary following the Effective Date, (ii) shall be cancelled and new equity in the applicable reorganized Debtor shall be issued pursuant to the Plan, or (iii) shall be transferred pursuant to the Plan. In the case of Equity Interests in Basell Germany, which are held by LBIH, such Equity Interests shall be unaffected by the Plan and LBIH shall continue to hold such Equity Interest following the Effective Date.

ARTICLE V

MEANS FOR IMPLEMENTATION OF THE PLAN

Section 5.1 Settlement. This Plan incorporates the Lender Litigation Settlement, which is effective regardless of the effectiveness of this Plan, and the ARCO/Equistar Settlement, which is effective as set forth in the ARCO/Equistar Settlement Agreement. On the Effective Date, Reorganized LyondellBasell shall implement the Lender Litigation Settlement and the ARCO/Equistar Settlement.

Section 5.2 Exit Facility. On or before the Effective Date, Reorganized LyondellBasell shall enter into the Exit Facility, and grant all liens and security interests provided for thereunder. The applicable Reorganized Debtors that are the guarantors under the Exit Facility shall issue the guarantees, Liens, and security interests as provided thereunder. The Exit Facility shall be on terms and conditions as set forth in the Plan Supplement.

Section 5.3 Rights Offering.

(a) Backstop Consideration Shares. Pursuant to the Equity Commitment Agreement, the Rights Offerings Sponsors (or affiliates of the Rights Offering Sponsors) shall directly purchase the Backstop Consideration Shares. Subscription Rights. Pursuant to the Rights Offering, each Eligible Holder as of the Subscription Rights Record Date shall be granted non-transferable Subscription Rights to purchase up to such holder's Rights Offering Pro Rata Share of 240,339,302 Class B Shares at the Subscription Purchase Price of \$10.61 per share.

The number of Class B Shares for which any Eligible Holder may subscribe in the Rights Offering may be decreased in the event of a Section 1145 Cutback. Any such Excluded Shares shall instead be purchased on the Effective Date directly from New Topco by the Rights Offering Sponsors (or affiliates of the Rights Offering Sponsors).

The closing date of the Rights Offering shall be the Effective Date of the Plan. The Equity Commitment Agreement is terminable if the Rights Offering is not consummated by June 3, 2010 and upon certain other events. If terminated, the Rights Offering Sponsors shall have no further obligations thereunder.

(c) Subscription Period. The Rights Offering shall commence on the Subscription Commencement Date and shall end at 5:00 p.m. (prevailing Eastern time) on the Rights Offering Expiration Date (or such later date as the Debtors, subject to the approval of the Rights Offering Sponsors (not to be unreasonably withheld), may specify in a notice provided to the Rights Offering Sponsors before 9:00 a.m. (prevailing Eastern time) on the Business Day before the then current Rights Offering Expiration Date) (such period of time, the "Subscription Period"). After the Rights Offering Expiration Date, any exercise of Subscription Rights by any entity (other than a purchase of Unsubscribed Shares or Excluded Shares by the Rights Offering Sponsors (or affiliates of the Rights Offering Sponsors) pursuant to the Equity Commitment Agreement) shall be null and void and the Subscription Agent shall not honor any such exercise of Subscription Rights, regardless of when the documents relating to such exercise were sent. Exercise of Subscription Rights. In order to exercise the Subscription Rights, each Eligible Holder must (a) return a duly completed Subscription Form to the Subscription Agent so that such form is received by the Subscription Agent on or prior to 5:00 p.m. (prevailing Eastern time) on the Rights Offering Expiration Date; and (b) pay in Cash, by wire transfer in immediately available funds or

otherwise, an amount equal to the full Subscription Purchase Price for the number of Class B Shares elected to be purchased by such Eligible Holder, or, in the case of securities held through a bank or brokerage firm, send the Subscription Form to the bank or brokerage firm (or follow such firm's directions with respect to submitting subscription instructions to the firm) with sufficient time for the bank or brokerage firm to effect the subscription through DTC on or prior to 5:00 p.m. (prevailing Eastern time) on the Rights Offering Expiration Date. If the Subscription Agent for any reason does not receive from a given Eligible Holder both a timely and duly completed Subscription Form and timely payment of such holder's Subscription Purchase Price, such Eligible Holder shall be deemed to have relinquished and irrevocably waived its right to participate in the Rights Offering. Each Eligible Holder shall be deemed to have relinquished and irrevocably waived its right with respect to the unexercised portion of such Subscription Rights.

The payments received by the Subscription Agent in connection with the Rights Offering shall be deposited and held by the Subscription Agent in a trust account or similarly segregated account or accounts separate and apart from the Subscription Agent's general operating funds and any other funds subject to any lien or similar encumbrance and which segregated account or accounts shall be maintained for the purpose of holding such money for administration of the Rights Offering until the Effective Date. The Subscription Agent shall not use such funds for any other purpose prior to such date and shall not encumber or permit such funds to be encumbered with any lien or encumbrance. Each Eligible Holder intending to participate in the Rights Offering must affirmatively elect to exercise all or any portion of its respective Subscription Rights on or prior to 5:00 p.m. (prevailing Eastern time) on the Rights Offering Expiration Date; *provided, however*, that to the extent that the Plan is amended in accordance with its terms, and the Debtors resolicit votes with respect to the Plan or the deadline pursuant to which claimholders may vote to accept or reject a Plan is extended, Eligible Holders may withdraw any previously exercised Subscription Rights but may not exercise Subscription Rights to the extent not previously exercised prior to 5:00 p.m. (prevailing Eastern time) on the Rights Offering Expiration Date.

In the event any Eligible Holder elects to withdraw any of its previously exercised Subscription Rights, within five Business Days of such withdrawal, the Subscription Agent shall return to the withdrawing Eligible Holder, Cash in immediately available funds in an amount equal to the product of (i) the Subscription Purchase Price and (ii) the number of Class B Shares related to the Subscription Rights withdrawn by such Eligible Holder.

In order to facilitate the exercise of the Subscription Rights, on or about the Subscription Commencement Date, the Subscription Form shall be mailed to each Eligible Holder together with appropriate instructions for the proper completion, due execution and timely delivery of the Subscription Form, as well as instructions for payment. New Topco shall instruct the Subscription Agent to deliver to each Eligible Holder that has sought to exercise its Subscription Rights (i) a written statement specifying the portion of the Subscription Rights which New Topco has accepted and (ii) in the event of a Section 1145 Cutback, or in the event that any portion of exercised Subscription Rights are not accepted for any reason, Cash in immediately available funds in an amount equal to the portion of the Subscription Purchase Price with respect to the number of Class B Shares elected to be purchased by such Eligible Holder but not accepted by New Topco as soon as reasonably practicable following the Effective Date.

(e) Undersubscription. Subject to the terms of the Equity Commitment Agreement, in the event that all of the Class B Shares offered pursuant to the Rights Offering are not purchased by Eligible Holders with Subscription Rights, the Rights Offering Sponsors (or affiliates of the Rights Offering Sponsors) shall purchase on the Effective Date, at the Subscription Purchase Price per share, a number of Class B Shares equal to the Backstop Consideration Shares and the Unsubscribed Shares, as well as any Excluded Shares in accordance with the terms of the Equity Commitment Agreement.

The Subscription Agent shall notify the Rights Offering Sponsors, on each Friday during the Subscription Period and on each Business Day during the five (5) Business Days prior to the Rights Offering Expiration Date (and any extensions thereto), or more frequently if reasonably requested by the Rights Offering Sponsors, of the aggregate number of Subscription Rights known by the Subscription Agent to have been exercised pursuant to the Rights Offering as of the close of business on the preceding Business Day or the most recent practicable time before such request, as the case may be.

The Subscription Agent shall give the Rights Offering Sponsors, as soon as reasonably practicable after the Rights Offering Expiration Date and, in any event, not more than six (6) Business Days after the Rights Offering Expiration Date, by e-mail or by electronic facsimile transmission, written notification setting forth either (i) the information required to be included in the Purchase Notice or (ii) in the absence of any Unsubscribed Shares, the fact that there are no Unsubscribed Shares. The Subscription Agent shall determine the number of Unsubscribed Shares, if any, in good faith, and provide the Rights Offering Sponsors with a Purchase Notice that reflects the number of Unsubscribed Shares as so determined. As soon as reasonably practicable after a final determination as to the aggregate number of Unsubscribed Shares and Excluded Shares has been made and, in any event, not more than three Business Days after entry of the Confirmation Order, the Issuer and the Debtor Parties shall cause the Subscription Agent to deliver a final Purchase Notice to the Rights Offering Sponsors specifying the final number of Unsubscribed Shares and Excluded Shares. On the Effective Date, the Rights Offering Sponsors (or affiliates of the Rights Offering Sponsors) shall purchase the Backstop Consideration Shares and such number of Unsubscribed Shares and Excluded Shares as are listed in the Purchase Notice (as the same may be updated), if any, without prejudice to the rights of the Rights Offering Sponsors to seek later an upward or downward adjustment to the number of Unsubscribed Shares if such Purchase Notice is miscalculated.

Delivery of the Backstop Consideration Shares, Unsubscribed Shares and Excluded Shares shall be made to the accounts of the respective Rights Offering Sponsors (or to such other accounts as the Rights Offering Sponsors may designate), on the Effective Date against payment of the aggregate Subscription Purchase Price for the Backstop Consideration Shares, the Unsubscribed Shares and the Excluded Shares by wire transfer of immediately available funds to a bank account in the United States specified by the Subscription Agent to the Rights Offering Sponsors at least 24 hours in advance. All Backstop Consideration Shares, Unsubscribed Shares and Excluded Shares shall be delivered with any and all issue, stamp, transfer or similar taxes or duties payable in connection with such delivery duly paid by the Debtors or the Reorganized Debtors to the extent required under the Confirmation Order or applicable law. Notwithstanding anything contained herein to the contrary, the Rights Offering Sponsors, in their sole discretion, may designate that some or all of the Backstop Consideration Shares, Unsubscribed Shares or Excluded Shares be issued in the name of, and delivered to, one or more affiliates.

(f) Equity Commitment Agreement. Subject to approval of the Equity Commitment Agreement by the Bankruptcy Court, unless the Equity Commitment Agreement has been previously terminated, the Debtors shall pay to the Rights Offering Sponsors a transaction fee of \$69,750,000 on the Effective Date, payable in accordance with the terms of the Equity Commitment Agreement. The Rights Offering Sponsors shall receive reimbursement of the Rights Offering Fees and Expenses, as further set forth in the Equity Commitment Agreement. In certain circumstances the Rights Offering Sponsors shall be entitled to a termination fee in accordance with the Equity Commitment Agreement.

(g) Transfer of Subscription Rights; Revocation. Prior to the Effective Date, the Subscription Rights shall be automatically transferred in connection with a transfer of a Rights Claim. The Rights shall not be transferable separately from a Rights Claim.

Pursuant to the Equity Commitment Agreement, New Topco and the Debtor Parties have agreed to use their commercially reasonable efforts to obtain an order from the Bankruptcy Court that prohibits direct or indirect transfers of the Subscription Rights in violation of the preceding paragraph prior to the Effective Date. For the avoidance of doubt, the following shall constitute, without limitation, impermissible indirect transfers of Subscription Rights: (i) derivatives, options, swaps, pledges, forward sales or other transactions in which any Person receives the right to own or acquire a Subscription Right, a Claim or a Class B Share; any current or future interest in any such Subscription Right, Claim or a Class B Share or the right to receive any economic benefit in respect of any such Subscription Right, Claim or a Class B Share other than through a sale of a Claim together with the Subscription Rights related thereto, and (ii) any direct or indirect transfer, whether through a direct transfer or through a derivative, option, swap, pledge, forward sale or other transaction, in which the transferor would retain (or, in connection with such transfer, repurchase or agree to repurchase), directly or indirectly, any related Subscription Rights, Class A Shares or Class B Shares or otherwise have the right, directly or indirectly, to acquire or own any current or future interest in any related Subscription Rights, Class A Shares or Class B Shares or economic benefit in respect of any related Subscription Rights, Class A Shares or Class B Shares. For the avoidance of doubt, if a transferor who held a Rights Claim as of the record date for the Rights Offering has transferred such Rights Claim together with the Rights related thereto, such transferor shall not be in violation of the foregoing so long as, immediately following the Effective Date, it transfers to the transferee of such Rights Claim (i) any and all Class B Shares issued in respect of any such validly exercised Rights and (ii) any and all Class A Shares issued in respect of such Rights Claim.

Any sale, transfer, assignment or attempted sale, transfer or assignment in violation of this provision shall be null and void, and no purported transferee shall be treated as an Eligible Holder of any Subscription Rights. Once an Eligible Holder has properly exercised its Subscription Rights, such exercise cannot be revoked, rescinded or modified.

(h) Withdrawal of Rights Offering. The Debtors may, after consultation with the Creditors' Committee, the Rights Offering Sponsors and the Ad Hoc Group, withdraw the Rights Offering.

(i) Distribution of Class B Shares. On the Effective Date, the Disbursing Agent shall distribute the Class B Shares purchased by the Exercising Claimants and the Rights Offering Sponsors, pursuant to the Rights Offering to such purchasers.

(j) Fractional Rights. No fractional Subscription Rights shall be issued. The number of Class B Shares available for purchase by Exercising Claimants shall be rounded down to the nearest share. Any Class B Shares not subscribed for as a result of such rounding shall be purchased by the Rights Offering Sponsors (or affiliates of the Rights Offering Sponsors) in accordance with the terms of the Equity Commitment Agreement.

(k) Validity of Exercise of Subscription Rights. All questions concerning the timeliness, viability, form and eligibility of any exercise of Subscription Rights shall be determined by the Debtors, in consultation with the Rights Offering Sponsors, whose good faith determinations shall be final and binding. The Debtors, subject to the approval of the Rights Offering Sponsors acting in good faith, may waive any defect or irregularity, or permit a defect or irregularity to be corrected within such times as the Debtors determine, or reject the purported exercise of any Subscription Rights. Subscription Forms shall be deemed not to have been received or accepted until all irregularities have been waived or corrected within such time as the Debtors (subject to the approval of the Rights Offering Sponsors acting in good faith) determine in their reasonable discretion. Neither the Debtors nor the Subscription Agent shall be under any duty to give notification of any defect or irregularity in connection with the submission of Subscription Forms or incur any liability for failure to give such notification.

(l) Rights Offering Procedures. Notwithstanding anything contained herein to the contrary, the Debtors (subject to the approval of the Rights Offering Sponsors) may modify the procedures relating to the Rights Offering or adopt such additional procedures substantially consistent with the provisions of this section in each case to more effectively administer the exercise of the Subscription Rights.

(m) Indemnification of Rights Offering Sponsors. Subject to the approval of the Equity Commitment Agreement by the Bankruptcy Court, the Rights Offering Indemnifying Parties agree to indemnify and hold harmless the Rights Offering Indemnified Persons from and against any and all losses, claims, damages, liabilities and reasonable expenses, joint or several, to which any such Rights Offering Indemnified Person may become subject arising out of or in connection with any claim, challenge, litigation, investigation or proceeding with respect to the Rights Offering, the Equity Commitment Agreement, or the transactions specifically contemplated thereby (but, for the avoidance of doubt, not other transactions relating to the Chapter 11 Cases or the Plan) including, without limitation, payment of the Backstop Fee, distribution of the Subscription Rights, the purchase and sale of Class B Shares pursuant to the Rights Offering, and to reimburse such Rights Offering Indemnified Persons for reasonable legal or other reasonable out-of-pocket expenses as they are incurred in connection with investigating, responding to or defending any of the foregoing, provided that the foregoing indemnification shall not, as to any Rights Offering Indemnified Person, apply to losses, claims, damages, liabilities or expenses to the extent that it is finally judicially determined by a court of competent jurisdiction to have resulted from gross negligence or willful misconduct on the part of such Rights Offering Indemnified Person. If for any reason the foregoing indemnification is unavailable to any Rights Offering Indemnified Person or insufficient to hold it harmless, then the Rights Offering Indemnifying Parties shall contribute to the amount paid or payable by such Rights Offering Indemnified Person as a result of such loss, claim, damage, liability or expense in such proportion as is appropriate to reflect not only the relative benefits received by the Rights Offering Indemnifying Parties on the one hand and such Rights Offering Indemnified Person on the other hand, but also the relative fault of the Rights Offering Indemnifying Parties, on the one hand, and such Rights Offering Indemnified Person, on the other hand, as well as any relevant equitable considerations. The relative benefits to the Rights Offering Indemnifying Parties on the one hand and all Rights Offering Indemnified Persons on the other hand shall be deemed to be in the same proportion as (i) the total value received or proposed to be received by New Topco pursuant to the sale of Class B Shares contemplated by the Equity Commitment Agreement bears to (ii) the aggregate fee paid or proposed to be paid to the Rights Offering Sponsors in connection with such sale. The indemnity and reimbursement obligations of the Rights Offering Indemnifying Parties described herein and the representations and warranties set forth in the Equity Commitment Agreement shall terminate and be of no further force and effect following the earlier of the Equity Commitment Agreement Termination Date and the Effective Date.

(n) Use of Proceeds. On the Effective Date, the proceeds received by New Topco from the Rights Offering shall be used to fund the Reorganized Debtors' emergence and provide necessary post-emergence liquidity.

Section 5.4 Restructuring Transactions.

(a) Distributions Regarding Obligor Non-Debtors. In full and complete satisfaction, settlement and release of their claims against Obligor Non-Debtors and Basell Germany, if any, and pursuant to distributions in connection with the Global Restructuring and otherwise pursuant to the Plan, each holder of a Senior Secured Claim shall receive its Pro Rata Share (as if each holder of a Senior Secured Claim held a claim against the Obligor Non-Debtors in the same amount as its Allowed Class 4 Claim) of 100% of the Class A Shares allocable to the net value (prior to Exit Financing) of LBIAF and LBIH and any of their respective direct and indirect subsidiaries (other than LBFC and its direct and

indirect subsidiaries), subject to dilution on account of the Equity Compensation Plan and the New Warrants; *provided, that*, nothing in this Section 5.4 shall reduce the number of Class A Shares to be distributed to holders of Claims in Class 5 as provided therein.

The ARCO/Equistar Settlement Pro Rata Allocation shall be used to determine the aggregate distributions allocable to each of the four following subcategories of Senior Secured Claims: (i) claims arising under the Senior Secured Credit Agreement, (ii) claims arising under the Secured Hedge Agreements, (iii) the Arco Notes Claims and (iv) the Equistar Notes Claims. In the event that the aggregate Allowed amount of Senior Secured Claims in any subcategory is different from the amount assumed to be outstanding in that subcategory for purposes of the ARCO/Equistar Settlement Pro Rata Allocation, the aggregate distribution to that subcategory shall not change, but each holder of an Allowed Senior Secured Claim within that subcategory shall be entitled to receive its pro rata share of the distribution to that subcategory, based on the actual aggregate Allowed claims in that subcategory.

New Topco shall distribute any Class A Shares and Cash payable to holders of Allowed 2015 Notes Claims under the Plan.

(b) Global Restructuring. On (or prior to) the Effective Date, the following transactions shall be effectuated in the order set forth below:

(i) New Topco and LBHBV shall be formed outside the existing corporate structure of LyondellBasell. Each entity may be formed prior to the Effective Date.

(ii) LBIH shall transfer its single share of LBIAF to BF SARL.

(iii) LBIAF shall transfer its Claims against the Obligor Non-Debtors Basell Finance Company B.V. and LBIH to the holders of Senior Secured Facility Claims. The holders of Senior Secured Facility Claims shall transfer their claims (except, for the avoidance of doubt, the DIP Roll-Up Claims) against the Obligor Non-Debtors and Basell Germany (including guarantee claims, liens, rights and interests under the Senior Secured Credit Agreement) to LBHBV in exchange for all of the outstanding stock of LBHBV. The holders of Senior Secured Facility Claims shall transfer all of the stock of LBHBV to New Topco in exchange for Class A Shares of New Topco and any other consideration they are to receive under the Plan other than Subscription Rights. The security agent under the Intercreditor Agreement, subject to the terms and conditions therein, shall sell the stock of LBIH (subject to its senior secured debt) to LBHBV for €10 in Cash. The vote of the Senior Secured Lenders on the Plan shall be deemed to be a direction to the administrative agent under the Senior Secured Credit Agreement to instruct the security agent to make such sale. All guarantee claims and liens against Obligor Non-Debtors under the 2015 Notes Indenture and the Bridge Loan Agreement shall be released.

(iv) LBFC shall cancel its existing stock and shall issue new capital stock to New Topco.

(v) LBFC may assign a portion of the LCC/LBFC Intercompany Note to New Topco in consideration for cash and a portion of the Class A Shares. New Topco shall transfer the remaining Class A Shares on account of Claims against the U.S. Debtors to LBFC as a capital contribution. LBFC in turn shall transfer

Class A Shares to each entity that is an obligor with respect to such Claims in proportion to the outstanding debt issued, and these obligors shall immediately distribute the Class A Shares to the applicable holders of Claims. The value of Class A Shares distributed to the holders of Claims against the U.S. Debtors shall be equal to the net value (prior to Exit Financing) of the U.S. Debtors.

(vi) LBFC shall contribute as capital to Lyondell Chemical the remainder of the LCC/LBFC Intercompany Note.

(vii) LBIAF, BF Sarl and LBAFGP shall be dissolved post-emergence in accordance with applicable law.

(c) North American Restructuring. The transactions constituting the North American Restructuring (certain of which are prerequisites to formation of the Millennium Custodial Trust and the Environmental Custodial Trust), as reflected in Exhibit E to the Disclosure Statement, shall be effectuated substantially contemporaneously with or prior to the Effective Date and in the following order:

(i) New F&F Holdco, New Acetyls Holdco and New Equistar Holdco shall be formed as wholly owned subsidiaries of Reorganized Lyondell Chemical Company. The Acetyls Business of Schedule III Debtor MPI shall be transferred to New Acetyls for its reorganization enterprise value, payable in Class A Shares. Specifically:

(A) New F&F shall purchase and acquire from MSC, and MSC shall sell, convey, assign, transfer and deliver to New F&F, the F&F Business for its reorganization enterprise value, payable in Class A Shares. Specifically, New F&F shall purchase all of MSC's assets, inventory, rights and properties held as of the Effective Date that pertain to the F&F Business, including but not limited to (a) cash and cash equivalents or similar type investments, such as certificates of deposit, Treasury bills and other marketable securities; (b) claims for refunds of taxes and other governmental charges to the extent such refunds relate to periods ending on or prior to the Effective Date; (c) all assumed and postpetition contracts associated with the F&F Business including, but not limited to, the contracts set forth in the Assumption Schedule to be assumed and assigned by MSC to New F&F as of the Effective Date; (d) employees and employee benefit and pension plans; (e) all accounts receivable and accounts payable to the extent such receivables and payables, respectively, relate to periods ending on or prior to the Effective Date; (f) all intellectual property associated with, or utilized by, the F&F Business; (g) the manufacturing facilities located in Jacksonville, Florida and Colonel's Island, Georgia and all real and personal property appurtenant thereto; and (h) certain other specific assets comprising the F&F Business, but specifically excluding (x) the original corporate minute books, stock books, financial records, tax returns, personnel and payroll records and corporate policies and procedures manuals of MSC and other records required by applicable laws to be retained; (y) MSC's St. Helena property in Baltimore, Maryland; and (z) any other liabilities of MSC, known or unknown, absolute or contingent. The purchase price for the F&F Business shall be \$70,578,926, including net available Cash of \$0.5 million as of December 31, 2009, which Cash shall be subject to adjustment on the Effective Date, payable to MSC in Class A Shares.

(C) New Acetyls shall purchase and acquire from MPI, and MPI shall sell, convey, assign, transfer and deliver to New Acetyls, the Acetyls Business for its reorganization enterprise value payable in Class A Shares provided, however, that the documents governing such transfer shall be in form and substance reasonably satisfactory to the Ad Hoc Group and the Rights Offering Sponsors. Specifically, New Acetyls shall purchase all of MPI's assets, inventory, rights and properties held as of the Effective Date that pertain to the Acetyls Business, including but not limited to (a) cash and cash equivalents or similar type investments, such as certificates of deposit, Treasury bills and other marketable securities, (b) claims for refunds of taxes and other governmental charges to the extent such refunds relate to periods ending on or prior to the Effective Date, (c) all assumed and postpetition contracts associated with the Acetyls Business, including but not limited to, the contracts set forth in the Assumption Schedule to be assumed by MPI and assigned to New Acetyls as of the Effective Date, (d) all accounts receivable and accounts payable to the extent such receivables and payables, respectively, relate to periods ending on or prior to the Effective Date, (e) all equity interests in Millennium Methanol GP, Inc., a Delaware corporation, and Millennium Methanol LP Inc., a Delaware corporation, (f) all intellectual property associated with, or utilized by, the Acetyls Business, (g) the manufacturing facility located in LaPorte, Texas and all real and personal property appurtenant thereto, and (h) certain other assets that comprise the Acetyls Business; but expressly excluding (x) the original corporate minute books, stock books, financial records, tax returns, personnel and payroll records and corporate policies and procedures manuals of MPI and other records required by applicable laws to be retained, (y) any liabilities of MPI, known or unknown, absolute or contingent, other than the liabilities specifically set forth above and (z) any equity interests in any MPI subsidiary other than Millennium Methanol GP, Inc. and Millennium Methanol LP, Inc. The purchase price for the Acetyls Business shall be \$214,935,341, including net available Cash of \$3 million as of December 31, 2009, which Cash shall be subject to adjustment on the Effective Date, payable to MPI in Class A Shares.

(xiv) New Acetyls Holdco shall purchase and acquire from the Millennium Partners, and the Millennium Partners shall sell, convey, assign, transfer and deliver to New Acetyls Holdco, all of the Millennium Partners' partnership interest in Equistar for (i) \$1.00 to each of the Millennium Partners and (ii) assumption of \$350 million of MPI's indemnification obligation on postpetition accounts payable (including inventory borrowings) of Equistar.

(xv) LBFC shall transfer all of its membership interest in New Acetyls Holdco to Lyondell Chemical.

(xvi) MPI shall be converted into a limited liability company.

(xvii) Certain Debtors shall contribute the Transferred Real Properties to the Environmental Custodial Trust.

(xviii) Equistar shall transfer its equity interest in Quantum Pipeline Company, Equistar Polypropylene, LLC, Equistar Transportation Company, LLC, and Equistar Funding Corporation to MCI.

(xix) Equistar shall cancel all of its partnership interests and shall issue new general partnership interests to New Equistar GP Holdco and new limited partnership interests to New Equistar Holdco. For the avoidance of doubt, Equistar shall not issue any new partnership interests to New Acetyls Holdco, Millennium Petrochemicals GP LLC or Millennium Petrochemicals Partners, LP.

(xx) Lyondell LP3 GP, LLC, Lyondell LP3 Partners, LP, Lyondell LP4 Inc., Lyondell Petrochemical L.P. Inc., and Lyondell (Pelican) Petrochemical L.P.1, Inc. shall merge into New Equistar Holdco.

(xxi) Each of Millennium Worldwide Holdings I, Inc., Penn Navigation Company, Penn Export Company, Inc., Penn Shipping Company Inc., Penntrans Company and USI Credit Corp shall conduct a reverse equity split so that its authorized equity interests are reduced to 100 shares or membership units, as applicable.

(xxii) Lyondell Chemical shall transfer its Equity Interests in MCI (with the corporate structure of the Schedule III Debtors remaining intact below MCI, except to the extent that the North American Restructuring contemplates changes to the legal status of certain MCI subsidiaries,) to the Millennium Custodial Trust as described in Section 5.5 herein.

(xxiii) Lyondell Chemical Nederland, Ltd., Lyondell Chemical Wilmington, Inc., Lyondell Intermediate Holding Company and Lyondell Receivables I, LLC shall be liquidated (or dissolved).

In addition, on or as of the Effective Date, the Debtors, in consultation with the Ad Hoc Group and Rights Offering Sponsors, except as set forth below, may, notwithstanding any other transactions described in the Plan, (i) cause any or all of the Debtors (other than Schedule III Debtors) to be merged into one or more of the Debtors (other than Schedule III Debtors) or be dissolved, (ii) cause any or all of the Schedule III Debtors to be merged into one or more of the Schedule III Debtors or be dissolved, (iii) cause the transfer of assets between or among the Debtors or among the Schedule III Debtors, or (iv) subject to the prior approval of the Rights Offering Sponsors, engage in any other transaction or disclosure in furtherance of the Restructuring Transactions. Any such transaction shall be effective as of the Effective Date pursuant to the Confirmation Order without any further action by the stockholders or directors of any of the Debtors or the Reorganized Debtors, or any other person. The effectuating documents of any such transaction with a value in excess of \$90 million shall be in form and substance reasonably satisfactory to the Ad Hoc Group and the Rights Offering Sponsors.

Section 5.5 The Millennium Custodial Trust.

(a) Structure.

On or before the Effective Date, the Millennium Custodial Trust shall be formed pursuant to the Millennium Custodial Trust Agreement and the filing of a certificate of trust with the Delaware Secretary of State. The Delaware Trustee and the Millennium Trust Trustee shall be appointed by the Debtors to administer the Millennium Custodial Trust. On or about the Effective Date, Equistar shall

transfer all of its Equity Interests in the Former Equistar Subsidiaries to MCI. On or about the Effective Date, certain Debtors, including certain MCI Subsidiaries, shall transfer the Transferred Real Properties to the Environmental Custodial Trust. Subsequently, Lyondell Chemical shall transfer all of its Equity Interests in MCI to the Millennium Custodial Trust. By virtue of Lyondell Chemical's transfer of its Equity Interests in MCI to the Millennium Custodial Trust, MCI's Subsidiaries, including but not limited to the Former Equistar Subsidiaries, shall be under the direct or indirect control of the Millennium Custodial Trustee. The holders of Allowed Claims against MCI shall receive the Millennium Custodial Trust Interests, which shall entitle each such holder to its Pro Rata Share of recoveries with respect to the Millennium Trust Assets, including any recovery by MCI from its direct and indirect ownership of the MCI Subsidiaries.

Each holder of an Allowed Claim against any other Schedule III Obligor Debtor (including any Senior/Bridge Deficiency Claim) shall receive, in full and complete satisfaction of its Allowed Claim, Participation Rights, but excluding any amounts for postpetition interest or post-Effective Date interest. The resolution of a Disputed Claim against a MCI Subsidiary and the distribution of Participation Rights shall be determined according to the procedures described in Article VIII hereof. If, upon liquidation, an MCI Subsidiary's assets are insufficient to satisfy all amounts payable under such MCI Subsidiary's Participation Rights, the holders of Participation Rights in such MCI Subsidiary shall recover their Pro Rata Share of the assets of that MCI Subsidiary. Conversely, to the extent an MCI Subsidiary's assets exceed the aggregate amount payable under such MCI Subsidiary's Participation Rights, such MCI Subsidiary shall, subject to applicable law, distribute its excess assets in liquidation to the immediate parent entity that owns the Equity Interests in such MCI Subsidiary. Any such distributed excess amounts thereafter shall be available to the holders of the immediate parent entity's Participation Rights.

(b) General Distribution Scheme for Schedule III Debtors.

The Schedule III Allocations shall be paid or otherwise afforded the treatment set forth in the Plan by the Reorganizing Debtors or Reorganized Debtors (as applicable), as partial consideration for the releases that the Schedule III Debtors are granting to the Reorganized Debtors and Non-Debtor Affiliates pursuant to the Plan.

All Intercompany Claims by a Schedule III Debtor against another Schedule III Debtor shall remain in place after the Effective Date and shall not otherwise receive a distribution under the Plan; *provided, however*, that (i) Millennium America Inc. shall contribute its prepetition net receivables from MHC Inc. to Millennium Holdings LLC, and (ii) Millennium Holdings LLC shall contribute its prepetition net receivables from MHC Inc. to MHC Inc. All Schedule III Intercompany Claims as of the Effective Date shall be discharged or waived; *provided, however*, that the Intercompany Claim of KIC Ltd. against MPCO shall be afforded the same treatment as General Unsecured Claims against MPCO.

(c) Funding the Millennium Custodial Trust.

The Reorganizing Debtors shall contribute the Wind-Up Funds to the Millennium Custodial Trust in order to fund the resolution of Claims against Schedule III Debtors and Claims by those entities against others. The Wind-Up Funds shall be held in an account maintained by the Millennium Trust Trustee for the benefit of holders of Claims against the Schedule III Debtors (other than MPCO, MSC and MPI). For purposes of Section 5.5(d), all references to Schedule III Debtors shall not include MPCO, MSC and MPI.

(d) Other Millennium Custodial Trust Provisions.

(i) Purpose. The Millennium Custodial Trust shall be established for the sole purpose of holding, liquidating and distributing the assets of the Schedule III Debtors other than MPI, MSC and MPCO, subject to the North American Restructuring, in accordance with Treasury Regulation section 301.7701-4(d) and Revenue Procedure 94-45, with no objective to continue or engage in the conduct of a trade or business.

(ii) Role of the Millennium Trust Trustee and the Directors and Officers of the MCI Subsidiaries. The Millennium Custodial Trust shall be managed by the Millennium Trust Trustee in accordance with the terms of the Millennium Custodial Trust Agreement. The Millennium Trust Trustee shall be an independent third party and shall initially be designated by the Debtors. In the event the Millennium Trust Trustee dies, is disabled, is removed or resigns for any reason, as provided in the Millennium Trust Agreement, the Millennium Trust Advisory Board shall designate a successor.

In furtherance of and consistent with the purpose of the Millennium Custodial Trust and the Plan, the Millennium Trust Trustee shall appoint the directors of MCI. Such directors shall appoint the officers of MCI. The direct parent entity of each MCI Subsidiary shall appoint the directors (or applicable equivalent) of such MCI Subsidiary and the directors of each MCI Subsidiary shall appoint the officers (or applicable equivalent) of such MCI Subsidiary. All such directors and officers (or other entity type analogous governing bodies or other appropriate persons or entities responsible for management) are the Millennium Chain Governing Bodies.

(iii) Non-transferability of Millennium Custodial Trust Interests. The Millennium Custodial Trust Interests shall not be certificated and, subject to applicable law, shall not be transferable. The ownership of a Millennium Custodial Trust Interest shall not entitle any holder to (A) any title in or to the assets of the Millennium Custodial Trust (which title shall be vested in the Millennium Custodial Trust) or to any right to call for a partition or division of the assets of the Millennium Trust or to require an accounting; or (B) subject to applicable law, any voting rights with respect to the administration of the Millennium Custodial Trust (other than the right to appoint members of the Millennium Trust Advisory Board).

(iv) Securities Law Matters. To the extent the Millennium Custodial Trust Interests are deemed to be “securities,” the issuance of Millennium Custodial Trust Interests under the Plan are exempt, pursuant to section 1145 of the Bankruptcy Code, from registration under the Securities Act of 1933, as amended, and any applicable state and local laws requiring registration of securities.

(v) Distribution of Millennium Trust Chain Assets. At least annually, the Millennium Trust Trustee, in his role as such or the relevant Millennium Chain Governing Body of the applicable Schedule III Debtor, shall make distributions to the holders of Participation Rights against each respective Schedule III Debtor of Cash on hand from liquidation of the Schedule III Debtor’s assets, in accordance with the Millennium Custodial Trust Agreement, except such amounts (i) that are earmarked for environmental clean-up costs (in the event that there are any remaining properties belonging to the Schedule III Debtors with remaining environmental clean-up liabilities), (ii) as would be distributable to a holder of a Disputed Claim if such Disputed Claim had been Allowed prior to the time of such distribution (but only until such Claim is resolved), (iii) as are reasonably necessary to meet contingent liabilities and to maintain the value of the Millennium Trust Chain Assets during liquidation, (iv) to pay reasonable expenses (including, but not limited to, any taxes imposed on the Millennium

Custodial Trust, MCI or an MCI Subsidiary, as applicable), and (v) to satisfy other liabilities incurred by the Millennium Custodial Trust in accordance with this Plan or the Millennium Custodial Trust Agreement. Notwithstanding the foregoing, the Reorganizing Debtors or their designees reserve the right to resolve Claims against the Schedule III Debtors prior to the Effective Date.

(vi) Intercompany Agreements. Within 90 days of the Effective Date, the Millennium Trust Trustee shall review all executory contracts and unexpired leases that exist between any of the Schedule III Debtors and shall determine whether to assume or reject such contracts. Any claims arising from the assumption or rejection of these contracts shall be Schedule III Intercompany Claims that shall be treated in accordance with Section 5.10 of the Plan and payments, if any, shall be directed by the Millennium Trust Trustee.

All executory contracts and unexpired leases that exist between any of the Schedule III Debtors and a Reorganized Debtor or a Non-Debtor Affiliate shall be deemed rejected as of the Effective Date, and any claims arising from the rejection shall be Schedule III Intercompany Claims that shall be treated in accordance with Section 5.10 of the Plan, and for the avoidance of doubt, such Schedule III Intercompany Claims shall be discharged and waived.

(vii) Transfer Taxes. Any transfer of the Millennium Trust Chain Assets to the Millennium Custodial Trust shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax to the extent permitted under section 1146(a) of the Bankruptcy Code.

(viii) Costs and Expenses and Retention of Professionals. The reasonable costs and expenses of the Millennium Custodial Trust and of each of the Schedule III Debtors, including the fees and expenses of the Millennium Trust Trustee, the Delaware Trustee, the Millennium Chain Governing Bodies, and their respective retained professionals, shall be paid out of the Millennium Trust Chain Assets. Reasonable fees and expenses incurred in connection with the prosecution and settlement of any Claims shall be considered costs and expenses of the Millennium Custodial Trust Chain. The Millennium Trust Trustee and the Delaware Trustee shall be entitled to reasonable compensation approved by the Millennium Trust Advisory Board in an amount consistent with that of similar functionaries in similar roles.

The Millennium Trust Trustee may retain and compensate attorneys and other professionals to assist in its duties as Millennium Trust Trustee on such terms as the Millennium Trust Trustee, acting in good faith as a fiduciary of the Millennium Custodial Trust, deems appropriate without Bankruptcy Court approval. Without limiting the foregoing, the Millennium Trust Trustee may retain any professional who represented parties in interest in the Chapter 11 Cases.

(ix) Term of Millennium Custodial Trust. The Millennium Custodial Trust shall be dissolved (and MCI and all of the MCI Subsidiaries shall be liquidated) no later than five (5) years from the Effective Date; *provided, however*, that the Bankruptcy Court, upon motion by a party in interest, may extend the term of the Millennium Custodial Trust for a finite period if (i) such extension is necessary to the liquidating purpose of the Millennium Custodial Trust, (ii) the Millennium Trust Trustee receives an opinion of counsel or a ruling from the IRS stating that such extension would not adversely affect the status of the Millennium Custodial Trust as a liquidating trust for U.S. federal income tax purposes, and (iii) such extension is obtained within the six (6) month period prior to the Millennium Custodial Trust's fifth (5th) anniversary or the end of the immediately preceding extension period, as applicable.

(x) Federal Income Tax Treatment of the Millennium Custodial Trust. The Millennium Custodial Trust is intended to qualify as a liquidating trust for U.S. federal income tax purposes. In general, a liquidating trust is not a separate taxable entity for U.S. federal income tax purposes, but is instead treated as a grantor trust, i.e., a pass-through entity. All parties must treat the transfer of the Millennium Trust Assets to the Millennium Custodial Trust as a transfer of such assets directly to the beneficiaries of the Millennium Custodial Trust, followed by the transfer of such assets by the beneficiaries to the Millennium Custodial Trust. Consistent therewith, all parties must treat the Millennium Custodial Trust as a grantor trust of which the Millennium Custodial Trust's beneficiaries are the owners and grantors. Assuming the Millennium Custodial Trust is treated as a liquidating trust, the holders of Millennium Custodial Trust Interests generally should be treated for U.S. federal income tax purposes as the direct owners of an undivided interest in the Millennium Trust Assets. The Millennium Trust Trustee shall determine the fair market value of the Millennium Trust Assets as soon as possible after the Effective Date, and all parties must consistently use this valuation for all U.S. federal income tax purposes.

(xi) MCI Reserve. The Millennium Trust Trustee may establish a reserve on account of Claims that are Disputed with respect to MCI. The Millennium Trust Trustee may, for U.S. federal income tax purposes (and, to the extent permitted by law, for state and local income tax purposes), (i) make an election pursuant to Treasury Regulation section 1.468B-9 to treat the MCI Reserve as a "disputed ownership fund" within the meaning of that section, (ii) allocate taxable income or loss to the MCI Reserve, with respect to any given taxable year (but only for the portion of the taxable year with respect to which such Claims are Disputed), and (iii) distribute assets from the MCI Reserve as, when, and to the extent, such Claims that are Disputed cease to be Disputed, whether by virtue of becoming Allowed or otherwise resolved. The Millennium Trust Beneficiaries shall be bound by such election, if made by the Millennium Trust Trustee, and, as such, shall, for U.S. federal income tax purposes (and, to the extent permitted by law, for state and local income tax purposes), report consistently therewith.

Section 5.6 The Environmental Custodial Trust.

(a) Structure. On or before the Effective Date, the Environmental Custodial Trust shall be formed pursuant to the Environmental Custodial Trust Agreement. The Environmental Trust Trustee shall be appointed by the Debtors (in consultation with the Environmental Trust Beneficiaries) to administer the Environmental Custodial Trust. On or about the Effective Date, the Debtors shall contribute to the Environmental Custodial Trust the Transferred Real Properties. Generally, the Transferred Real Properties are (1) environmentally contaminated property and the subject of current or expected clean-up obligations, and (2) no longer beneficial to the on-going operations of the Debtors. The Environmental Trust Beneficiaries shall hold all of the Environmental Custodial Trust Interests, which shall entitle the Environmental Trust Beneficiaries to their share of the recoveries with respect to the Environmental Trust Assets in accordance with the terms of the Environmental Custodial Trust Agreement. Although the Debtors do not expect that there shall be any recovery by the Environmental Trust Beneficiaries following the remediation and disposition of the Transferred Real Properties, any excess funds in the Environmental Custodial Trust following the disposition of all Transferred Real Properties shall, after the payment or making of reasonable provision for payment of all claims and obligations of the Environmental Custodial Trust in accordance with applicable law, be disbursed to such federal and state accounts as the Environmental Trust Beneficiaries designate.

(b) Funding the Environmental Custodial Trust. The Debtors shall contribute the Clean Up Funds to the Environmental Custodial Trust. The Debtors anticipate that the Clean Up Funds shall be allocated to address the cleanup costs of the Transferred Real Properties and in settlement of the

position of the EPA and other Environmental Trust Beneficiaries regarding injunctive relief obligations at Debtor-owned property and third party sites. The Clean Up Funds shall be held and administered by the Environmental Trust Trustee in accordance with the Environmental Custodial Trust Agreement and pursuant to any settlement with the EPA and other Environmental Trust Beneficiaries.

(c) Other Environmental Custodial Trust Provisions.

(i) Transfer of Transferred Real Properties. The Debtors shall effect the transfer of all of their rights, title and interests in the Transferred Real Properties by quit claim deed, and such transfer shall be free and clear of all claims, liens, and interests against the Debtors.

(ii) Purpose of the Environmental Custodial Trust. The Environmental Custodial Trust shall be established for the sole purpose of (a) owning the Transferred Real Properties and carrying out administrative and property management functions related to the Transferred Real Properties, (b) conducting, managing, and/or funding the implementation of Environmental Actions with respect to the Transferred Real Properties, (c) selling, transferring or otherwise disposing of the Transferred Real Properties, and (d) making distributions, if any, in accordance with the terms of the Environmental Custodial Trust Agreement.

(iii) Role of the Environmental Trust Trustee. The Environmental Custodial Trust shall be managed by the Environmental Trust Trustee in accordance with the terms of the Environmental Custodial Trust Agreement. The Environmental Trust Trustee shall be an independent third party that shall initially be designated by the Debtors, in consultation with the Environmental Trust Beneficiaries. In the event the Environmental Trust Trustee dies, is disabled, is removed or resigns for any reason, as provided in the Environmental Custodial Trust Agreement, the EPA shall designate a successor. The Environmental Trust Trustee may be the same person as the Millennium Trust Trustee.

(iv) Non-transferability of Environmental Custodial Trust Interests. The Environmental Custodial Trust Interests shall not be certificated and, subject to applicable law, shall not be transferable. The ownership of an Environmental Custodial Trust Interest shall not entitle any holder to (A) any title in or to the assets of the Environmental Custodial Trust (which title shall be vested in the Environmental Custodial Trust) or to any right to call for a partition or division of the assets of the Environmental Trust assets or to require an accounting; or (B) subject to applicable law, any voting rights with respect to the administration of the Environmental Custodial Trust.

(v) Securities Law Matters. To the extent the Environmental Custodial Trust Interests are deemed to be “securities,” the issuance of Environmental Custodial Trust Interests under the Debtors’ Plan are exempt, pursuant to section 1145 of the Bankruptcy Code, from registration under the Securities Act of 1933, as amended, and any applicable state and local laws requiring registration of securities.

(vi) Transfer Taxes. Any transfer of the Transferred Real Properties to the Environmental Custodial Trust shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax to the extent permitted under section 1146(a) of the Bankruptcy Code.

(vii) Costs and Expenses and Retention of Professionals. The reasonable costs and expenses of the Environmental Custodial Trust, including the fees and expenses of the Environmental Trust Trustee and its retained professionals, shall be paid out of the Clean Up

Funds. Reasonable fees and expenses incurred in connection with the prosecution and settlement of any Claims shall be considered costs and expenses of the Environmental Custodial Trust. The Environmental Trust Trustee shall be entitled to reasonable compensation approved by the Environmental Trust Advisory Board in an amount consistent with that of similar functionaries in similar roles. The Environmental Trust Trustee may retain and compensate attorneys and other professionals to assist in its duties as Environmental Trust Trustee on such terms as the Environmental Trust Trustee, acting in good faith as a fiduciary of the Environmental Custodial Trust, deems appropriate without Bankruptcy Court approval. Without limiting the foregoing, the Environmental Trust Trustee may retain any professional who represented parties in interest in the Chapter 11 Cases.

(viii) Federal Income Tax Treatment of the Environmental Custodial Trust. The Environmental Custodial Trust is intended to be treated as a “qualified settlement fund” as that term is defined in Treasury Regulation section 1.468B-1 and as a separate taxable entity for U.S. federal income tax purposes. The Environmental Trust Trustee shall not elect to have the Environmental Custodial Trust treated as a grantor trust for U.S. federal income tax purposes. The Environmental Trust Trustee shall be the “administrator” of the Environmental Custodial Trust pursuant to Treasury Regulation section 1.468B-2(k)(3).

Section 5.7 The Litigation Trust.

(a) General. On or before the Effective Date, the Litigation Trust Agreement shall be executed, and the Non-Settling Defendant Claims and the Assigned Preference Claims shall be assigned to the Litigation Trust. The Litigation Trust Agreement governing the Litigation Trust shall be in all respects in a form acceptable to the Creditors’ Committee, and the Debtors (but only as to provisions affecting or binding the Debtors), and otherwise consistent with the Lender Litigation Settlement; provided that such trust agreement will include (i) a provision stating that, after the Excess Recovery Trigger Date, the Debtors and the holders of Deficiency Claims on account of the Senior Secured Claims and Bridge Claims shall have sole control over and shall be entitled to any property or assets of such trust, subject to the right of the holders of Allowed General Unsecured Claims and 2015 Notes Claims to receive their Post-Effective Date Interest Amount, and (ii) a provision to be agreed upon between and among the Debtors and the Settling Defendants that shall govern the manner in which the Litigation Trust may be modified after the Excess Recovery Trigger Date.

(b) Purpose of the Litigation Trust. On the Effective Date, the Non-Settling Defendant Claims and the Assigned Preference Claims shall be assigned to the Litigation Trust. The Litigation Trust will be authorized under the Plan to prosecute the Non-Settling Defendant Claims for the benefit of holders of Allowed General Unsecured Claims and Allowed 2015 Notes Claims who shall receive a Settlement Pro Rata Share of any net recoveries on Non-Settling Defendant Claims. The Litigation Trust is authorized to prosecute the Assigned Preference Claims for the benefit of (i) holders of Allowed General Unsecured Claims and 2015 Notes Claim, who shall receive a Settlement Pro Rata Share of 90% of any net recoveries on Assigned Preference Claims until the Excess Recovery Trigger Date, and (ii) the Reorganized Debtors, who shall receive 10% of any net recoveries on Assigned Preference Claims until the Excess Recovery Trigger Date, at which time they shall receive 1/3 of the net recoveries on Assigned Preference Claims; *provided* that, following the Excess Recovery Trigger Date, all Assigned Preference Claims against present or former employees of the Debtors shall be extinguished. To assist the Litigation Trust with respect to its initial analysis of Assigned Preference Claims, the Debtors shall provide to the Creditors’ Committee and the Settling Defendants a “preliminary preference report” by March 20, 2010, identifying potential preference payments and recipients. Notwithstanding the contents of such “preliminary preference report,” prior to making any demand to collect or commencing any legal action to collect an Assigned Preference Claim, the Litigation Trust shall confirm

with the Reorganized Debtors, in writing, whether the target of any such demand or action is an Excluded Person. The Parties agree that should the Litigation Trust dispute the reasonableness of the Debtors' designation of a Person as an Excluded Person (a "Disputed Excluded Person"), the Bankruptcy Court shall retain jurisdiction to resolve such dispute and the Parties waive their appellate rights concerning the Bankruptcy Court's decision thereon, provided that, pending the Bankruptcy Court's resolution of the dispute, claims and causes of action against the Disputed Excluded Person shall be expressly preserved for the benefit of the Litigation Trust and shall not be released under any pending plan of reorganization. The Debtors and the Creditors' Committee shall work together to finalize procedures for resolution of such disputes, which procedures shall be included in the Plan Supplement. To the extent the Litigation Trust obtains recoveries based upon Non-Settling Defendant Claims or Assigned Preference Claims, and solely with respect to such recoveries, the Deficiency Claims on account of the Senior Secured Claims and the Bridge Loan Claims may be satisfied only from Excess Recoveries (if at all), and for the avoidance of doubt, in no event shall the holders of Deficiency Claims on account of the Senior Secured Claims or Bridge Loan Facility Claims be third party or other beneficiaries of the Trusts prior to the Excess Recovery Trigger Date. To the extent the Debtors obtain net recoveries from any Preference Claims prior to the Effective Date, such net recoveries shall be allocated as follows: (i) 90% to be held by the Debtors, not subject to any lien, claim or encumbrance and not subject to any equitable interest of the Debtors, for the benefit of holders of Allowed General Unsecured Claims, and transferred upon the Effective Date to the Litigation Trust for distribution to holders of Allowed General Unsecured Claims, and (ii) 10% to the Debtors for the benefit of their estates.

(c) Excess Recoveries. Following the Excess Recovery Trigger Date, holders of Senior Secured Claims, Bridge Loan Facility Claims and, solely to the extent of their Post-Effective Date Interest Amount, holders of Allowed General Unsecured Claims and 2015 Notes Claims shall be entitled to share in Excess Recoveries. Until the holders of Allowed General Unsecured Claims and 2015 Notes Claims (taking into account all distributions previously received by them after the Excess Recovery Trigger Date) have been paid their Post-Effective Date Interest Amount in full, Excess Recoveries shall be paid one-third to the holders of Deficiency Claims on account of the Senior Secured Claims, one-third to the holders of Deficiency Claims on account of Bridge Loan Claims and one-third to the holders of Allowed General Unsecured Claims and 2015 Notes Claims. Thereafter, until the holders of Senior Secured Claims (taking into account all distributions previously received by them) are paid in full, Excess Recoveries shall be paid 50% to the holders of Deficiency Claims on account of the Senior Secured Claims and 50% to the holders of Deficiency Claims on account of the Bridge Loan Claims. Thereafter, Excess Recoveries shall be paid 100% to holders of Bridge Loan Claims. Notwithstanding anything to the contrary in this Settlement Agreement, neither the Litigation Trust, the Trustees, nor the Creditor Representative, or their respective professionals and agents shall owe any fiduciary or other duty to the holders of Senior Secured Claims, Bridge Loan Claims or Deficiency Claims on account of Senior Secured Claims or Bridge Loan Claims and shall have no obligation to consult with any holders of the Senior Secured Claims, Bridge Loan Claims or Deficiency Claims on account of the Senior Secured Claims and Bridge Loan Claims with respect to prosecution or settlement of any claims being prosecuted by the Creditor Trust or the Litigation Trust; *provided* that after the Excess Recovery Trigger Date, the governance of the Trusts may be modified by provisions of the Creditor Trust Agreement and the Litigation Trust Agreement, as applicable, that are satisfactory to the Settling Defendants (and, in the case of the Litigation Trust, the Reorganized Debtors).

(d) Funding the Litigation Trust. The Litigation Trust will receive initial funding as set forth in Section 5.9.

(e) Structure of the Litigation Trust. It is contemplated that the Litigation Trust will be operated by the Litigation Trustee who will report to a three-member advisory board (the "Litigation Trust Advisory Board"). The Litigation Trustee and the members of the Litigation Trust Advisory Board

will be distinct individuals and will be appointed by the Creditors' Committee in its sole discretion and service as the Litigation Trustee or as a member of the Litigation Trust Advisory Board shall not prohibit such person or persons from serving as the Creditor Trustee or as a member of the Creditor Trust Advisory Board. The Litigation Trust will have authority to retain any counsel, financial advisors, claims agent, auditors, or other such professionals as it deems appropriate at all times. The Litigation Trust may select any of the foregoing professionals in its sole discretion, and prior employment in any capacity in the Debtors' bankruptcy cases on behalf of the Debtors, their estates, the Creditors' Committee, any creditors or concurrent representation of the Creditor Trust or the Creditor Representative shall not preclude the Litigation Trust's retention of such professionals. The Litigation Trust Beneficiaries' interests in the Litigation Trust may not be transferred to any other Persons; *provided* that the Reorganized Debtors shall be permitted to transfer their beneficial interest in the Litigation Trust to any wholly-owned subsidiary of New Topco. The Litigation Trust Beneficiaries' interests in the Litigation Trust shall be uncertificated and, subject to applicable law, shall not be transferable; *provided* that the Reorganized Debtors shall be permitted to transfer their interest in the Litigation Trust to any wholly-owned subsidiary of New Topco.

(f) Transfer Taxes. Any transfer of the Litigation Trust Assets to the Litigation Trust shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax to the extent permitted under section 1146(a) of the Bankruptcy Code.

(g) Federal Income Tax Treatment of the Litigation Trust. The Litigation Trust will be established for the sole purpose of distributing any recoveries from the Non-Settling Defendant Claims and the Assigned Preference Claims, in accordance with Treasury Regulation section 301.7701-4(d) and Revenue Procedure 94-45, with no objective to continue or engage in the conduct of a trade or business. The Litigation Trust is intended to qualify as a liquidating trust for U.S. federal income tax purposes. In general, a liquidating trust is not a separate taxable entity for U.S. federal income tax purposes, but is instead treated as a grantor trust, *i.e.*, pass-through entity. All parties must treat the transfer of the portion of the Litigation Trust Assets attributable to the Non-Debtor Beneficiaries as a transfer of such assets directly to the Non-Debtor Beneficiaries, followed by the transfer of such assets by the beneficiaries to the Litigation Trust. In addition, the Debtors believe that the Reorganized Debtors should be treated as retaining a portion of the Assigned Preference Claims and transferring directly to the Litigation Trust such Assigned Preference Claims and a portion of the Cash allocated to the Litigation Trust. Consistent therewith, all parties must treat the Litigation Trust as a grantor trust of which the Litigation Trust Beneficiaries are the owners and grantors. Subject to the terms of the Litigation Trust Agreement, and the power of any advisory board established thereunder, the Litigation Trustee will determine the fair market value of the Litigation Trust Assets as soon as possible after the Effective Date, and the Litigation Trust Beneficiaries and the Litigation Trustee must consistently use this valuation for all U.S. federal income tax purposes, including for determining gain, loss or tax basis. The U.S. federal income tax treatment of the Litigation Trust is unclear, and the Debtors are unaware of any authority directly addressing the qualification of a trust structured similarly to the Litigation Trust as a liquidating trust for U.S. federal income tax purposes. It is possible, for instance, that the Litigation Trust could be treated for U.S. federal income tax purposes as two trusts, one that holds the Assigned Preference Claims and Cash and another that holds the Non-Settling Defendant Claims and Cash. The U.S. federal income tax treatment of the right of holders of Allowed Senior Secured Claims and Allowed Bridge Loan Claims to their share of any Excess Recoveries is unclear.

(h) Reserve. The Litigation Trustee may establish a reserve on account of Claims that are Disputed. The Litigation Trustee may, for U.S. federal income tax purposes (and, to the extent permitted by law, for state and local income tax purposes), (i) make an election pursuant to Treasury Regulation section 1.468B-9 to treat the LT Reserve as a "disputed ownership fund" within the meaning of that section, (ii) allocate taxable income or loss to the LT Reserve, with respect to any given taxable

year (but only for the portion of the taxable year with respect to which such Claims are Disputed), and (iii) distribute assets from the LT Reserve as, when, and to the extent, such Claims that are Disputed cease to be Disputed, whether by virtue of becoming Allowed or otherwise resolved. The Litigation Trust Beneficiaries shall be bound by such election, if made by the Litigation Trustee, and as such shall, for U.S. federal income tax purposes (and, to the extent permitted by law, for state and local income tax purposes), report consistently therewith.

(i) Dissolution. The Litigation Trust will be dissolved no later than five (5) years from the Effective Date; *provided, however*, that the Bankruptcy Court, upon motion by a party in interest, may extend the term of the Litigation Trust for a finite period if (i) such extension is necessary to the purpose of the Litigation Trust, (ii) the Litigation Trustee receives an opinion of counsel or a ruling from the IRS stating that such extension would not adversely affect the status of the Litigation Trust as a liquidating trust for U.S. federal income tax purposes, and (iii) such extension is obtained within the six (6) month period prior to the Litigation Trust's fifth (5th) anniversary or the end of the immediately preceding extension period, as applicable. Upon dissolution of the Litigation Trust, any remaining Cash on hand and other assets will be distributed to the Litigation Trust Beneficiaries in accordance with the Litigation Trust Agreement.

(j) Securities Law Matters. To the extent the interests in the Litigation Trust are deemed to be "securities," the issuance of such interests under the Plan are exempt, pursuant to section 1145 of the Bankruptcy Code, from registration under the Securities Act of 1933, as amended, and any applicable state and local laws requiring registration of securities.

Section 5.8 The Creditor Trust.

(a) General. On or before the Effective Date, the Creditor Trust Agreement shall be executed. The Creditor Trust Agreement governing the Creditor Trust shall be in a form acceptable to the Creditors' Committee, and otherwise consistent with the Lender Litigation Settlement; provided that such trust agreement will include (i) a provision stating that, after the Excess Recovery Trigger Date, the holders of Deficiency Claims on account of the Senior Secured Claims and Bridge Claims shall have sole control over, and subject to the right of the holders of Allowed General Unsecured Claims and 2015 Notes Claims to receive their Post-Effective Date Interest Amount, shall be entitled to any property or assets of such trust and (ii) a provision to be agreed upon between and among the Settling Defendants that shall govern the manner in which the Creditor Trust may be modified after the Excess Recovery Trigger Date.

(b) Purpose of the Creditor Trust. On the Effective Date, the Abandoned Claims shall be discontinued by the Debtors without prejudice and the Debtors shall be deemed to have abandoned, pursuant to section 554 of the Bankruptcy Code, any and all right to further pursue the Abandoned Claims. Upon the effectiveness of the aforesaid discontinuance and abandonment, each holder of Allowed 2015 Notes Claims, General Unsecured Claims, and holders of the Deficiency Claims on account of the Senior Secured Claims and Bridge Loan Claims (but excluding the Senior/Bridge Guarantee Claims), shall contribute to the Creditor Trust any and all State Law Avoidance Claims. The Creditor Trust shall be authorized to prosecute the State Law Avoidance Claims that are contributed to the Creditor Trust for the benefit of Creditor Trust Beneficiaries who contribute State Law Avoidance Claims to the Creditor Trust, who shall receive any recoveries on account of the State Law Avoidance Claims transferred to the Creditor Trust shall be distributed to Creditor Trust Beneficiaries in accordance with the Plan and the Creditor Trust Agreement, subject to Section 5.8(c) with respect to any amounts that constitute Excess Recoveries. Notwithstanding the foregoing, the Creditor Trust shall not owe any fiduciary duty or other duty to the holders of Senior Secured Claims or holders of Bridge Loan Claims.

(c) Excess Recoveries. Following the Excess Recovery Trigger Date, holders of Senior Secured Claims, Bridge Loan Facility Claims and, solely to the extent of their Post-Effective Date Interest Amount, holders of Allowed General Unsecured Claims and 2015 Notes Claims shall be entitled to share in Excess Recoveries. Until the holders of Allowed General Unsecured Claims and 2015 Notes Claims (taking into account all distributions previously received by them) have been paid their Post-Effective Date Interest Amount in full, Excess Recoveries shall be paid one-third to the holders of Deficiency Claims on account of the Senior Secured Claims, one-third to the holders of Deficiency Claims on account of Bridge Loan Facility Claims and one-third to the holders of Allowed General Unsecured Claims and 2015 Notes Claims. Thereafter, until the holders of Senior Secured Claims (taking into account all distributions previously received by them) are paid in full, Excess Recoveries shall be paid 50% to the holders of Deficiency Claims on account of the Senior Secured Claims and 50% to the holders of Deficiency Claims on account of the Bridge Loan Claims. Thereafter, Excess Recoveries shall be paid 100% to holders of Bridge Loan Claims. Notwithstanding anything to the contrary in this Settlement Agreement, neither the Creditor Trust, the Trustees, nor the Creditor Representative, or their respective professionals and agents shall owe any fiduciary or other duty to the holders of Senior Secured Claims, Bridge Loan Claims or Deficiency Claims on account of the Senior Loan Claims or Bridge Loan Claims and shall have no obligation to consult with any holders of the Senior Secured Claims, Bridge Loan Claims or Deficiency Claims on account of the Senior Loan Claims or Bridge Loan Claims with respect to prosecution or settlement of any claims being prosecuted by the Creditor Trust or the Litigation Trust; *provided* that after the Excess Recovery Trigger Date, the governance of the Trusts may be modified by provisions of the Creditor Trust Agreement and the Litigation Trust Agreement, as applicable, that are satisfactory to the Settling Defendants.

(d) Funding the Creditor Trust. The Creditor Trust will receive initial funding as set forth in Section 5.09.

(e) Transfer Taxes. Any transfer of the Creditor Trust Assets to the Creditor Trust shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax to the extent permitted under section 1146(a) of the Bankruptcy Code.

(f) Structure of the Creditor Trust. It is contemplated that the Creditor Trust will be operated by the Creditor Trustee who will report to a three-member advisory board (the “Creditor Trust Advisory Board”). The Creditor Trustee and the members of the Creditor Trust Advisory Board will be distinct individuals and will be appointed by the Creditors’ Committee in its sole discretion and service as the Litigation Trustee or as a member of the Litigation Trust Advisory Board shall not prohibit such person or persons from serving as the Creditor Trustee or as a member of the Creditor Trust Advisory Board. The Creditor Trust will have authority to retain any counsel, financial advisors, claims agent, auditors, or other such professionals as it deems appropriate at all times. The Creditor Trust may select any of the foregoing professionals in its sole discretion, and prior employment in any capacity in the Debtors’ bankruptcy cases on behalf of the Debtors, their estates, the Creditors’ Committee, or any creditors or concurrent representation of the Litigation Trust or the Creditor Representative shall not preclude the Creditor Trust’s retention of such professionals. The Creditor Trust Beneficiaries’ interests in the Creditor Trust may not be transferred to any other Persons. The Creditor Trust Beneficiaries’ interests in the Creditor Trust shall be uncertificated and, subject to applicable law, shall not be transferable.

(g) Federal Income Tax Treatment of the Creditor Trust. The Creditor Trust will be established for the sole purpose of distributing any recoveries from the State Law Avoidance Claims, in accordance with Treasury Regulation section 301.7701-4(d) and Revenue Procedure 94-45, with no objective to continue or engage in the conduct of a trade or business. The Creditor Trust is intended to qualify as a liquidating trust for U.S. federal income tax purposes. In general, a liquidating trust is not a

separate taxable entity for U.S. federal income tax purposes, but is instead treated as a grantor trust, *i.e.*, a pass-through entity. All parties must treat the abandonment of the State Law Avoidance Claims and transfer of the other Creditor Trust Assets to the Creditor Trust as a transfer of such assets directly to the Creditor Trust Beneficiaries, followed by the transfer of such assets by the beneficiaries to the Creditor Trust. Consistent therewith, all parties must treat the Creditor Trust as a grantor trust of which the Creditor Trust Beneficiaries are the owners and grantors. Subject to the terms of the Creditor Trust Agreement, and the powers of any advisory board established thereunder, the Creditor Trustee will determine the fair market value of the Creditor Trust Assets as soon as possible after the Effective Date, and all parties must consistently use this valuation for all U.S. federal income tax purposes, including for determining gain, loss or tax basis. The U.S. federal income tax treatment of the right of holders of Allowed Senior Secured Claims and Allowed Bridge Loan Claims to their share of any Excess Recoveries is unclear.

(h) Reserve. The Creditor Trustee may establish a reserve on account of Claims that are Disputed. The Creditor Trustee may, for U.S. federal income tax purposes (and, to the extent permitted by law, for state and local income tax purposes), (i) make an election pursuant to Treasury Regulation section 1.468B-9 to treat the CT Reserve as a “disputed ownership fund” within the meaning of that section, (ii) allocate taxable income or loss to the CT Reserve, with respect to any given taxable year (but only for the portion of the taxable year with respect to which such Claims are Disputed), and (iii) distribute assets from the CT Reserve as, when, and to the extent, such Claims that are Disputed cease to be Disputed, whether by virtue of becoming Allowed or otherwise resolved. The Creditor Trust Beneficiaries shall be bound by such election, if made by the Creditor Trustee, and, as such, shall, for U.S. federal income tax purposes (and, to the extent permitted by law, for state and local income tax purposes), report consistently therewith.

(i) Dissolution. The Creditor Trust will be dissolved no later than five (5) years from the Effective Date; *provided, however*, that upon motion by a party in interest, in a court as set forth in the Creditor Trust Agreement, the term of the Creditor Trust may be extended for a finite period if (i) such extension is necessary to the purpose of the Creditor Trust, (ii) the trustee of the Creditor Trust receives an opinion of counsel or a ruling from the IRS stating that such extension would not adversely affect the status of the Creditor Trust as a liquidating trust for U.S. federal income tax purposes, and (iii) such extension is obtained within the six (6) month period prior to the Creditor Trust’s fifth (5th) anniversary or the end of the immediately preceding extension period, as applicable. Upon dissolution of the Creditor Trust, any remaining Cash on hand and other assets will be distributed to the Creditor Trust Beneficiaries in accordance with the Creditor Trust Agreement.

(j) Securities Law Matters. To the extent the interests in the Creditor Trust Interests are deemed to be “securities,” the issuance of such interests under the Plan are exempt, pursuant to section 1145 of the Bankruptcy Code, from registration under the Securities Act of 1933, as amended, and any applicable state and local laws requiring registration of securities.

Section 5.9 Initial Funding of Litigation Trust and Creditor Trust On the Effective Date, the Debtors shall fund, as a grant, an aggregate of \$20 million to the Trusts to pay for the costs, fees and expenses of prosecution of claims by the Trusts, the costs of administration of the Trusts and the costs and expenses of the Creditor Representative. The allocation and disbursement of such amount as between the Trusts shall be determined in accordance with procedures established by the Creditors’ Committee in its sole judgment and shall be administered by the Creditor Representative. To the extent that a portion of the funding allocated to the Creditor Trust or to the Litigation Trust is not needed or used to defray the costs and expenses of that Trust, it shall be available first for use by the Creditor Trust or the Litigation Trust, as the case may be, second, for distribution to holders of Allowed

General Unsecured Claims and 2015 Notes Claims, and, third, for distribution subject to Sections 5.7 and 5.8 hereof with respect to any amounts that constitute Excess Recoveries.

Section 5.10 Intercompany Claims. No distribution shall be made on account of Prepetition Intercompany Claims, which Claims shall be fully subordinated, cancelled (including, but not limited to, the Prepetition Intercompany Claims set forth on Schedule V of the Disclosure Statement), remain in place, or otherwise compromised as determined by Reorganized LyondellBasell.

Section 5.11 Closing of the Chapter 11 Cases. When all Disputed Claims against any Debtor either have become Allowed or have been disallowed by Final Order, and no controverted matter remains outstanding, the Debtors shall seek authority from the Bankruptcy Court to close the applicable Debtor's Chapter 11 Case in accordance with the Bankruptcy Code and the Bankruptcy Rules; *provided, however*, that at least one of the Chapter 11 Cases shall remain open until such time as the Trusts have been dissolved in accordance with the provisions of Sections 5.7 and 5.8.

Section 5.12 Early Payment. Nothing herein shall prevent any of the Debtors, Reorganized Debtors or the Millennium Trust Trustee from making any payments prior to the date provided for in the Plan, and neither the Debtors, the Millennium Trust Trustee nor the Reorganized Debtors shall suffer any penalty or prejudice from making any such payments.

ARTICLE VI

CORPORATE GOVERNANCE AND MANAGEMENT OF REORGANIZED DEBTORS

Section 6.1 Boards of Directors. The initial members of the New Topco Supervisory Board shall be disclosed at or before the Confirmation Hearing. Each of the members of such initial board shall serve in accordance with applicable Dutch law, the New Topco Supervisory Board charter, applicable corporate governance principles and the New Topco Articles of Association, as the same may be amended from time to time. The New Topco Supervisory Board shall have an audit committee, corporate governance and nominating committee and an organization and compensation committee.

Section 6.2 New Topco Officers. The officers of New Topco shall be disclosed at or before the Confirmation Hearing.

Section 6.3 Reorganized Debtors' Boards of Directors and Officers. The current members of the boards of directors of each of the Reorganized Debtors, other than New Topco, shall serve, until replaced, as the initial directors of the Reorganized Debtors on and after the Effective Date. The officers of each of the Debtors shall serve as the initial officers of the Reorganized Debtors on and after the Effective Date. Such officers shall serve in accordance with applicable nonbankruptcy law, any employment agreement with the Reorganized Debtors, and the applicable certificate of incorporation and by-laws (or other relevant organizational documents), as the same may be amended from time to time.

Section 6.4 New Topco Articles of Association, Certificates of Incorporation and By-Laws. The Reorganized Debtors shall take all actions necessary to file, register or otherwise effectuate the amended certificates of incorporation and amended by-laws (or other relevant organizational documents) for the Reorganized Debtors. The certificates of incorporation and by-laws (or other relevant organizational documents) of each of the Reorganized Debtors, as applicable,

shall contain provisions necessary to prohibit the issuance of nonvoting equity securities as required by section 1123(a)(6) of the Bankruptcy Code.

Section 6.5 Authorization and Issuance of New Securities. The issuance of the New Common Stock, New Third Lien Notes and Cram Down Notes, if any, by New Topco and the issuance or guarantee, as applicable, by any of the Reorganized Debtors of any and all securities, notes, stock, Instruments, certificates, Liens, security interests, and other documents or agreements required to be issued, executed or delivered pursuant to the Plan, including the Exit Facility, and any other actions necessary or desirable in connection therewith is hereby authorized without further act or action under applicable law, regulation, order or rule, or the vote, consent, authorization or approval of any entity. Upon the Effective Date, after giving effect to the transactions contemplated hereby, the authorized capital stock or other equity securities of New Topco and the Reorganized Debtors shall be issued and authorized. Notwithstanding the foregoing, the New Topco Supervisory Board shall and are hereby directed to take any required corporate action necessary to cause the foregoing Instruments to be duly authorized under Dutch law.

Section 6.6 Listing of New Common Stock. New Topco shall use its commercially reasonable efforts to cause the New Common Stock to be listed on the New York Stock Exchange as soon as reasonably practicable after the Effective Date. New Topco shall use its commercially reasonable efforts to file a Form 10 with the Securities and Exchange Commission and seek to have such Form 10 be declared effective by the Securities and Exchange Commission as soon as reasonably practicable after the Effective Date in order to enable the New Common Stock to be listed on the New York Stock Exchange.

Prior to the listing of the shares, the Debtors expect that the New Common Stock shall be held in global form by a transfer agent in the form of one or more bearer global share certificates for the account of Cede & Company, the nominee of the Depository Trust Company. Subject to compliance with Dutch law and the rules of the Depository Trust Company, transfers of shares of New Common Stock prior to listing may only be made by the transfer of a book entry position in the relevant global bearer share certificate.

Section 6.7 Equity Compensation Plan. On, or as soon as practicable after, the Effective Date, New Topco shall adopt the Equity Compensation Plan, pursuant to which New Topco shall implement an equity-based program. The terms of the Equity Compensation Plan shall be filed as part of the Plan Supplement.

ARTICLE VII

DISTRIBUTIONS UNDER THE PLAN

Section 7.1 Disbursing Agent. Except as otherwise provided herein, all distributions and other payments to be made “by the Debtors” or “by the Reorganized Debtors,” or by any of them, under the Plan or otherwise in connection with the Chapter 11 Cases (including, without limitation, professional compensation and statutory fees) shall be made by New Topco (or such other entity designated by New Topco) as the Disbursing Agent. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. In the event the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Reorganized Debtors.

(a) Powers of the Disbursing Agent. The Disbursing Agent shall be empowered to (i) effect all actions and execute all agreements, Instruments and other documents necessary to perform its

duties under the Plan, (ii) make all distributions and other payments contemplated hereby, (iii) employ professionals to represent it with respect to its responsibilities, and (iv) exercise such other powers as may be vested in it by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

(b) Expenses Incurred on or After the Effective Date. Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including, without limitation, taxes) and any reasonable compensation and expense reimbursement claims (including, without limitation, reasonable attorney fees and expenses) made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors.

Section 7.2 Distributions to Holders of Allowed General Unsecured Claims and 2015 Notes Claims Which Share in the Settlement Consideration. Until all Claims constituting General Unsecured Claims become Allowed Claims (or are Disallowed), the distributions of the Settlement Consideration shall be divided into three tranches: (i) one tranche for the benefit of holders of 2015 Notes Claims, (ii) one tranche for the benefit of holders of Millennium Notes Claims and (iii) one tranche for the benefit of holders of all other Allowed General Unsecured Claims. Subject to the provisions of the Plan regarding the estimation of Disputed Claims, holders of 2015 Note Claims, holders of Millennium Notes Claims and holders of Allowed General Unsecured Claims, in each case whose Claims have been Allowed on or before the Effective Date, shall receive their Settlement Pro Rata Share of Fixed Settlement Plan Consideration on the Effective Date or as soon as practical thereafter, subject to adjustment as necessary to account for the distributions to the holders of Millennium Notes Claims as described in Section 4.10 hereof. The distributions of the Settlement Consideration shall be allocated to each tranche to reflect (A) the relative amount of the Allowed Claims of the creditors falling within each of tranches (i) and (ii) above, and (B) the relative estimated amount of the Allowed Claims of the creditors falling within tranche (iii) above as calculated by the Debtors in good faith, in consultation with the Creditors' Committee; *provided, however*, that the Allowed amount of all other Allowed General Unsecured Claims in Class 7-A, Class 7-C and Class 7-D shall be estimated by the Debtors, in consultation with the Creditors' Committee, taking into account the Debtors' high-end estimates for the ultimate Allowed amount of such Claims based on the information available to the Debtors prior to the Confirmation Date. If, after all Disputed General Unsecured Claims become Allowed Claims (or are Disallowed), there is insufficient Fixed Settlement Plan Consideration to provide all holders of Allowed General Unsecured Claims (other than Millennium Notes Claims) eligible to receive Fixed Settlement Plan Consideration the same pro rata distributions of the Fixed Settlement Plan Consideration, then the Litigation Trust shall use its first available net proceeds from the claims it is entitled to pursue as is required to true-up distributions to such holders. This mechanism shall be used to permit interim distributions of Fixed Settlement Plan Consideration, to the extent reasonably practical, as of the date other Effective Date distributions are being made pursuant the Plan. Once all Claims constituting General Unsecured Claims become Allowed General Unsecured Claims (or Disallowed), distributions of Fixed Settlement Plan Consideration shall be made to holders of Allowed General Unsecured Claims (other than Millennium Notes Claims) as may be required to true-up distributions as among such holders and then, Pro Rata thereafter among holders of Allowed General Unsecured Claims (other than Millennium Notes Claims); *provided, however*, that nothing herein is intended to provide holders of 2015 Notes Claims with true-up distributions on account of the Fixed Settlement Plan Consideration reallocated from the holders of the 2015 Notes Claims to the holders of Millennium Notes Claims pursuant to Section 4.10 hereof.

Holders of General Unsecured Claims and 2015 Notes Claims that have Claims guaranteed by another Debtor shall only be entitled to receive their Settlement Pro Rata Share of the Settlement Consideration against the Debtor primarily obligated on such debt (or if the claim against multiple Debtors is based on joint liability, then the Claim shall be Allowed only against one jointly-obligated Debtor), and all other Claims against any other Debtor based on such primary debt, whether by

reason of guarantee, indemnity or otherwise, shall be deemed disallowed in their entirety without further action on the part of the Debtors; *provided, however*, if the Bankruptcy Court does not approve the allocation of Settlement Consideration among Class 7-A, Class 7-C, Class 7-D Claims and Class 8 Claims for purposes of this paragraph, then the proceeds from the Settlement Consideration shall be apportioned as determined by the Bankruptcy Court on or following the Confirmation Hearing after notice and a hearing (it being understood that such determination or apportionment shall in no way affect or delay the Debtors' ability to emerge from chapter 11 as otherwise contemplated).

Holders of Allowed General Unsecured Claims and 2015 Notes Claims are only entitled to a distribution until such time as they are paid in full (including Post-Effective Date Interest but only out of Excess Recoveries) are paid in full; thereafter, except as set forth to the contrary, any distribution of the Settlement Consideration shall be allocated only among remaining holders of Allowed General Unsecured Claims and 2015 Notes Claims.

If, after all Disputed General Unsecured Claims become Allowed Claims (or are disallowed), there is insufficient Fixed Settlement Plan Consideration to provide all holders of Allowed General Unsecured Claims (other than Millennium Notes Claims) eligible to receive Fixed Settlement Plan Consideration the same Pro Rata distributions of the Fixed Settlement Plan Consideration, then the Litigation Trust shall use its first available net proceeds from the claims it is entitled to pursue as is required to true-up distributions to such holders.

Settlement Consideration in the form of Cash and Class A Shares held for the benefit of holders of General Unsecured Claims whose Claims have not yet been Allowed or Disallowed shall be held by the Creditor Representative after the Effective Date in a separate, interest-bearing escrow account or a trust, in each case, for the benefit of the holders of Disputed General Unsecured Claims (other than Millennium Notes Claims). The Creditors' Committee (prior to the Effective Date) or the Creditor Representative (upon the Effective Date) shall make the determination whether to hold the Cash and Class A Shares in an escrow account or trust. The Debtors shall have no equitable interest in such escrow account or trust, which shall not be subject to claims, liens or encumbrances.

Section 7.3 Distributions of Cash. Any payment of Cash made hereunder by any of the Debtors or Reorganized Debtors may be made at the option of such party either by check or wire transfer. No payment of Cash less than one hundred dollars (\$100) shall be made by or on behalf of the Debtors or Reorganized Debtors to any holder of an Allowed Claim unless a request therefor is made in writing to the Reorganized Debtors at the address set forth in Section 13.20 of the Plan.

Section 7.4 Distributions Free and Clear. Except as otherwise provided herein, any distribution or transfer by any of the Debtors or Reorganized Debtors, including but not limited to distributions to any holder of an Allowed Claim, shall be free and clear of any liens, claims, and encumbrances, and no other entity shall have any interest—legal, beneficial, or otherwise—in assets transferred pursuant to the Plan.

Section 7.5 Timing of Distributions. Unless otherwise provided herein, any distributions and deliveries to be made hereunder on account of Allowed Administrative Expenses, Allowed Claims or Allowed Equity Interests as of the Effective Date shall be made on the Effective Date or as soon as reasonably practicable thereafter and deemed made on the Effective Date. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act shall be completed no later than the next succeeding Business Day, but shall be deemed to have been completed as of the required day.

Section 7.6 Delivery of Distributions.

(a) Last Known Address. Subject to Bankruptcy Rule 9010, all distributions to any holder of an Allowed Claim or Allowed Administrative Expense shall be made at the address of such holder as set forth on its proof of claim, and in the absence of a proof of claim, on the Schedules filed with the Bankruptcy Court or on the books and records of the Debtors or their agents. The holder must provide in writing of a change of address pursuant to the notice requirements set forth in Section 13.20 hereof or, in the case of holders of transferred Claims only, by the filing of a proof of claim or statement pursuant to Bankruptcy Rule 3001(e) by such holder or transferee that contains an address for such holder different than the address of such holder as set forth in the Schedules. The Debtors and Reorganized Debtors and their agents shall not be liable for any distribution sent to the address of record of a holder in the absence of the written change thereof as provided herein.

(b) Distributions by Prepetition Agent. Distributions under the Plan to holders of Allowed Claims in Classes 4, 5 and 8 shall be made to the applicable trustee or agent, which, in turn, shall make the distributions to the holders of such Allowed Claims.

Section 7.7 No Fractional Distributions. No New Third Lien Notes or Cram Down Notes shall be distributed under the Plan in increments of less than \$1,000. No fractions of New Common Stock, or New Warrants with respect to fractional shares of New Common Stock, or Cash in lieu thereof shall be distributed. Cash shall not be distributed under the Plan in denominations of less than one cent (\$0.01). For purposes of distribution, fractions of New Third Lien Notes, Cram Down Notes and New Common Stock shall be rounded down to the nearest whole number.

Section 7.8 Distributions to Holders as of Distribution Record Date. As of the close of business on the Distribution Record Date, the various books and records and transfer and claims registers for each of the Classes of Claims as maintained by the Debtors, their respective agents, and the indenture trustees for the ARCO Notes, Equistar Notes, Millennium Notes and 2015 Notes shall be deemed closed, and there shall be no further changes in the record holders of any of the Claims, except with regard to securities cancelled under the Plan, which shall be governed by Section 7.15 of the Plan, and such holders shall be the Allowed holders for purposes of distribution under the Plan. The Debtors shall have no obligation to recognize any transfer of the Claims occurring after the close of business on the Distribution Record Date. The Debtors, the Disbursing Agent, the current and former agents under the Senior Secured Credit Agreement and the indenture trustees for the ARCO Notes, Equistar Notes, Millennium Notes and 2015 Notes shall be entitled to recognize and deal for all purposes under the Plan only with those record holders stated on the transfer ledgers as of the close of business on the Distribution Record Date, to the extent applicable.

Section 7.9 Undeliverable and Unclaimed Distributions. If any distribution to the holder of an Administrative Expense or Claim is returned as undeliverable, no further distributions to such holder shall be made unless and until the holder notifies the Reorganized Debtors in writing of such holder's then-current address, at which time all missed distributions shall, subject to the final sentence of this paragraph, be made as soon as is practicable to such holder, without interest. Checks issued by or on behalf of the Debtors or Reorganized Debtors in respect of Allowed Administrative Expenses or Claims shall be null and void if not negotiated within one hundred and twenty (120) days after the date of issuance thereof. Requests for re-issuance of any check shall be made in accordance with the notice provisions of Section 13.20 hereof to the Reorganized Debtors, by the holder of the Allowed Administrative Expense or Claim to whom such check originally was issued. All claims for undeliverable distributions or voided checks shall be made on or before one hundred and fifty (150) days after the date such undeliverable distribution was initially made. After such dates, all such distributions (excluding unclaimed distributions of Settlement Consideration) shall be deemed unclaimed

property under section 347(b) of the Bankruptcy Code and shall become unencumbered Cash of the Reorganized Debtors and the claim of any other holder to such property (or interest in property) shall be discharged and forever barred. The holder of any Administrative Expense or Claim for which any undeliverable distribution has been deemed unclaimed property under section 347(b) of the Bankruptcy Code shall not be entitled to any other or further distribution under the Plan on account of such Claim or Equity Interest. Notwithstanding the foregoing, any Settlement Consideration ordinarily distributable to a holder of any Claim entitled to receive Settlement Consideration, but for which there is an unclaimed or undeliverable distribution, shall become eligible to be made to such holders as required to true-up distributions as between such holders of the Trusts.

Section 7.10 Setoffs. To the extent permitted under applicable law, the Debtors or Reorganized Debtors may set off against or recoup from any Allowed Administrative Expense or Allowed Claim (except for the DIP ABL Claims, DIP Roll-Up Claims and DIP New Money Claims) and the distributions to be made hereunder on account thereof (before any distribution is made on account of such Allowed Administrative Expense or Allowed Claim), the claims, rights and causes of action of any nature that the Debtors may have asserted in writing against the holder of such Allowed Administrative Expense or Allowed Claim, including, without limitation, any rights under section 502(d) of the Bankruptcy Code. In the absence of a written objection by such holder of an Allowed Claim within thirty (30) days of the delivery of such a writing from the Debtors, it shall be conclusively presumed that the requirements for disallowance of a Claim under section 502(d) of the Bankruptcy Code or setoff or recoupment under applicable law have been satisfied. If the holder of such Allowed Administrative Expense or Allowed Claim timely responds to the Debtors' written assertion that setoff or recoupment against such holder is appropriate, the party asserting such right must seek an order of the Bankruptcy Court allowing such setoff or recoupment; *provided, however*, that neither the failure to effect such a setoff nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors of any such claims, rights and causes of action that the Debtors may possess against such holder.

Section 7.11 Nonconsensual Confirmation. If any impaired Class of Claims that is entitled to vote does not accept the Plan by the requisite statutory majorities provided in section 1126(c) of the Bankruptcy Code, the Debtors reserve the right, subject to Section 13.4, to amend the Plan, in consultation with the Ad Hoc Group, the Majority Arrangers (who shall be consulted solely in respect of the treatment of the Bridge Lenders under Section 4.5, 4.9 and 4.10), the Arrangers (who shall be consulted solely in respect of the rights of the Arrangers under Sections 4.5, 4.9, 4.10, 10.1, 10.2, 11.4, 11.5, 11.7, 11.8, 11.9, 13.1(d), 13.1(e), 13.1(f) or 13.4) and the Rights Offering Sponsors, or undertake to have the Bankruptcy Court confirm the Plan under section 1129(b) of the Bankruptcy Code, or both. With respect to impaired Classes of Claims and Equity Interests that are deemed to reject the Plan, the Debtors shall request that the Bankruptcy Court confirm the Plan pursuant to section 1129(b) of the Bankruptcy Code.

Section 7.12 Hart-Scott-Rodino Compliance. Any shares of New Common Stock to be distributed under the Plan to any entity required to file a Premerger Notification and Report Form under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, or to meet any similar requirements under applicable non-U.S. law, shall not be distributed until the notification and waiting periods applicable under such law to such entity shall have expired or been terminated.

Section 7.13 Application of Distributions. Distributions to any holder of an Allowed Claim shall be applied first to the satisfaction of the principal portion (as determined for U.S. federal income tax purposes) of any such Allowed Claim and thereafter to the remaining portion of such Allowed Claim, if any.

Section 7.14 Cancellation of Existing Securities and Agreements. On the Effective Date, any document, agreement or Instrument evidencing a Claim or Equity Interest, other than (a) a Claim that is reinstated and rendered unimpaired under the Plan, (b) Equity Interest held by a Debtor in another Debtor, (c) Intercompany Claims (including Claims that become Intercompany Claims pursuant to (a) hereof) which shall be governed by Section 5.10 hereof, and (d) Equity Interests in Basell Germany, shall be deemed cancelled without further act or action under any applicable agreement, law, regulation, order or rule and the obligations of the Debtors under such documents, agreements or Instruments evidencing such Claims and Equity Interest, as the case may be, shall be discharged; *provided, however*, that the ARCO Notes Indenture, Equistar Notes Indenture, Millennium Notes Indenture, 2015 Notes Indenture, Bridge Loan Agreement, Senior Secured Credit Agreement, the DIP Agreement and Intercreditor Agreement shall continue in effect for the purposes of permitting the indenture trustees and agents thereunder (or party thereto) to (i) make distributions pursuant to the Plan and to perform such other necessary functions with respect thereto, (ii) maintain and assert any rights or liens for reasonable fees, costs and expenses thereunder (but, as to any fees, costs and expenses relating to any of the causes of action covered by the Lender Litigation Settlement, solely as permitted thereby) (iii) with regard to the DIP Agent, assert any right with regard to the Excluded DIP Obligations, and (iv) with respect to the current and former agents under the Senior Secured Loan Agreement and the Bridge Loan Agreement, assert any right with respect to the Excluded Senior/Bridge Obligations; *provided, further*, that nothing herein shall be deemed to impair any indemnification obligations of the lenders under the Senior Secured Credit Agreement, the Bridge Loan Agreement or the DIP Agreement. Nothing herein shall waive, release or impair any rights or interests that the 2015 Notes Trustee has under the 2015 Notes Indenture or otherwise to the recovery and/or reimbursement of its fees and expenses (including the fees and expenses of counsel) from any distribution of recoveries to the holders of the 2015 Notes (which distributions, if any, shall be made through the 2015 Notes Trustee pursuant to this Plan), whether in the nature of a charging lien or otherwise.

Section 7.15 Surrender of Securities. Unless otherwise provided herein, as a condition precedent to receiving any distribution hereunder, each registered holder of a certificate or other Instrument evidencing a Claim must surrender to the Reorganized Debtors or the applicable Agents or Indenture Trustees for the Senior Secured Credit Facility, Bridge Loan Facility, DIP Roll-Up Loans, 2015 Notes, the Millennium Notes, ARCO Notes and Equistar Notes all Instruments or other documents representing or evidencing such Claim. Any holder of a Claim that fails to (i) surrender such Instrument or (ii) execute and deliver to the Disbursing Agent an affidavit of loss and/or indemnity reasonably satisfactory to the Reorganized Debtors by the later to occur of (a) the first Effective Date Anniversary and (b) six months following the date such holder's Claim becomes an Allowed Claim, shall be deemed to have forfeited all rights and Claims with respect thereto, may not participate in any distribution under the Plan on account thereof, and all Cash, securities and other property owing with respect to such Allowed Claims shall be retained by the Reorganized Debtors and any New Third Lien Notes, Cram Down Notes or New Common Stock owing with respect to such Allowed Claims shall be cancelled and of no further force of effect.

Section 7.16 Postpetition Interest on Claims. Unless expressly provided herein, the Confirmation Order, the DIP Financing Order, or any contract, Instrument, release, settlement or other agreement entered into in connection with the Plan, or required by applicable bankruptcy law (including the fair and equitable rule), postpetition interest shall not accrue on or after the Commencement Date on account of any Claim.

Section 7.17 Withholding and Reporting Requirements. In connection with the Plan and all Instruments issued in connection therewith and distributed thereon, the Debtors, the Reorganized Debtors or any other paying agent, as applicable, shall comply with all applicable withholding and reporting requirements imposed by any federal, state, or local taxing authority, and all

distributions under the Plan shall be subject to any such withholding or reporting requirements. Notwithstanding the above, each holder of an Allowed Claim that is to receive a distribution under the Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit on account of such distribution, including withholding tax obligations in respect of in-kind (non-Cash) distributions. Any party issuing any Instrument or making an in-kind (non-Cash) distribution under the Plan has the right, but not the obligation, to refrain from making a distribution until the holder of the Allowed Claim, for which such distribution is to be made, has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligations.

ARTICLE VIII

PROCEDURES FOR RESOLVING AND TREATING DISPUTED CLAIMS

Section 8.1 Disputed Claims.

(a) Objections. As of the Effective Date, the Reorganized Debtors and the Schedule III Debtors shall reserve the sole right, to the exclusion of all others (except as to applications for allowances of compensation and reimbursement of expenses under sections 328, 330, 331 and 503 of the Bankruptcy Code), to make, file and prosecute objections to Claims; *provided, however*, that the Debtors or Reorganized Debtors, as the case may be, shall consult with the Creditor Representative in resolving Disputed Claims. However, to the extent an Insurance Policy or Insurance Agreement provides the Insurer (or third party claims administrator) the right to participate with respect to the handling, administration, settlement, negotiation, arbitration or litigation of a claim for which a Debtor or a third party claimant seeks coverage, the Insurer (or third party claims administrator) may participate in such after the Effective Date to the same extent it would have been entitled to participate pursuant to its Insurance Policy or Insurance Agreement had the Chapter 11 Cases not occurred. The claims objection procedures approved by the Bankruptcy Court pursuant to the order entered on August 11, 2009, shall continue to apply to the Reorganized Debtors and the Schedule III Debtors. The Reorganized Debtors and the Schedule III Debtors shall serve a copy of each objection upon the holder of the Claim to which the objection is made as soon as practicable (unless such Claim was already the subject of a valid objection by the Debtors), but in no event shall the service of such an objection be later than one (1) year after the Effective Date, unless such date is extended by order of the Bankruptcy Court. The Bankruptcy Court, for cause, may extend the deadline on the *ex parte* request of the Reorganized Debtors.

(b) Estimations. The Debtors or the Reorganized Debtors may, at any time, request the Bankruptcy Court to estimate any Claim, pursuant to section 502(c) of the Bankruptcy Code, regardless of whether the Debtors previously have objected to such Claim, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim, at any time, including during litigation concerning any objection to such Claim.

Section 8.2 Resolution of Disputed Claims.

(a) Litigation or Compromise. All objections shall be litigated to a Final Order except to the extent that the Reorganized Debtors or Schedule III Debtors elect to withdraw such objections, or the Reorganized Debtors or Schedule III Debtors and the holder of the Disputed Claim compromise, settle or otherwise resolve such objections, in which event they may settle, compromise or otherwise resolve any Disputed Claim without further order of the Bankruptcy Court.

(b) Estimation. In the event the Bankruptcy Court estimates any Disputed Claim, that estimated amount may constitute either the Allowed amount of such Claim or a maximum limitation on the Allowed amount of such Claim, as determined by the Bankruptcy Court. If the estimated amount

constitutes a maximum limitation on the Allowed amount of such Claim, the applicable Reorganized Debtor or Schedule III Debtor may elect to pursue any supplemental proceedings to object to any ultimate payment of such Claim.

(c) Authority. The Reorganized Debtors shall cooperate in a timely manner with the Trusts, the Trustees, the Creditor Representative, and their professionals in the discharge of their duties under this Plan, Litigation Trust Agreement, and Creditor Trust Agreement, including with regard to any reasonable requests for documents and information. Specifically, the Debtors or Reorganized Debtors, as the case may be, shall reasonably cooperate with the Trusts with respect to reasonable requests for documents and information in their review of potential Assigned Preference Claims. In addition, the Debtors and the Reorganized Debtors, as applicable, shall identify and object to General Unsecured Claims that are inconsistent with the Debtors' books and records or otherwise objectionable, in consultation in good faith with the Creditors' Committee and the Creditor Representative, as applicable. On and after entry of the Approval Order, the Debtors or the Reorganized Debtors, as applicable, shall have the authority to compromise, settle, otherwise resolve or withdraw any objection to a General Unsecured Claim that is disputed, without approval of the Bankruptcy Court, provided that the Reorganized Debtors shall consult with the Creditor Representative concerning the Reorganized Debtors' proposed compromise, settlement, resolution or withdrawal of any objection to a General Unsecured Claim that is disputed, and the Parties agree that if the Creditor Representative has an objection to the proposed compromise, settlement, resolution or withdrawal, it shall give notice of such objection to the Reorganized Debtors and a hearing shall be scheduled before the Bankruptcy Court to resolve the objection.

(d) Procedures Cumulative. All of the Claims objection, estimation and resolution procedures set forth in this Article VIII are cumulative and not necessarily exclusive of one another.

Section 8.3 No Distributions Pending Allowance. Notwithstanding any other provision herein, with the exception of Claims in Class 3, Class 4 and Class 5, if any portion of a Claim or Administrative Expense is Disputed, no payment, distribution or grant of Participation Right provided hereunder shall be made on account of any portion of that Claim or Administrative Expense unless and until (and only to the extent) such Claim or Administrative Expense becomes Allowed; distributions shall be made as provided herein on account of each Claim in Class 3, Class 4 and Class 5 to the extent such Claim is Allowed from time to time, notwithstanding that some portion of such Claim remains Disputed. None of the Reorganized Debtors or Schedule III Debtors shall be required to maintain segregated reserve accounts for Disputed Claims.

Section 8.4 Distributions After Allowance. If, on or after the Effective Date, any Disputed Claim or Administrative Expense becomes an Allowed Claim or Administrative Expense, the Reorganized Debtors or the Millennium Trust Trustee, as applicable, shall, as soon as practicable following the date on which the Disputed Claim or Administrative Expense becomes an Allowed Claim or Administrative Expense, except as otherwise provided herein, distribute to the holder of such Allowed Claim or Administrative Expense an amount, without any interest thereon, that provides such holder with the same percentage recovery or Participation Rights, as of the Effective Date, as holders of Claims or Administrative Expenses in the Class that were Allowed on the Effective Date.

Section 8.5 No Distribution in Respect of Disallowed Claims. To the extent that a Disputed Claim or Administrative Expense is expunged or reduced, the holder of such Claim or Administrative Expense shall not receive any distribution or Participation Rights on account of the portion of such Claim or Administrative Expense that is disallowed.

Section 8.6 Late-Filed Claims. Any Disputed Claim or Administrative Expense for which a proof of claim has not been deemed timely filed as of the Effective Date shall be disallowed without further order of the Bankruptcy Court.

ARTICLE IX

EXECUTORY CONTRACTS AND UNEXPIRED LEASES

Section 9.1 Treatment. All executory contracts and unexpired leases that exist between the Debtors and any Person shall be deemed rejected, as of the Effective Date, by the Debtor that is the counterparty thereto, except for (i) any executory contract or unexpired lease that previously expired or terminated pursuant to its own terms, (ii) any executory contract or unexpired lease that was previously assumed or rejected by the Debtors pursuant to an order of the Bankruptcy Court, (iii) any executory contract or unexpired lease that is the subject of a motion by the Debtors to assume or reject that is pending as of the Effective Date, (iv) any executory contract or unexpired lease that is specifically designated on the Assumption Schedule as a contract or lease to be assumed and assigned, as the case may be,¹⁰ (v) any provision granting an easement or right of way, to the extent executory, (vi) any contract, including Insurance Policies and Benefit Plans, that is assumed pursuant to the Plan, (vii) any provision that is a confidentiality or indemnification provision, to the extent required to continue to be enforceable or (viii) to the extent executory, any signed application for credit from a customer, which shall be deemed assumed at \$0 cure; *provided, however*, that the assumption of any such credit agreement does not, and shall not be deemed to, constitute the assumption, whether express or implied, of any other agreement. All executory contracts and unexpired leases that exist between any of the Reorganized Debtors or the Reorganized Debtors and any Non-Debtor Affiliate shall be deemed assumed by the Reorganized Debtor at \$0 cure, as of the Effective Date, but the parties reserve the right to agree (a) to a different cure amount and (b) that the executory contract is rejected, and in any event, amounts owed shall be Intercompany Claims that shall be treated in accordance with Section 5.10 of the Plan.

All executory contracts and unexpired leases that exist between any of the Schedule III Debtors, LBIAF or LBAFGP, on the one hand, and a Reorganized Debtor or a Non-Debtor Affiliate, on the other hand, shall be deemed rejected, as of the Effective Date, and any claims arising from the rejection shall be Schedule III Intercompany Claims that shall be treated in accordance with Section 5.11 of the Plan, and for the avoidance of doubt, such Schedule III Intercompany Claims shall be discharged or waived. Within 90 days of the Effective Date, the Millennium Trust Trustee shall review all executory contracts and unexpired leases that exist between any of the Schedule III Debtors and shall determine whether to assume or reject such contracts. Any claims arising from the assumption or rejection of these contracts shall be Schedule III Intercompany Claims that shall be treated in accordance with the Plan and payments, if any, will be directed by the Millennium Trust Trustee.

¹⁰ The Debtors reserve the right, in consultation with the Ad Hoc Group and Rights Offering Sponsors, on or prior to the Confirmation Date, to amend such schedule to add any executory contract or unexpired lease thereto or delete any executory contract or unexpired lease therefrom, in which event such executory contract(s) or unexpired lease(s) shall be deemed to be assumed or rejected, respectively. The Debtors shall provide notice of any amendment to the Assumption Schedule to the non-Debtor parties to the executory contracts and unexpired leases affected thereby.

The listing of a document or Instrument on the Assumption Schedule (or elsewhere in the Plan Supplement or the Plan) shall not constitute an admission by the Debtors that such document or Instrument is an executory contract or unexpired lease, or that the Debtors have any liability thereunder.

The Confirmation Order shall constitute an order of the Bankruptcy Court, approving (i) the assumption and assignment, or rejection, as the case may be, of contracts and leases, as described above, pursuant to sections 365(a) and 1123(b)(2) of the Bankruptcy Code, (ii) that the Reorganized Debtors had properly provided for the cure of any defaults that might have existed, (iii) that each assumption and assignment was in the best interest of the Reorganized Debtors, their estates, and all parties in interest in the Chapter 11 Cases, and (iv) the requirements for assumption and assignment of any executory contract or unexpired lease to be assumed had been satisfied. Each executory contract or unexpired lease that is assumed by any Debtor under the Plan and pursuant to the Confirmation Order or pursuant to any other Final Order entered by the Bankruptcy Court shall be assigned, without further notice or order of the Bankruptcy Court, to either the corresponding Reorganized Debtor or such Affiliate thereof or another Reorganized Debtor, on the later of (i) the Effective Date or (ii) the date of assumption.

Section 9.2 Inclusiveness. Unless otherwise specified in the Plan Supplement, each executory contract and unexpired lease listed on the Assumption Schedule therein shall include (without regard to whether any of the following agreements, Instruments or other documents are listed in the Plan Supplement), (i) all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, Instrument, or other document that in any manner affects such executory contract or unexpired lease, and (ii) with respect to any executory contract or unexpired lease that relates to the use, ability to acquire, or occupancy of real property, all executory contracts or unexpired leases appurtenant to the premises, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, usufructs, reciprocal easement agreements, vaults, tunnel or bridge agreements or franchises, and any other interests in real estate or rights in rem related to such premises, unless any of the foregoing agreements has been rejected pursuant to an order of the Bankruptcy Court.

Section 9.3 Cure of Defaults. Any monetary amount by which any executory contract or unexpired lease being assumed under the Plan is in default shall be satisfied, under section 365(b)(1) of the Bankruptcy Code, by the Debtors or Reorganized Debtors, by the payment of a Cure Amount. With the exception of such payment of Cure Amounts, if any, the Debtors are not required to make any payment or take any other action in order to satisfy the requirements of section 365(b) of the Bankruptcy Code with regard to the executory contracts and unexpired leases being assumed under the Plan.

(a) Cure Amounts. The Assumption Schedule lists, for each executory contract or unexpired lease being assumed under the Plan, the Debtors' proposed Cure Amount; *provided, however*, that the Debtors reserve the right, in consultation with the Ad Hoc Group and Rights Offering Sponsors, on or prior to the date of the Confirmation Hearing, to amend such schedule to add any executory contract or unexpired lease (and the attendant proposed Cure Amount) thereto or delete any executory contract or unexpired lease (and its attendant proposed Cure Amount) therefrom, or to amend the Cure Amount listed for any executory contract or unexpired lease. The Debtors shall provide notice of any amendment to the Assumption Schedule to the non-Debtor parties to the executory contracts and unexpired leases affected thereby. The determination or payment of any Cure Amount in connection with the Debtors' assumption of an executory contract or unexpired lease shall constitute neither a waiver of any amounts owed to the Debtors by the counterparty, whether under the assumed executory contract or unexpired lease or otherwise, nor a waiver of any of the Debtors' rights pursuant to section 502(d) of the Bankruptcy Code or otherwise.

(b) Assumption Disputes. If a non-Debtor party to an executory contract or unexpired lease being assumed under the Plan timely objects to (i) the assumption, (ii) the proposed Cure Amount or the nature of the cure, (iii) the ability of the Debtors, Reorganized Debtors or any assignee to

provide “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code) under the executory contract or unexpired lease being assumed, or (iv) any other matter pertaining to assumption, the Debtors and the objecting party may settle, compromise, or otherwise resolve such issues without further order of the Court, or submit the dispute to the Court for determination. Cure and assumption (or assumption and assignment) shall occur following either resolution of the dispute by the parties or the entry of a Final Order by the Court, as the case may be.

(c) Timing of Cure. The Debtors or Reorganized Debtors shall pay all Cure Amounts, if any, to the non-Debtor parties to the executory contracts and unexpired leases being assumed under the Plan within ten (10) Business Days after resolution of the Cure Amount by Final Order or agreement of the parties, except as otherwise agreed to by the parties; *provided, however*, that as to Insurance Policies and related agreements, the Reorganized Debtors shall remain liable for any premium arising thereunder that becomes liquidated, or is due and owing, after the time of assumption (regardless of when the underlying cause or action and/or claim arose).

(d) Reservation of Right to Reject. Notwithstanding the above, the Debtors or Reorganized Debtors may, in their sole and absolute discretion, except for Insurance Policies as discussed herein, determine to reject any executory contract or unexpired lease at any time prior to the later of (i) thirty (30) days after the Effective Date and (ii) thirty (30) days after the entry of a Final Order determining the proper Cure Amount for that executory contract or unexpired lease. The effective date of a rejection effected pursuant to the preceding sentence shall be the Effective Date regardless of the date on which the Debtors give notice of such rejection.

Section 9.4 Rejection Damages Claims. Claims arising out of the rejection of executory contracts and unexpired leases pursuant to the Plan must be filed with the Claims Agent and served upon the Debtors or Reorganized Debtors and their counsel no later than thirty (30) days after the later of the date that notice is mailed regarding (i) entry of an order approving the rejection of such executory contract or unexpired lease if not rejected by entry of the Confirmation Order, (ii) entry of the Confirmation Order, (iii) amendment of the Assumption Schedule that results in the rejection of such executory contract or unexpired lease, and (iv) rejection of such executory contract or unexpired lease pursuant to Section 9.3(d) of the Plan. Any such Claim not filed within such time shall be forever barred from assertion against the Debtors and their estates or the Reorganized Debtors or their property.

Section 9.5 Insurance Policies.

(a) Notwithstanding anything in the Disclosure Statement, this Plan, the Plan Supplement, the Confirmation Order or any other order of this Court to the contrary (including, without limitation, any other provision that purports to be preemptory or supervening or grants a release), on the Effective Date, each of the Insurance Policies and Insurance Agreements shall, as applicable, either be (i) deemed assumed to the extent such Insurance Policies and Insurance Agreements were executory contracts of the applicable Debtor(s), Reorganized Debtor(s) or Schedule III Debtor(s) pursuant to section 365 of the Bankruptcy Code or (ii) continued in accordance with its terms such that each of the parties’ contractual, legal and equitable rights under each Insurance Policy and Insurance Agreement shall remain unaltered, and the terms, conditions, and obligations of each Insurance Policy and Insurance Agreement shall apply as if the Chapter 11 Cases had not occurred. Nothing in the Disclosure Statement, Plan, the Plan Supplement, the Confirmation Order or any other order of this Court to the contrary (including, without limitation, any other provision that purports to be preemptory or supervening or grants a release): (i) shall affect, impair or prejudice the rights and defenses of the Insurers or the Debtors, Reorganized Debtors or other insureds under the Insurance Policies and Insurance Agreements in any manner; and such Insurers, Debtors, Reorganized Debtors and insureds shall retain all rights, obligations and defenses under the Insurance Policies and Insurance Agreements, and the Insurance Policies and Insurance

Agreements shall apply to, and be enforceable by and against, the applicable Debtor(s) or Reorganized Debtor(s) or insured(s) and the applicable Insurer(s) as if the Chapter 11 Cases had not occurred or (ii) shall in any way operate to, or have the effect of, impairing any party's legal, equitable or contractual rights or obligations under any Insurance Policy or Insurance Agreement, if any, in any respect; and any such rights and obligations shall be determined under the Insurance Policies, Insurance Agreements, and applicable law. Additionally, any Coverage Claim shall be handled in the court where it is currently pending or, if not currently pending in any court, Coverage Claims shall be heard in the forum specified in the relevant Insurance Policy or Insurance Agreement or, if no forum is so specified, in a court of competent jurisdiction; provided, however, that nothing herein waives any right of the Insurer to require arbitration to the extent the relevant Insurance Policy or Insurance Agreement provides for such. Nothing herein alters, modifies or affects that certain Order: (I) Authorizing Assumption of Agreements Constituting Certain Insurance Program; (II) Authorizing the Debtors to Enter into Insurance Agreements; and (III) Granting Related Relief Entered by the Bankruptcy Court on May 19, 2009, and such Order is incorporated herein by reference.

(b) The Debtors and the Reorganized Debtors shall continue to honor their obligations under (1) applicable worker's compensation laws in states in which the Reorganized Debtors operate; and (2) the Debtors' written contracts, agreements, agreements of indemnity, self-insurer workers' compensation bonds, all Insurance Policies and related agreements, insurance programs and plans for workers' compensation and insurance. All proofs of Claim filed by workers' compensation claimants shall be deemed satisfied and automatically expunged without any further notice to or action, order or approval of the Bankruptcy Court; *provided, however*, that nothing in the Plan shall limit, diminish, or otherwise waive the Debtors' or Reorganized Debtors' defenses, claims, causes of action or other rights under applicable non-bankruptcy law with respect to any such contracts, agreements, policies, programs and plans.

Section 9.6 Compensation and Benefit Programs. Except with respect to any Benefit Plan that has been terminated or rejected as of the Effective Date, all Benefit Plans and collective bargaining agreements shall remain in full force and effect as of the Effective Date. The Plan neither terminates nor impairs the Pension Plans, and for greater certainty, the U.S. Pension Plans and the U.K. Pension Plan shall ride through the Chapter 11 Cases. Certain of the Debtors are contributing sponsors of the U.S. Pension Plans. Upon confirmation of the Plan, the applicable Reorganized Debtors shall assume and continue the U.S. Pension Plans in accordance with their terms and the provisions of ERISA and the Internal Revenue Code of 1986, as amended and satisfy the minimum funding standards pursuant to 26 U.S.C. §§ 412 and 430 and 29 U.S.C. § 1082. In the ordinary course, during the pendency of these Chapter 11 Cases, the sponsorship of certain U.S. Pension Plans and Benefit Plans has changed, including sponsorship of the (i) Millennium Chemicals Inc. Consolidated Retirement Plan, (ii) Pension Plan for Eligible Hourly Employees of the Millennium Petrochemicals, Inc. Nortech Plant, (iii) Basell Pension Plan, (iv) Basell Retirement Income Plan and (v) Basell Pension Plan for Hourly Employees at Edison New Jersey, and such U.S. Pension Plans and Benefit Plans shall be assumed with the new sponsors; provided that the change in sponsorship has not resulted, and shall not result, in any liability for the affected U.S. Pension Plans being removed from the Debtors' controlled group (within the meaning of section 414(b) of the Internal Revenue Code of 1986, as amended). In addition, one of the Debtors, Lyondell Chemical Europe, Inc. is a contributing sponsor of the U.K. Pension Plan. Upon confirmation of the Plan, Lyondell Chemical Europe, Inc. shall assume and continue the U.K. Pension Plan in accordance with the terms and provisions of the U.K. Pension Plan's governing documentation and under and in accordance with applicable legislative and regulatory requirements under the law of England and Wales, including (but not limited to) the Pensions Act 1995, the Pensions Act 2004 and the Finance Act 2004, and all other relevant legislation, regulation, codes of practice and guidance. Furthermore, nothing in the Plan shall be construed as discharging, releasing or relieving the Debtors or their successors, including the Reorganized Debtors, from any liability imposed under any law or regulatory provision with

respect to the U.S. Pension Plans, the U.K. Pension Plan or PBGC. The PBGC, the U.S. Pension Plans and the U.K. Pension Plan shall not be enjoined or precluded from enforcing such liability as a result of any provision of the Plan or the Confirmation Order. Without limiting the foregoing, no provision of the Plan or the Confirmation Order shall limit, alter or impact in any way the ability and standing of the U.K. Pension Plan to seek compensation from, or entry to, the Pension Protection Fund (“PPF”) under the applicable law or regulation of England and Wales. Notwithstanding the foregoing, the PBGC Claim and any Claim arising out of the U.K. Pension Plan shall be deemed withdrawn on the Effective Date.

Section 9.7 Retiree Benefits. Except with respect to any retiree benefit that has been terminated or rejected as of the Effective Date, on and after the Effective Date, pursuant to section 1129(a)(13) of the Bankruptcy Code, the Reorganized Debtors shall continue to pay all retiree benefits of the Debtors (within the meaning of section 1114 of the Bankruptcy Code), if any, at the level established in accordance with section 1114 of the Bankruptcy Code at any time prior to the Confirmation Date, for the duration of the period for which the Debtors are obligated to provide such benefits.

(a) Other than as otherwise set forth in Section 5, on the Effective Date, all property of each Debtor's estate, including all claims and causes of action against third parties that arose prior to or after the Commencement Date, shall vest in the respective Reorganized Debtor or such other entity as provided in the Plan. From and after the Effective Date, the Reorganized Debtors may operate their business(es) and may use, acquire and dispose of property without the supervision of the Bankruptcy Court, free of any restrictions of the Bankruptcy Code or the Bankruptcy Rules, subject to the terms and conditions of the Plan.

(b) As of the Effective Date, all assets of the Reorganized Debtors shall be free and clear of all Claims, liens, encumbrances, charges, and other interests, except as provided in the Plan or the Confirmation Order.

Section 11.2 Compromise of Controversies. Pursuant to Bankruptcy Rule 9019, and in consideration for the classification, distribution, and other benefits provided under the

Plan, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims and controversies resolved pursuant to the Plan. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of each of the foregoing compromises or settlements and all other compromises and settlements provided for in the Plan, and the Bankruptcy Court's findings shall constitute its determination that such compromises and settlements are in the best interests of the Debtors, their estates, creditors, and other parties in interest, and are fair, equitable, and within the range of reasonableness.

Section 11.3 Binding Effect. Except as otherwise provided in section 1141(d)(3) of the Bankruptcy Code or in the Confirmation Order, and subject to the occurrence of the Effective Date, on and after the Confirmation Date, the provisions of the Plan shall bind any holder of a Claim against or Equity Interest in the Debtors and their respective successors and assigns, whether or not the Claim or Equity Interest of such holder is impaired under the Plan and whether or not such holder has accepted the Plan. The rights, benefits and obligations of any entity named or referred to in the Plan whose actions may be required to effectuate the terms of the Plan shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor or assign of such entity (including, but not limited to, any trustee appointed for the Debtors under chapters 7 or 11 of the Bankruptcy Code).

(b) Except to the extent otherwise expressly provided herein or in the Lender Litigation Settlement, including, without limitation, with respect to the Excluded DIP Obligations and the Excluded Senior/Bridge Obligation, all consideration distributed under the Plan shall be as a restructuring and not a refinancing, and in exchange for, and in complete satisfaction, release, discharge and settlement of all Administrative Expenses, Claims and Equity Interests of any nature whatsoever, including any interest accrued on such Administrative Expense, Claim or Equity Interest from and after the Commencement Date through the Effective Date against the Debtors, or any of their assets or properties, or against the estates or properties or interests in property. By accepting distributions pursuant to the Plan, each holder of an Allowed DIP Roll-Up Claim, Senior Secured Claim, Bridge Loan Claim, Millennium Notes Claim, General Unsecured Claim or 2015 Notes Claim shall be deemed to have specifically consented to the injunctions set forth in this Section 11.5 of the Plan.

(c) As of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, (i) each holder of a Claim (including any Senior Secured Claim, Bridge Loan Claim and 2015 Notes Claim) that votes in favor of the Plan (or is deemed to accept the Plan), and (ii) to the fullest extent permissible under applicable law, as such law may be extended or interpreted after the Effective Date, each holder of a Claim that does not vote to accept the Plan, shall be deemed to unconditionally and forever release, waive, and discharge the Non-Debtor Affiliates, and each of their respective members, officers, directors, agents, financial advisors, attorneys, employees, equity holders, parent corporations, subsidiaries, partners, affiliates and representatives, from any and all claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action and liabilities whatsoever arising from or relating to such Non-Debtor Affiliate's guarantee of Claims against the Debtors that are

discharged pursuant to the Plan, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise.

(d) *Except as set forth in Section 9.6, notwithstanding anything to the contrary contained in the Plan, the Disclosure Statement or the Confirmation Order, no released party shall be discharged, exculpated or released on any claim, now existing or hereafter arising that the PBGC may have under ERISA with respect to any U.S. Pension Plan, and there shall be no injunction against the assertion of any such claim.*

(e) *As to any governmental unit as defined in 11 U.S.C. § 101(27) (“Governmental Unit”), and except as provided in the Environmental Custodial Trust Agreement and the Environmental Settlement Agreement, nothing in the Confirmation Order or the Plan shall discharge, release or preclude: (i) any liability to a Governmental Unit that is not a Claim; (ii) any Claim of a Governmental Unit arising on or after the Confirmation Date; (iii) any liability to a Governmental Unit on the part of any Debtor, Reorganized Debtor or Schedule III Debtor as the owner or operator of real property after the Confirmation Date; (iv) any liability to a Governmental Unit on the part of any Person other than the Debtors, Reorganized Debtors or Schedule III Debtors; or (v) any valid right of setoff or recoupment by a Governmental Unit. In the event of any conflict between (i) the Plan or the Confirmation Order and (ii) the Environmental Custodial Trust Agreement or Environmental Settlement Agreement, the Environmental Custodial Trust Agreement or Environmental Settlement Agreement shall govern.*

(f) *As of the Effective Date, in consideration for contribution of the Wind-Up Funds and the Clean Up Funds, and payment of the Schedule III Allocations, the adequacy of which is hereby confirmed, the Schedule III Debtors, on their own behalf, and on behalf of their estates, forever release, acquit, discharge, indemnify, defend and hold harmless the Reorganized Released Parties from any and all actions, causes of action, liabilities, obligations, rights, suits, accounts, covenants, contracts, agreements, promises, damages, judgments, claims, debts, remedies and demands whatsoever, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, existing as of the Effective Date or thereafter arising, in contract or in law, at equity or otherwise, based in whole or in part upon any act or omission or other event occurring prior to the commencement of these Chapter 11 Cases or during the course of the Chapter 11 Cases (including through the Effective Date), in any way relating to the Schedule III Debtors, these Chapter 11 Cases, or the ownership, management, and operation of the Schedule III Debtors, including Intercompany Claims, that the Schedule III Debtors could assert directly or any holder of a Claim or Equity Interest or other entity could assert derivatively or on behalf of the Schedule III Debtors or their estates. The releases and indemnifications described herein shall be enforceable as a matter of contract and are in addition to, and not in lieu of, any other release, discharge or indemnification provided by applicable law, including section 1141 of the Bankruptcy Code, or separately given, conditionally or unconditionally, by the Schedule III Debtors, the Millennium Trust Trustee, the Environmental Trust Trustee, the Delaware Trustee or any other entity. These release and indemnifications shall be binding on the Millennium Custodial Trust, the Environmental Custodial Trust, the Millennium Trust Trustee, the Environmental Trust Trustee, the Delaware Trustee and any manager or board of directors of the Schedule III Debtors. The Schedule III Debtors and their estates shall be permanently enjoined, from and after the Effective Date, from asserting any and all Claims and causes of action that may lie against the Reorganized Released Parties with respect to the releases and indemnifications granted to it pursuant to this Plan.*

(g) *In exchange for the aggregate contributions to the Millennium Custodial Trust and the Environmental Custodial Trust of the Clean Up Funds, the Wind-Up Funds, payment of the Schedule III Allocations and waiver of Intercompany Claims by the Reorganizing Debtors against the Schedule III Debtors, pursuant to the Plan, the adequacy of which is hereby confirmed, each of the Schedule III Debtors shall forever release, acquit, discharge, indemnify, defend and hold harmless each of the Reorganized Released Parties of any and all Claims that could be brought by, through, or on behalf of the Schedule III Debtors or anyone claiming under them, including Claims based on the theory of alter ego or piercing the corporate veil. The Schedule III Debtors shall also forever release, acquit, discharge, indemnify, defend and hold harmless the Reorganized Released Parties from any and all Intercompany Claims. In addition, the releases include any Claims by the EPA or any other regulatory agency regarding environmental liabilities associated with the Reorganized Debtors and the Transferred Real Properties.*

(h) *Notwithstanding anything to the contrary herein or in the Confirmation Order, the Debtors and, after the Effective Date, the Reorganized Debtors and New Topco agree to indemnify and hold harmless the current and former agents under the Senior Credit Facility Agreement or the Bridge Loan Agreement (which, for the avoidance of doubt, includes the Collateral Agent) from and against any and all losses, claims, damages, liabilities and reasonable expenses, joint or several, to which the current and former agents under the Senior Credit Facility Agreement or the Bridge Loan Agreement (which, for the avoidance of doubt, includes the Collateral Agent) may become subject arising out of or in connection with any claim, challenge, litigation, investigation or proceeding with respect to the distributions under the Plan and effectuating the transactions contemplated under Section 5.4 of the Plan and the release of Liens and related transactions contemplated in the Lender Litigation Settlement, and to promptly reimburse the current and former agents under the Senior Credit Facility Agreement or the Bridge Loan Agreement (which, for the avoidance of doubt, includes the Collateral Agent) for reasonable legal or other reasonable out-of-pocket expenses as they are incurred in connection with investigating, responding to or defending any of the foregoing, provided that the foregoing indemnification shall not apply to losses, claims, damages, liabilities or expenses finally judicially determined by a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct on the part of the current and former agents under the Senior Credit Facility Agreement or the Bridge Loan Agreement (which, for the avoidance of doubt, includes the Collateral Agent). If for any reason (other than for the reasons set forth in the proviso to the previous sentence) the foregoing indemnification is unavailable to the current and former agents under the Senior Credit Facility Agreement or the Bridge Loan Agreement (which, for the avoidance of doubt, included the Collateral Agent) or insufficient to hold it harmless, then the Debtors and, after the Effective Date, the Reorganized Debtors and New Topco shall contribute to the Collateral Agent the amount paid or payable by the current and former agents under the Senior Credit Facility Agreement or the Bridge Loan Agreement (which, for the avoidance of doubt, included the Collateral Agent) as a result of such loss, claim, damage, liability or expense. The obligations of the Debtors, the Reorganized Debtors and New Topco in this Section 11.8(h) shall survive and shall not be discharged by this Plan.*

Section 11.9 Retention of Causes of Action/Reservation of Rights.

(a) *Except as expressly provided in the Plan or the Lender Litigation Settlement, and explicitly subject to the treatment of the Assigned Preference Claims, the State Law Avoidance Claims and the Non-Settling Defendant Claims as set forth herein, nothing contained in the Plan or the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights or causes of action that the Debtors or the Reorganized Debtors may have or choose to assert on behalf of their respective estates under any provision of the Bankruptcy Code or any applicable nonbankruptcy law, including, without limitation, (i) any and all Claims against any Person, to the extent such Person asserts a cross-claim, counterclaim, and/or Claim for setoff which seeks affirmative relief against the Debtors, their*

officers, directors, or representatives, (ii) any and all claims under chapter 5 of the Bankruptcy Code except to the extent waived or settled pursuant to the DIP Financing Order or the Lender Litigation Settlement, and (iii) the turnover of any property of the Debtors' estates.

(b) Except as expressly provided in the Plan or the Lender Litigation Settlement, and explicitly subject to the treatment of the Assigned Preference Claims, the State Law Avoidance Claims and the Non-Settling Defendant Claims as set forth herein, nothing contained in the Plan or the Confirmation Order shall be deemed to be a waiver or relinquishment of any claim, cause of action, right of setoff, or other legal or equitable defense which the Debtors had immediately prior to the Commencement Date or which arose during the Chapter 11 Cases, against or with respect to any Claim left unimpaired by the Plan. The Debtors and the Reorganized Debtors shall have, retain, reserve, and be entitled to assert all such claims, causes of action, rights of setoff, and other legal or equitable defenses which they had immediately prior to the Commencement Date fully as if the Chapter 11 Cases had not been commenced, except for those claims, causes of action, rights of setoff or other legal or equitable defense, if any, that the Debtors have effectively waived after the Commencement Date, and all of the Debtors' and Reorganized Debtors' legal and equitable rights respecting any Claim left unimpaired by the Plan may be asserted after the Confirmation Date to the same extent as if the Chapter 11 Cases had not been commenced.

(c) Except as expressly provided in the Plan or the Lender Litigation Settlement and explicitly subject to the treatment of the Assigned Preference Claims, the State Law Avoidance Claims and the Non-Settling Defendant Claims as set forth herein, each of the Reorganized Debtors shall, after the Effective Date, retain the rights to bring any causes of action that could have been brought by the respective Debtor at any time.

Section 11.10 Section 506(c) Reservation. The Debtors and the Reorganized Debtors reserve all rights under section 506(c) of the Bankruptcy Code with respect to any and all Secured Claims, except to the extent waived pursuant to the DIP Financing Order.

Section 11.11 Chapter 5 Reservation. Other than as set forth in the Plan or the Lender Litigation Settlement and explicitly subject to the treatment of the Assigned Preference Claims, the State Law Avoidance Claims and the Non-Settling Defendant Claims as set forth herein, without limiting Section 11.8(b) above, the Debtors and Reorganized Debtors reserve all rights under chapter 5 of the Bankruptcy Code, including the right to retain or settle any claims arising under chapter 5, except to the extent waived pursuant to the DIP Financing Order or settled in the Lender Litigation Settlement.

MISCELLANEOUS PROVISIONS

Section 13.1 Payment of Certain Fees.

(a) As required by the ARCO/Equistar Settlement, subject to receipt of supporting documentation and the Debtors' review thereof, the Debtors shall pay, as an Administrative Expense, the reasonable legal fees and expenses of the ARCO/Equistar Advisor, performed solely in connection with its representing, counseling or advising on matters relating to the ARCO Notes and Equistar Notes in connection with these Chapter 11 Cases, in an amount not to exceed \$1 million.

(b) As required by the Lender Litigation Settlement, pursuant to the Plan, all reasonable, actual and documented costs and expenses incurred by the 2015 Notes Trustee, solely in its capacity as 2015 Notes Trustee (including, without limitation, the reasonable, actual and documented fees of legal counsel), and all reasonable, actual and documented legal fees and expenses incurred by members of the 2015 Notes Ad Hoc Group shall be treated and paid as Allowed Administrative Expenses; provided, that such costs and expenses shall be submitted to the Debtors in the form of summary invoices of the relevant law firms and institution; provided further, that the total amount of all of such costs and expenses through and including February 16, 2010 shall not exceed in the aggregate \$3.5 million; *provided, however*, that such amount shall be increased to \$5.1 million in the event all of the Millennium Notes Plan Conditions are satisfied; *provided further*, that the Debtors' estates shall not pay any fees and expenses incurred by members of the 2015 Notes Ad Hoc Group after February 16, 2010; provided further, that the Debtors shall have no obligation to pay any fees or expenses (including any legal fees and expenses) of any member of the 2015 Notes Ad Hoc Group if such member objects to (i) the Lender Litigation Settlement Approval Motion or the Lender Litigation Settlement, (ii) the motion to approve the Equity Commitment Agreement [09-10023 Docket No. 3487], or any other pleading filed in support of the Equity Commitment Agreement (as amended from time to time), (iii) approval of the Disclosure Statement, or (iv) confirmation of the Plan. All of the members of the 2015 Notes Ad Hoc Group agree that they shall not assert any claim or request payment of any Administrative Expense for fees and

expenses (including any legal fees or expenses) incurred after February 16, 2010. For the avoidance of doubt, (a) the 2015 Notes Trustee shall not receive payment for any fees and expenses incurred on or before February 16, 2010, unless such fees and expenses are included within the \$3.5 million cap set forth in the second proviso of the first sentence of this paragraph and (b) such \$3.5 million cap shall not apply to the fees and expenses of the 2015 Notes Trustee incurred after February 16, 2010, and (c) such \$3.5 million cap shall not apply to the fees and expenses of the 2015 Notes Trustee paid before February 16, 2010.

(c) In connection with having reached agreement on the terms of the Lender Litigation Settlement, the Debtors have agreed to pay the reasonable legal fees and expenses of Nixon Peabody LLP, for services performed solely in connection with representing, counseling or advising DZ Bank AG in connection with these Chapter 11 Cases, in an amount not to exceed \$125,000.

(d) The Debtors shall continue to pay and reimburse to (i) Citibank, N.A. and its Affiliates, in their various current and former agent capacities under the Senior Secured Credit Facility and the Bridge Loan Agreement, (ii) Deutsche Bank Trust Company Americas and its Affiliates, in its capacity as administrative agent under the Senior Facility, and (iii) Merrill Lynch Capital Corporation and its Affiliates, in its capacity as administrative agent under the Bridge Loan Agreement, the reasonable expenses incurred by them thereunder (including the reasonable, actual and documented fees and disbursements of counsel), and, in each case, such expenses (but unless otherwise set forth herein or in the Lender Litigation Settlement, only such expenses (including the reasonable, actual and documented fees and disbursements of counsel)) shall not be discharged hereunder.

(e) The Debtors and after the Effective Date, the Reorganized Debtors and New Topco shall continue to pay, reimburse and honor the Excluded DIP Obligations and the Excluded Senior/Bridge Obligations.

(f) The administrative agent under the Bridge Loan Agreement shall be authorized to disburse any and all retainer monies in its possession, to reimburse the reasonable fees and expenses of counsel to the Arrangers.

(g) All reasonable, actual and documented costs and expenses incurred by the Millennium Notes Trustee, solely in its capacity as Millennium Notes Trustee (including the reasonable, actual and documented fees of Dewey & LeBoeuf and Golenbock Eiseman as legal advisors to the Millennium Notes Trustee), and the reasonable, actual and documented legal fees and expenses of Greenberg Traurig as advisor to one or more of the Specified Millennium Noteholders, shall be treated and paid as Allowed Administrative Expenses; *provided*, that such costs and expenses shall be submitted to the Debtors in the form of summary invoices of the relevant law firms and institution; *provided further*, that the total amount of all of such costs and expenses shall not exceed in the aggregate \$3.0 million (of which the fees and expenses of Greenberg Traurig shall not exceed \$100,000); and *provided further*, that the Debtors shall have no obligation to pay any fees or expenses (including any legal fees and expenses) of the Millennium Notes Trustee or any Specified Millennium Noteholders if the Millennium Notes Plan Conditions are not met. The Millennium Notes Trustee agrees that it shall not assert any claim or request payment of any administrative expense for fees and expenses (including any legal fees or expenses) incurred above the \$3.0 million cap; *provided, however*, that nothing herein shall waive, release or impair any rights or interests that the Millennium Notes Trustee has under the Millennium Notes Indenture or otherwise to the recovery and/or reimbursement of its fees and expenses (including the fees and expenses of counsel) from any distribution of recoveries to the holders of the Millennium Notes (which distributions, if any, shall be made through the Millennium Notes Trustee pursuant to the Plan), whether in the nature of a charging lien or otherwise.

Section 13.2 Plan Supplement. The Plan Supplement shall be filed with the Clerk of the Bankruptcy Court at least ten (10) days prior to the deadline to vote to accept or reject the Plan. Upon its filing with the Bankruptcy Court, the Plan Supplement may be inspected in the office of the Clerk of the Bankruptcy Court during normal court hours. Holders of Claims or Equity Interests may obtain a copy of the Plan Supplement on the website of the Claims Agent (www.epiqbankruptcysolutions.com) or upon written request to the Debtors' bankruptcy counsel. Effectuating Documents and Further Transactions. Upon entry of the Confirmation Order, each of the Debtors and the Reorganized Debtors and their respective officers and directors shall be authorized and are instructed to execute, deliver, file with the Bankruptcy Court or record or file such contracts, Instruments, releases, indentures, disclosures and other agreements or documents and take such actions as may be reasonably necessary or appropriate to effectuate and further evidence the terms, conditions and purposes of the Plan, or to otherwise comply with applicable law.

Section 13.4 Modification of Plan. The Debtors reserve the right, in consultation with the Ad Hoc Group, Rights Offering Sponsors and the Creditors' Committee, and in all events in accordance with and as otherwise permitted by the Bankruptcy Code and the Bankruptcy Rules, to amend or modify the Plan in accordance with section 1127(a) of the Bankruptcy Code at any time subsequent to the commencement of solicitation of votes on the Plan and prior to the entry of the Confirmation Order; *provided, however*, in the case of a material amendment, the Debtors also receive the consent of the Rights Offering Sponsors as set forth in the Equity Commitment Agreement, the Majority Arrangers (whose consent shall be required solely to the extent such material amendment alters the treatment provided to the Bridge Lenders under Sections 4.5, 4.9 and 4.10), the Arrangers (whose consent shall be required solely to the extent such material amendment amends the rights of the Arrangers under Sections 4.5, 4.9, 4.10, 10.1, 10.2, 11.4, 11.5, 11.7, 11.8, 11.9, 13.1(d), 13.1(e), 13.1(f) or 13.4) and the Ad Hoc Group; *provided further*, however, that, solely if the 2015 Notes Plan Conditions have been satisfied, in the case of an amendment to any provisions of the Plan that directly affects the treatment of the 2015 Notes Claims, any release or exculpation afforded to the 2015 Notes Trustee or the holders of 2015 Notes Claims, or the treatment of any Administrative Expense of the 2015 Notes Trustee and/or the members of the 2015 Notes Ad Hoc Group, the consent of the 2015 Notes Trustee shall be required; *provided further, however*, that, solely if the Millennium Notes Plan Conditions have been satisfied, in the case of an amendment to any provisions of the Plan that directly affects the treatment of the Millennium Notes Claims, any release or exculpation afforded to the Millennium Notes Trustee or the holders of Millennium Notes Claims, or the treatment of any Administrative Expense of the Millennium Notes Trustee, the consent of the Millennium Notes Trustee shall be required. After the entry of the Confirmation Order, the Debtors may, upon order of the Bankruptcy Court, amend or modify the Plan in accordance with and otherwise permitted by section 1127(b) of the Bankruptcy Code and in a manner consistent with the Lender Litigation Settlement, or remedy any defect or omission or reconcile any inconsistency in the Plan in such manner as may be necessary and consistent with the Lender Litigation Settlement to carry out the purpose and intent of the Plan; *provided, however*, in the case of a material amendment, the Debtors shall also receive the consent of Rights Offering Sponsors, as set forth in the Equity Commitment Agreement, the Majority Arrangers (whose consent shall be required solely to the extent such material amendment alters the treatment provided to the Bridge Lenders under Section 4.5, 4.9 and 4.10), the Arrangers (whose consent shall be required solely to the extent such material amendment amends the rights of the Arrangers under Sections 11.4, 11.5, 11.7, 11.8, 11.9, 13.1(d),(e) and (f) and 13.4) and the Ad Hoc Group. To the fullest extent allowable in the Bankruptcy Code, a holder of an Allowed Claim that has accepted the Plan shall be deemed to have accepted the Plan as modified if the proposed modification does not alter the treatment of the Claim of such holder. Notwithstanding anything to the contrary in the Plan or Disclosure Statement, if the Equity Commitment Agreement is terminated, the Debtors reserve the right to amend or withdraw the Plan without having to comply with

any consultation or consent rights contained in the Plan, and all other parties reserve any rights they may have in connection with any such amendment or withdrawal.

Section 13.5 Payment of Statutory Fees. All fees payable pursuant to 28 U.S.C. § 1930(a)(6) shall be paid on the Effective Date by the Debtors. Any such fees accruing after the Effective Date but prior to the closing of the Chapter 11 Cases shall be paid by the Reorganized Debtors.

Section 13.6 Withdrawal or Revocation of Plan. The Debtors may withdraw or revoke the Plan as to any or every Debtor at any time prior to the Confirmation Date. If the Debtors revoke or withdraw the Plan, or if the Confirmation Date does not occur, then the Plan shall be deemed null and void with respect to the applicable Debtor(s). In such event, nothing contained herein shall be deemed to constitute a waiver or release of any Claim by or against the applicable Debtor(s) or any other Person or to prejudice in any manner the rights of the applicable Debtor(s) or any other Person in any further proceedings involving the applicable Debtor(s).

Section 13.7 Dissolution of the Creditors' Committee.

(a) On the Effective Date, the Creditors' Committee shall be dissolved and the members thereof shall be released and discharged of and from all further authority, duties, responsibilities, and obligations related to and arising from and in connection with the Chapter 11 Cases, and the retention and employment of the Creditors' Committee's attorneys, accountants, and other agents shall terminate.

(b) The Creditors' Committee shall continue in existence after the Effective Date solely for the purpose of (i) reviewing and being heard by the Bankruptcy Court, and on any appeal, with respect to applications for compensation and reimbursement of expenses pursuant to sections 330, 331 and 503(b) of the Bankruptcy Code; and (ii) appearing, objection, responding, replying and/or taking any other action concerning an appeal of the plan or the Lender Litigation Settlement in the Bankruptcy Court, or any other court of competent jurisdiction. With respect only to the foregoing, the Reorganized Debtors shall pay the reasonable fees and expenses of counsel for the Creditors' Committee.

Section 13.8 Exemption from Securities Laws. The issuance of the New Common Stock and New Third Lien Notes pursuant to the Plan shall be exempt from any securities laws registration requirements to the fullest extent permitted by section 1145 of the Bankruptcy Code, Section 4(2) of the Securities Act and any other applicable exemptions.

Section 13.9 Exemption from Transfer Taxes. Pursuant to section 1146(a) of the Bankruptcy Code, the issuance, transfer, or exchange of notes or equity securities under or in connection with the Plan, the assignment or surrender of any lease or sublease, or the delivery of any deed or other Instrument of transfer under, in furtherance of, or in connection with the Plan, including any deeds, bills of sale, assignments, mortgages, deeds of trust or similar documents executed in connection with any disposition of assets contemplated by the Plan, shall not be subject to any stamp, real estate transfer, mortgage recording, sales, use or other similar tax nor any Uniform Commercial Code filing or recording fee or similar or other governmental assessment. The Confirmation Order shall direct the appropriate state or local government officials or agents to forgo the collection of any such tax or governmental assessment and to accept for filing and recordation any of the foregoing Instruments or other documents without the payment of any such tax or governmental assessment.

Section 13.10 Tax-Exempt Status. Nothing in the Plan shall adversely affect, or be interpreted to be inconsistent with, the tax-exempt status of any Reorganized Debtor or any other entity established pursuant to the Plan that is expressly intended to be tax-exempt.

Section 13.11 Expedited Determination of Postpetition Taxes. The Debtors and Reorganized Debtors are authorized (but not required) to request an expedited determination of taxes under section 505(b) of the Bankruptcy Code for any or all tax returns filed for taxable periods (or portions thereof) from the Commencement Date through (and including) the Effective Date.

Section 13.12 Severability. In the event that the Bankruptcy Court determines, prior to the Confirmation Date, that any provision of the Plan (or incorporated document) is invalid, void or unenforceable, the Bankruptcy Court shall, with the consent of the Debtors, have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the provision held to be invalid, void or unenforceable, and such provision shall then be applicable as altered or interpreted. Subject to Section 13.4 and Bankruptcy Rule 3019, notwithstanding any such holding, alteration or interpretation, the remainder of the provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable according to its terms. Notwithstanding the foregoing, but subject in all respects to Section 10.1(a) and the Bankruptcy Court not having made a determination that modifications to the provisions of Sections 11.5, 11.8 or 11.9 are required by applicable law, the provisions in the Plan relating to releases and exculpations are not severable from the remainder of the Plan.

If any separate Plan is unconfirmable, the Debtors shall have the right to sever that Plan and proceed with the confirmation of all other Plans.

Section 13.13 Governing Law. Except to the extent the Bankruptcy Code or Bankruptcy Rules are applicable, or to the extent an exhibit to the Plan or Plan Supplement provides otherwise (in which case the governing law specified therein shall be applicable to such exhibit), the rights, duties and obligations arising under the Plan shall be governed by, and construed and enforced in accordance with, the federal laws of the United States and, to the extent there is no applicable federal law, the laws of the State of New York (without giving effect to the principles of conflicts of law thereof).

Section 13.14 Courts of Competent Jurisdiction. If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising out of the Plan, such abstention, refusal or failure of jurisdiction shall have no effect upon and shall not control, prohibit, or limit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

Section 13.15 Headings. Headings are used in the Plan for convenience and reference only, and shall not constitute a part of the Plan for any other purpose.

Section 13.16 Exhibits/Schedules. All Exhibits and Schedules to the Plan, including the Plan Supplement, are incorporated into and are a part of the Plan as if set forth in full herein.

Section 13.17 Plan Controls Disclosure Statement; Confirmation Order Controls Plan. To the extent the Plan is inconsistent with the Disclosure Statement, the provisions of the Plan shall be controlling. To the extent the Confirmation Order is inconsistent with the Plan, the provisions of the Confirmation Order shall be controlling. In the event of any conflict between the Lender Litigation Settlement Agreement and the terms of the Plan, the terms of the Lender Litigation Settlement Agreement shall govern.

Section 13.18 Successors and Assigns. All the rights, benefits, and obligations of any Person named or referred to in the Plan shall be binding on, and shall inure to the benefit of the heirs, executors, administrators, successors, and/or assigns of such Person.

Section 13.19 Reservation of Right to Convert. If any of the Schedule III Debtors does not have an impaired consenting class or its Plan is otherwise unconfirmable, then the Debtors reserve the right to sever that case from the remaining cases covered by the Plan and convert the Chapter 11 Case of that Debtor to a case under chapter 7 of the Bankruptcy Code without otherwise impacting this Plan, any order related to the Disclosure Statement, the application of the Plan to the remaining Debtors and any order related to the Plan, in respect of the remaining Debtors; *provided that*, if the remaining Debtors nonetheless contribute to any such Debtor whose case is to be converted to a case under chapter 7 of the Bankruptcy Code an amount equal to such Debtors' portion of the Wind-Up Funds and Clean Up Funds, as determined by the Debtors, that Debtor shall be deemed to have released the remaining Debtors of any and all causes of action or claims that such Schedule III Debtor, or anyone claiming by or through such Schedule III Debtor, may have against any or all of the remaining Debtors, including any claims for contribution, indemnity, reimbursement or based on or for piercing the corporate veil or alter ego in exchange for fair value or consideration given. This release shall be binding upon any chapter 7 trustee appointed in the case of any such Debtor.

Section 13.20 Notices. All notices, requests and demands by parties in interest under or in connection with the Plan shall be in writing and served either by (i) certified mail, return receipt requested, postage prepaid, (ii) hand delivery, (iii) reputable overnight delivery service, all charges prepaid, or (iv) electronic mail, and shall be deemed to have been given when received and confirmed by telephone or reply email by the following parties: Lyondell Chemical Company
